### Chapter 249. Disciplinary Proceedings, Sanctions, and Contested Cases

#### Subchapter B. Enforcement Actions and Guidelines

##### §249.14. Complaint, Required Reporting, and Investigation; Investigative Notice; Filing of Petition.

- (a) The Texas Education Agency (TEA) staff may obtain and investigate information concerning alleged improper conduct by an educator, applicant, examinee, or other person subject to this chapter that would warrant the State Board for Educator Certification (SBEC) denying relief to or taking disciplinary action against the person or certificate.
- (b) Complaints against an educator, applicant, or examinee must be filed in writing.
- (c) The TEA staff may also obtain and act on other information providing grounds for investigation and possible action under this chapter.
- (d) A person who serves as the superintendent of a school district or the director of an open-enrollment charter school, private school, regional education service center, or shared services arrangement may notify the SBEC of any educator misconduct that the person believes in good faith may be subject to sanctions under this chapter and/or Chapter 247 of this title (relating to Educators' Code of Ethics). However, under any of the following circumstances, a person who serves in such a position shall promptly notify the SBEC in writing by filing a report with the TEA staff within seven calendar days of the date the person knew ~~[first obtains or has knowledge]~~ of those circumstances, and may be subject to sanctions for failure to do so, pursuant to §249.15(b)(4) of this title (relating to Disciplinary Action by State Board for Educator Certification):
  - (1) that an applicant for or a holder of a certificate has a reported criminal history;
  - (2) that a certificate holder was terminated from employment based on evidence ~~[a determination]~~ that he or she committed any of the following acts:
    - (A) sexually or physically abused a student or minor or engaged in any other illegal conduct with a student or minor;
    - (B) was involved in a romantic relationship with or solicited or engaged in sexual contact with a student or minor;
    - (C) ~~[(B)]~~ possessed, transferred, sold, or distributed a controlled substance;
    - (D) ~~[(C)]~~ illegally transferred, appropriated, or expended school property or funds;
    - (E) ~~[(D)]~~ attempted by fraudulent or unauthorized means to obtain or to alter any certificate or permit that would entitle the individual to be employed in a position requiring such certificate or permit or to receive additional compensation associated with a position;
    - (F) ~~[(E)]~~ committed a crime, any part of such crime having occurred on school property or at a school-sponsored event; or
    - (G) ~~[(F)]~~ solicited or engaged in sexual conduct or a romantic relationship with a student or minor;
  - (3) that a certificate holder has submitted a notice of resignation and that there exists evidence ~~[that would support a finding]~~ that he or she committed one of the acts specified in paragraph (2) of this subsection.
    - (A) Before accepting an employee's resignation that, under this paragraph, requires a person to notify the SBEC by filing a report with the TEA staff, the person shall inform the certificate holder in writing that such a report will be filed and that sanctions against his or her certificate may result as a consequence.

- (B) A person required to comply with this paragraph shall notify the governing body of the employing school district before filing the report with the TEA staff.
  - (C) A superintendent or director of a school district shall complete an investigation of an educator if there is reasonable cause to believe the educator may have engaged in misconduct described in paragraph (2)(A) of this subsection despite the educator's resignation from district employment before completion of the investigation; or
- (4) any other circumstances requiring a report under the Texas Education Code (TEC), §21.006.
- (e) Pursuant to the TEC, §21.006(c) and (h), a report filed under subsection (d) of this section must include the name or names of any student or minor who is the victim of abuse or unlawful conduct by an educator and shall, at a minimum, describe in detail the factual circumstances requiring the report and identify the subject of the report by providing the following available information: name and any aliases; certificate number, if any, or social security number; last known mailing address and home and daytime phone numbers; all available contact information for any alleged victim or victims; and name or names and any available contact information of any relevant witnesses to the circumstances requiring the report. Pursuant to the Family Educational Rights and Privacy Act (FERPA), 20 United States Code, §1232g(a)(4), and the federal regulations interpreting it at 34 Code of Federal Regulations, §99.3, education records that are protected by FERPA must be records that are directly related to a student, and the term "education records" does not include records that relate to a school employee in his or her capacity as a school employee. A person who is required to file a report under subsection (d) of this section but fails to do so timely is subject to sanctions under this chapter.
- (f) If a school district board of trustees learns of a failure by the superintendent of the district or a district principal to provide a notice required under the Texas Code of Criminal Procedure (TCCP), §15.27(a), (a-1), or (b), the board of trustees shall report the failure to the SBEC. If the governing body of a private primary or secondary school learns of a failure by the principal of the school to provide a notice required under the TCCP, §15.27(e), and the principal holds a certificate issued under the TEC, Chapter 21, Subchapter B, the governing body shall report the failure to the SBEC.
- (g) The TEA staff shall not pursue sanctions against an educator who is alleged to have abandoned his or her TEC, Chapter 21, contract in violation of the TEC, §§21.105(c), 21.160(c), or 21.210(c), subject to the limitations imposed by the TEC, §21.4021(g), unless the board of trustees of the employing school district:
  - (1) submits a written complaint to the TEA staff within 30 calendar days after the effective date of the educator's separation from employment from the school district. For purposes of this section, unless the school district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract;
  - (2) renders a finding that good cause did not exist under the TEC, §§21.105(c)(2), 21.160(c)(2), or 21.210(c)(2). This finding constitutes prima facie evidence of the educator's lack of good cause, but is not a conclusive determination; and
  - (3) submits the following required attachments to the written complaint:
    - (A) the educator's resignation letter, if any;
    - (B) the agreement with the educator regarding the effective date of separation from employment, if any;
    - (C) the educator's contract; and
    - (D) school board meeting minutes indicating a finding of "no good cause" (if the board does not meet within 30 calendar days of the educator's separation from employment, the minutes may be submitted within 10 calendar days after the next board meeting).
- (h) To efficiently administer and implement the SBEC's purpose under this chapter and the TEC, the TEA staff may set priorities for the investigation of complaints based on the severity and immediacy of the allegations and the likelihood of harm posed by the subject of the investigation. All cases accepted for investigation shall be assigned one of the following priorities.

