

Required Interventions

Restart Model:

A restart model is one in which an LEA converts a school or closes and reopens a school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review process.

A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides “whole-school operation” services to an LEA.

A restart model must enroll, within the grades it serves, any former student who wishes to attend the school.

NOTE: TEA will implement the flexibility to allow a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, the Restart model within the last two years to continue or complete the implementation of the intervention model with the TTIPS grant funds.
