* Number of multiple-choice and short answer score points + (composition score x 4)

** Met Standard level

*** Commended Performance level

Since the met standard level cannot be obtained with less than a '2' on the written composition portion, a composition score of '1' plus 30 or more multiple-choice items and short answer score points or a composition score of '0' plus 34 or more multiple-choice items and short answer score points will result in the scale score corresponding to one point below the met standard level.

A written composition score of '2' or higher is required to achieve the Commended Performance level.
