

Universal Errata (May 9, 2024)

Updated Final/Revised Final Expenditure Reporting Due Dates for Federal Formula Grants Ending 9/30/2024

Description of Change

The following errata is issued as it relates to federal award closeout requirements. As per 2 CFR 200.344(a), "... A subrecipient must submit to the pass-through entity, **no later than 90 calendar days** (or an earlier date as agreed upon by the pass-through entity and subrecipient) **after the end date of the period of performance**, all financial, performance, and other reports as required by the terms and conditions of the Federal award." Therefore, the Texas Education Agency has adjusted the Final Expenditure Report and Revised Final Expenditure Report due dates for the federal formula grants listed below to reflect 90 calendar days after the grant period end date, without adjustments for weekends and holidays. Grantees must have all expenditure reporting for these programs completed no later than December 29, 2024. Additional details for each grant are available on the [TEA Grant Opportunities](#) page.
