

Overview of 2024 Survey and Evaluation Regarding Educator Preparation Programs (EPP)

Principal Survey 2024

- ▶ The principal survey will be distributed through the Educator Certification Online System (ECOS).
- ▶ Principals or their designees are to complete a survey for every first-year teacher on campus that hold a standard, intern, or probationary certificate.
- ▶ The survey provides information on how well prepared a first-year teacher was at the beginning of his or her teaching assignment.
- ▶ More information is available on the TEA website, including frequently asked questions (FAQs) about the principal survey.

Evaluation of EPPs by Teachers 2024

- ▶ The evaluation of EPPs is intended for teachers who hold a standard, intern, or probationary certificate.
- ▶ Teachers will rate how well prepared they were after completing their EPP.
- ▶ Teachers will receive a link to the evaluation via email.
- ▶ More information is available at the TEA website, including frequently asked questions (FAQs) about the evaluation of EPPs.

What Are the Surveys Used For?

- ▶ To improve EPPs and the candidates they produce.
- ▶ To improve educational experience for teacher candidates through EPPs.
- ▶ To monitor and understand the effectiveness of EPPs.
