

**Chapter 41 Wealth Equalization
School Year 2012–2013
Preliminary Potential Chapter 41 Status Notification List**

Important Notes:

1. The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in April so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
2. Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
3. The following list shows all school districts that received preliminary notification of potential Chapter 41 status, including those that charge tuition. The estimates are based on preliminary property values provided by the Texas Comptroller's Property Tax Assistance Division for tax year 2011 and the projected number of resident WADA for the 2012–2013 school year.
4. Districts appearing on this list do not necessarily owe recapture. The amount of recapture owed by a particular district, if any, can be found on the 2012–2013 *Cost of Recapture Report*. A list of the Chapter 41 recapture paid by districts from 1994–2012 is available on the Chapter 41 Wealth Equalization web page at http://www.tea.state.tx.us/index2.aspx?id=6796&menu_id=645&menu_id2=789.

**Chapter 41 Wealth Equalization
School Year 2012–2013
Final Official Chapter 41 Status Notification List**

Important Notes:

1. The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in April so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
2. Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
3. The following list shows all school districts that were officially notified in July (see note 2), including those that charge tuition. The estimates are based on the property value certified by the Texas Comptroller's Property Tax Assistance Division for tax year 2011 and the projected number of resident WADA for the 2012–2013 school year.
4. Districts appearing on this list do not necessarily owe recapture. The amount of recapture owed by a particular district, if any, can be found on the 2012–2013 *Cost of Recapture Report*. A list of the Chapter 41 recapture paid by districts from 1994–2012 is available on the Chapter 41 Wealth Equalization web page at http://www.tea.state.tx.us/index2.aspx?id=6796&menu_id=645&menu_id2=789.

**Chapter 41 Wealth Equalization
School Year 2012–2013
Final Official Chapter 41 Status List**

Important Notes:

1. The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in April so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
2. Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
3. The following list shows all school districts that were officially notified in July (see note 2), excluding those districts that fall below the equalized wealth level because they do NOT charge tuition. (The TEA determines whether a district charges tuition based on the district's self-reporting of whether it charges tuition.)
4. Districts appearing on this list do not necessarily owe recapture. The amount of recapture owed by a particular district, if any, can be found on the 2012–2013 *Cost of Recapture Report*. A list of the Chapter 41 recapture paid by districts from 1994–2012 is available on the Chapter 41 Wealth Equalization web page at http://www.tea.state.tx.us/index2.aspx?id=6796&menu_id=645&menu_id2=789.
