New School Designation Definition

19 TAC §100.1033(b)(12)

The New School Designation is the term used to refer to **open-enrollment charter school campuses** that are established, through the expansion amendment process, under an existing open-enrollment charter school.

These school campuses must generate their **own accountability ratings** and demonstrate the “new” program offered at their school campus that is **different** from existing educational programs offered by the charter and **not a replication of existing programs.**

Authority

Allowed through

Elementary and
Secondary
Education Act
(ESEA), Section
5202(d)(1) Federal
Non-Regulatory
Guidance

School Program
(CSP) Grant
awarded to TEA by
the United States
Department of
Education (USDE)

19 Texas
Administrative Code
(TAC)
§100.1033(b)(12)

Federal Non-Regulatory Guidance

A state educational agency (SEA) **may only award** CSP sub-grants to multiple charters established under a single charter if...

each of the charter school campuses meets the CSP definition of “charter school”.

the school campuses are truly separate and distinct from each other.

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(A)(ii)(II)(a)

only if the charter school...

only if the charter...

NSD Eligibility Requirements Alternative Education Accountability Procedures

19 TAC §100.1033(b)(12)(A)(ii)(II)(b)

Alternative Accountability

has **at least 30%** of the students in each of the following **student groups** (if reported) **rated Met Standard** in each subject area assessed as reported on the 2015-2016 Texas Academic Performance Report (TAPR): African American, Hispanic, White, Special Education, Economically Disadvantaged, Limited English Proficient, and At Risk;" in 2015

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(A)(iii-viii)

only if...

no charter campus is
identified for federal
sanctions or
interventions in the
most recent report

the charter is not
under any sanction
imposed by TEA

the charter holder
completes an
approved application

the new charter school
will serve at least
100 students

the NSD amendment
complies with all
requirements of 19
TAC §100.1033(b)(12)

the commissioner
determines that the
NSD is in the best
interest of the
students of Texas

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(B)(i-iv)

only if...

the proposed school satisfies each element of the definition of a public charter school

the proposed school is not merely an extension of an existing charter school

the proposed school is separate and distinct from the existing charter school(s)

the open-enrollment charter, as amended, includes a separate written performance agreement for the proposed school that meets the requirements of the ESEA, Section 5210(1)(L), and TEC, §12.111(a)(3) and (4)

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(C)(i)(ii)

The commissioner shall determine...

the terms of the open-enrollment charter as a whole,
as modified by the NSD

whether the proposed school shall be established and
recognized as a separate school under Texas law

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(D)

The commissioner shall consider...

whether the proposed school and the existing charter school(s) have separate sites, employees, student populations, and governing bodies

whether day to day operations are carried out by different officers

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(D)

Important

the presence or absence of any one of the previous elements, by itself, does not determine whether the proposed school will be found to be separate or part of an existing school;

however

the presence or absence of **several elements** will inform the commissioner's decision.

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(E)(i-ii)

The commissioner shall consider...

whether the proposed school and the existing charter school(s) have distinctly different requirements in their written performance agreements

the extent to which the performance agreement for the proposed school imposes higher standards than those imposed by TEC, §12.104(b)(2)(L)

NSD Eligibility Requirements

19 TAC §100.1033(b)(12)(F)

Failure to meet any standard or requirement shall mean...

- the immediate termination of any federal charter school program grant; and/or
- immediate termination of any waiver exempting a charter from some of the expansion amendment requirements granted as a result of the new school designation.

RESOLUTION**

State of Texas
County of _____

WHEREAS, the Board of Trustees of <<Charter Holder name>> (the Board) finds it in the best interest of <<Charter School>> to modify its charter pursuant to 19 Texas Administrative Code (TAC) §100.1033(a) which states, the terms of an open-enrollment charter may be revised with the consent of the charter holder by written amendment;

WHEREAS, the Board desires the commissioner's approval for a new school designation, under 19 TAC §100.1033(12), to establish an additional and unique charter school campus under an existing open-enrollment charter pursuant to federal Title V, Part B non-regulatory guidance; and

WHEREAS, the Board acknowledges that in doing so, the charter holder must also meet the eligibility requirements set forth within TAC §100.1033(9) and (10)(D), that permit the charter holder, <<Charter Holder Name>>, to submit an expansion amendment request seeking to add a new campus, for such designation.

WHEREAS, the Board has considered and approved a business plan that will support the expansion and requested modifications.

NOW THEREFORE, BE IT RESOLVED that the Board of Trustees of <<Charter Holder Name>> approve and hereby authorize the Superintendent, <<Name>>, to submit an application for new school designation, an expansion amendment request for a new campus, and a corresponding waiver request to waive TAC §100.1033(9)(A)(ii).

Passed and approved by the majority of members of the Board of <<Charter Holder Name>>, for <<Charter Name>>, on the <<day>>, of <<Month>> of <<Year>>.
