

Texas Essential Knowledge and Skills (TEKS) Breakouts		
Subject	Chapter 130. Texas Essential Knowledge and Skills for Career and Technical Education	
Subchapter	Subchapter A. Agriculture, Food, and Natural Resources	
Course	§130.18. Principles and Elements of Floral Design (One Credit).	
(a) General requirements. This course is recommended for students in Grades 10-12.		
(b) Introduction.		
(1) To be prepared for careers in floral design, students need to attain academic skills and knowledge as well as technical knowledge and skills related to horticultural systems and develop knowledge and skills regarding career opportunities, entry requirements, and industry expectations. To prepare for success, students need opportunities to learn, reinforce, apply and transfer their knowledge and skills and technologies in a variety of settings. This course is designed to develop students' ability to identify and demonstrate the principles and techniques related to floral design as well as develop an understanding of the management of floral enterprises.		
(2) Through the analysis of artistic floral styles and historical periods, students develop respect for the traditions and contributions of diverse cultures. Students respond to and analyze floral designs, thus contributing to the development of lifelong skills of making informed judgments and evaluations.		
(c) Knowledge and Skills.		
Knowledge and Skills Statement	Student Expectation	Breakout
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(A) identify the aesthetic benefits and the history of floral art, particularly as it relates to current practice	(i) identify the aesthetic benefits of floral art

The student is expected to:	(A) identify the aesthetic benefits and the history of floral art, particularly as it relates to current practice	(ii) identify the history of floral art, particularly as it relates to current practice
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(B) classify and identify flowers and plants used in floral design	(i) classify flowers used in floral design
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(B) classify and identify flowers and plants used in floral design	(ii) classify plants used in floral design
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(B) classify and identify flowers and plants used in floral design	(iii) identify flowers used in floral design

Knowledge and Skills Statement	Student Expectation	Breakout
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(B) classify and identify flowers and plants used in floral design	(iv) identify plants used in floral design
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(C) identify design elements and principles	(i) identify design elements
(1) The student identifies design principles and techniques in floral art and interiorscapes. The student is expected to:	(C) identify design elements and principles	(ii) identify design principles
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(A) understand and implement the design process through the medium of floral materials	(i) understand the design process through the medium of floral materials

Knowledge and Skills Statement	Student Expectation	Breakout
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(A) understand and implement the design process through the medium of floral materials	(ii) implement the design process through the medium of floral materials
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(B) evaluate and prepare geometric floral designs using cut flowers	(i) evaluate geometric floral designs using cut flowers
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(B) evaluate and prepare geometric floral designs using cut flowers	(ii) prepare geometric floral designs using cut flowers
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(C) evaluate and prepare geometric floral designs using silk flowers	(i) evaluate geometric floral designs using silk flowers

Knowledge and Skills Statement	Student Expectation	Breakout
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(C) evaluate and prepare geometric floral designs using silk flowers	(ii) prepare geometric floral designs using silk flowers
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(D) prepare corsages and boutonnieres	(i) prepare corsages
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(D) prepare corsages and boutonnieres	(ii) prepare boutonnieres
(2) The student demonstrates floral design principles and techniques. The student is expected to:	(E) prepare floral designs for specific occasions	(i) prepare floral designs for specific occasions

Knowledge and Skills Statement	Student Expectation	Breakout
(3) The student develops and formulates ideas from the environment. The student is expected to:	(A) illustrate ideas for floral designs from direct observation, experiences, and imagination	(i) illustrate ideas for floral designs from direct observation
(3) The student develops and formulates ideas from the environment. The student is expected to:	(A) illustrate ideas for floral designs from direct observation, experiences, and imagination	(ii) illustrate ideas for floral designs from experiences
(3) The student develops and formulates ideas from the environment. The student is expected to:	(A) illustrate ideas for floral designs from direct observation, experiences, and imagination	(iii) illustrate ideas for floral designs from imagination
(3) The student develops and formulates ideas from the environment. The student is expected to:	(B) compare and contrast the use of art elements such as color, texture, form, line, and space	(i) compare and contrast the use of art elements

Knowledge and Skills Statement	Student Expectation	Breakout
<p>(3) The student develops and formulates ideas from the environment. The student is expected to:</p>	<p>(C) compare and contrast the art principles of art elements such as continuity, pattern, rhythm, balance, proportion, and unity in personal designs</p>	<p>(i) compare and contrast the art principles of art elements in personal designs</p>
<p>(4) The student makes informed judgments about personal designs and the designs of others. The student is expected to:</p>	<p>(A) interpret, evaluate, and justify artistic decisions in personal arrangements</p>	<p>(i) interpret artistic decisions in personal arrangements</p>
<p>(4) The student makes informed judgments about personal designs and the designs of others. The student is expected to:</p>	<p>(A) interpret, evaluate, and justify artistic decisions in personal arrangements</p>	<p>(ii) evaluate artistic decisions in personal arrangements</p>

Knowledge and Skills Statement	Student Expectation	Breakout
(4) The student makes informed judgments about personal designs and the designs of others. The student is expected to:	(A) interpret, evaluate, and justify artistic decisions in personal arrangements	(iii) justify artistic decisions in personal arrangements
(4) The student makes informed judgments about personal designs and the designs of others. The student is expected to:	(B) select and analyze original designs, portfolios, and floral exhibitions by peers and others to form precise conclusions about formal qualities, and historical and cultural contexts, intents, and meanings	(i) select original designs by peers to form precise conclusions about formal qualities
(4) The student makes informed judgments about personal designs and the designs of others. The student is expected to:	(B) select and analyze original designs, portfolios, and floral exhibitions by peers and others to form precise conclusions about formal qualities, and historical and cultural contexts, intents, and meanings	(ii) select original designs by peers to form precise conclusions about historical contexts
