- An optional kick-off webinar for TCLAS was held the morning of Thursday Sept
  If you did not join this webinar, you might find it helpful to review the <u>slides</u> and <u>recording</u> before sending your confirmation response (although watching the webinar isn't necessary for the purposes of that confirmation response).
- TEA is hosting a series of webinars to provide support-specific guidance for LEAs on their TCLAS awards and to support districts in their submission of their TCLAS grant budget through the eGrants system. These webinars – including times, dates, and registration links - are listed on tea.texas.gov/tclas.
