Candidate's Agreement	
<p>I am applying for the federal candidate subsidy for teachers seeking voluntary certification under the National Board for Professional Teaching Standards (NBPTS). I understand that the role of the State of Texas and Texas Education Agency in the candidate subsidy program is limited to coordinating the selection of teachers to receive the subsidy and that all assessments and resulting certifications are performed under the authority and rules of NBPTS. I hereby release the TEA and its employees from all liability in connection with the candidate subsidy program. I further understand that the State of Texas currently offers no professional, financial, or other rewards or incentives for obtaining the NBPTS certification and that none are implied. The selection of candidates to receive subsidies is determined under the sole discretion of TEA.</p>
