## What Do Others Say?

**Karen Marcucci**  
Board of Trustees, Place 5,  
Mansfield ISD

"LSG has provided the tools we needed to get the entire board focused. It has broken down the task of governance into clearly defined goals that have helped us become more accountable to our stakeholders. This framework has allowed us to reach milestones more quickly than we would have on our own and become a higher functioning team."

**Andre D. Spencer**  
Superintendent,  
Manor ISD

"The Lone Star Governance model outlines a true continuous improvement method for Boards and superintendents to establish a healthy working relationship that is directly focused on student outcomes. This process is extraordinarily manageable. I strongly recommend Lone Star Governance for all districts."
