- 43) Docket No. 701-11-0607.EC, Texas Education Agency, Educator Leadership and Quality Division v. Mable Caleb and Jackie Anderson; Action to be taken: Consideration of Proposal for Decision and Issuance of Final Order.

Staff recommendation: Issue Amended Final Order

Ms. Dover appeared on behalf of TEA.

Ms. Edwards, attorney, appeared on behalf of Ms. Anderson.

TEA legal filed a Motion for Rehearing because staff believed there were certain items in the order that needed to be clarified to consistent with state statute. The motion for rehearing was granted on September 18, 2013. The respondents did not file a response to the Motion for Rehearing. Some days before the SBEC meeting and scheduled rehearing, Mr. Fallon and Mr. Watts, Ms. Anderson's counsel, filed a Motion to Continue stating both attorneys had scheduling conflicts and could not appear at the October 25, 2013 meeting. TEA legal filed a response in opposition to the Motion to Continue.

Mr. Fallon and Mr. Watts asked Ms. Edwards to appear on Ms. Anderson's behalf requesting the Motion to Continue in their absence. Counsel for Ms. Anderson stated they did not receive notice that the rehearing was scheduled for October 25, 2013 until they saw it posted on the SBEC agenda. There is question as to whether the Final Order accurately reflects the decision made by this Board.

Ms. Juarez confirmed that Ms. Anderson's counsel did not receive proper notice of the rehearing.

The intent of the rehearing was to clarify the language in the Board's order. Although the order states that the 30 hours of continuing education Ms. Anderson completes must be noted on the face of her certificate, the order does not cite the SBEC rule that requires any restriction on an educator's certificate to appear on the educator's virtual certificate. There was no reprimand by the Board, but the order did state that the 30 hours of continuing education must appear on the certificate.

What is before the Board today is whether or not to grant the continuance requested by Ms. Anderson's attorneys. If a continuance is granted, the rehearing to clarify the final order will be heard at the February meeting. If the continuance is not granted, the rehearing will take place right now.

Motion and Vote:

Motion was made by Ms. Robison to grant a continuance on this case. Second was made by Mr. Allard and the Board voted in favor of the motion, with Dr. Buckingham abstaining.
