Private school allocations cannot be determined at this time as TEA does not have comprehensive enrollment data for all private schools. Private school allocations will be added to the entitlements list after application submission and calculation of allocation by TEA. For planning purposes, a private school may estimate their allocation at \$38.57 per student age 3–21.

Private school allocations cannot be determined at this time as TEA does not have comprehensive enrollment data for all private schools. Private school allocations will be added to the entitlements list after application submission and calculation of allocation by TEA. For planning purposes, a private school may estimate their allocation at \$38.57 per student age 3–21.
