TO THE DISTRICT TESTING COORDINATOR ADDRESSED:

Subject: Clarification regarding TETN scheduled for May 26, 2010

Please DO NOT reply to this e-mail.

The TETN on May 26, 2010, hosted by the Student Assessment Division, is intended for ESC testing coordinators only. The TETN will not be available to districts. District coordinators were made aware of the TETN so they can gather information from district personnel to provide to ESC coordinators as discussion items. It is anticipated that ESC coordinators will contact districts to solicit ideas prior to the TETN.

If you have any questions about this information, please contact the Student Assessment Division at (512) 463-9536.
