

Staging for Residential Facility Monitoring
Calculations of RF Tracker

Indicator	Description	Weight	Calculation
Least Restrictive Environment	Percentage of RF students in separate setting(e.g., separate campus, RF setting, hospital setting, homebound setting, state supported living center setting, self-contained classes)	3.2 points	% of RF students in separate settings X 3.2 pts.
	Percentage of RF students moved to less restrictive settings during the school year reflected in the data	0.8 points	% of RF students moved to less restrictive settings during school year X 0.8 pts.
			Total points X 100 = Pts out of 40 possible points if LEA has facilities that do not meet the definition of detention/adjudicated facilities Total points X 100 = Pts. out of 8 possible points if LEA has only facilities that meet the definition of detention/adjudicated facilities.
Commensurate School Day	Average percentage of school day for RF students	1.0 points	Average % of school day for RF students X 1.0 pt
	Percentage of RF students receiving a full school day, commensurate to students without disabilities at the home campus	1.0 points	% RF students receiving full school day X 1.0 pt
	Percentage of RF students receiving less than half of the full school day	1.0 points	% RF students receiving less than half of school day X 1.0 pt
			Total points of all 3 indicators X 100 – Pts out of 30 possible points
Related Services	Percentage of RF students with orthopedic disabilities, other health impairment, or multiple disabilities receiving physical and/or occupational therapy	0.75 points	% RF students with OI, OHI, or MD receiving PT and/or OT X 0.75 pts
	Percentage of RF students with speech/language disabilities receiving speech therapy	0.75 points	% RF students with SI receiving ST X 0.75 pts
	Percentage of RF students with emotional/behavioral disabilities, autism, or traumatic brain injury receiving social work services, psychological services, or school counseling services	0.75 points	% RF students with ED, AU, TBI receiving social work services, psychological services or counseling X 0.75 pts
			Total points X 100 –Possible points will vary depending on eligibilities of RF students. Could be a possible 7.5 points, 15 points, or 22.5 points.

Calculations for staging come from Reading 2, which is the information taken at the end of the year.
