  - Behavior Interventions within Remote Learning Environments (*Coming Soon*)

- In an effort to increase the number of Educational Diagnosticians and Licensed Specialists in School Psychology (LSSPs) in small and rural schools in Texas, TEA, in collaboration with the Small and Rural Schools Network, provides approved applicants in an applicable course of study at an accredited university financial reimbursement for eligible program costs. Applicants must sign an agreement to provide a minimum of 3 years of evaluation services in a small and/or rural LEA or SSA.

  The first application deadline for the Evaluation Certification Reimbursement Program is October 19, 2020.

- The Inclusion Works Conference will be held October 25th-27th and provides an opportunity for educators, administrators, families, paraprofessionals, and related service providers to learn about evidence-based inclusion practices for students with disabilities who receive special education services.

- The Child Find, Evaluation, and ARD Supports Network has posted several new resources.
  - Three new tools to support initial evaluations, including timeline flowcharts and a referral tracking tool
  - Two new tools to support school teams in reviewing and analyzing student data to make informed decisions regarding referrals for special education.
  - The first virtual webinar recording of the year on evaluations during 20-21 school year is now posted.
