ASE Entry-Level Engine Performance (EP)

INDUSTRY-BASED CERTIFICATION DESCRIPTION

The ASE Entry-Level Engine Performance (EP) exam assesses knowledge and skills related to: general engine diagnosis; computerized controls diagnosis and repair; ignition system diagnosis and repair; fuel, air induction, and exhaust systems diagnosis and repair; and emissions control systems diagnosis and repair.

The examinations may be administered twice annually. Separate student score reports are prepared for each of the examinations.

Discounts are available if certification vouchers are purchased in packages of 30, 50, 100, or 200.
