Adobe Certified Associate After Effects

INDUSTRY-BASED CERTIFICATION DESCRIPTION

Adobe After Effects is the industry-standard motion graphics and visual effects software. Create cinematic movie titles, intros, and transitions. Start a fire or make it rain. Animate a logo or character. With After Effects you can take any idea and make it move.

The Adobe Certified Associate After Effects exam measures the following domains: working in the visual effects and motion graphics industry, project setup and interface, organizing video projects, creating and modifying visual elements, and publishing digital media.
