

**2013-2014 How Was My Local Education Agency (LEA)
Selected for Special Education Residential Facilities Intervention?**

Stage 1	LEA acquired 26-28 rubric selection points.
Stage 2	LEA acquired 29-32 rubric selection points.
Stage 3	LEA acquired 33-40 rubric selection points.
Stage 4	LEA acquired 41-48 rubric selection points.
Stage 4A	LEA received an on-site review during the previous school year and is currently implementing a corrective action plan.
Stage 4B	LEA previously received an on-site review and all noncompliance identified during the review has been corrected.

***LEAs who have received a stage of intervention, but currently are in escalated oversight due to having a conservator appointed for RFM purposes. These LEAs are highly encouraged to determine what selection factors were involved in the staging of the LEA and to take steps to make necessary changes and/or improvements.*
