

## 2016–2017 Expiring Innovative Courses

The following innovative courses have expired or will expire at the end of the 2016–2017 school year. Course owners who wish to apply for renewal may visit the [Innovative Courses](#) webpage for more information. The Public Education Information Management System (PEIMS) codes associated with these expiring innovative courses will be deleted from the system as of July 2017 if the course is not renewed. Beginning with the 2017–2018 school year, the courses and associated codes may no longer be available for use. For questions related to an expiring course, please email the contact listed below for each course.