- (1) Priority 1: conduct that may result in the placement of an investigative notice pursuant to the TEC, §21.007, and subsection (i) of this section because it presents a risk to the health, safety, or welfare of a student or minor, parent of a student, fellow employee, or professional colleague, including, but not limited to, the following:
  - (A) any conduct constituting a felony criminal offense;
  - (B) indecent exposure;
  - (C) public lewdness;
  - (D) child abuse and/or neglect;
  - (E) possession of a weapon on school property;
  - (F) drug offenses occurring on school property;
  - (G) sale to or making alcohol or other drugs available to a student or minor;
  - (H) sale, distribution, or display of harmful material to a student or minor;
  - (I) certificate fraud;
  - (J) state assessment testing violations;
  - (K) deadly conduct; and
  - (L) conduct that involves inappropriate communication with a student as described in §247.2(3)(I) of this title (relating to Code of Ethics and Standard Practices for Texas Educators), inappropriate professional educator-student relationships and boundaries, or otherwise soliciting or engaging in sexual conduct or a romantic relationship with a student or minor.
- (2) Priority 2: any sanctionable conduct that is not Priority 1 conduct under paragraph (1) of this subsection. An investigative notice will not be placed on an educator's certification records on the basis of an allegation of Priority 2 conduct. The TEA staff may change a case's priority at any time based on information received. Priority 2 conduct includes, but is not limited to, the following:
  - (A) any conduct constituting a misdemeanor criminal offense or testing violation that is not Priority 1 conduct;
  - (B) contract abandonment; and
  - (C) code of ethics violations that do not constitute Priority 1 conduct.
- (i) After accepting a case for investigation, if the alleged conduct indicates a risk to the health, safety, or welfare of a student or minor, as described in subsection (h)(1) of this section, the TEA staff shall immediately place an investigative notice on the certificate holder's certification records stating that the certificate holder is currently under investigation. The placement of such an investigative notice must follow the procedures set forth in subsection (j)(1) of this section. After accepting a case for investigation, if the alleged conduct indicates a risk to the health, safety, or welfare of a parent of a student, fellow employee, or professional colleague, as described in subsection (h)(1) of this section, the TEA staff may place an investigative notice on the certificate holder's certification records stating that the certificate holder is currently under investigation. The placement of an investigative notice must follow the procedures set forth in subsection (j)(2) of this section.
- (j) The following procedures must be followed for placing an investigative notice on the educator's certification records.
  - (1) At the time of placing an investigative notice on an educator's certification records for alleged conduct that indicates a risk to the health, safety, or welfare of a student or minor, the TEA staff shall serve the certificate holder with a letter informing the educator of the investigation and the basis of the complaint.

- (A) Within ten calendar days of placing an investigative notice on the educator's certification records, the letter notifying the certificate holder of the investigation shall be mailed to the address provided to the TEA staff pursuant to the requirements set forth in §230.91 of this title (relating to Procedures in General).
  - (B) The letter notifying the certificate holder of the investigation shall include a statement of the alleged conduct, which forms the basis for the investigative notice, and shall provide the certificate holder the opportunity to show cause within ten calendar days why the notice should be removed from the educator's certification records.
- (2) Prior to placing an investigative notice on an educator's certification records for alleged conduct that indicates a risk to the health, safety, or welfare of a parent of a student, fellow employee, or professional colleague, as described in subsection (h)(1) of this section, the TEA staff shall serve the certificate holder with a letter informing the educator of the investigation and the basis of the complaint.
  - (A) At least ten calendar days before placing an investigative notice on the educator's certification records, the letter notifying the certificate holder of the investigation shall be mailed to the address provided to the TEA staff pursuant to the requirements set forth in §230.91 of this title.
  - (B) The letter notifying the certificate holder of the investigation shall include a statement of the alleged conduct, which forms the basis for the investigative notice, and shall provide the certificate holder the opportunity to show cause within ten calendar days why the notice should not be placed on the educator's certification records.
- (3) The TEA staff shall determine whether or not to remove or place an investigative notice on the educator's certification records, taking into account the educator's response, if any, to the letter notifying the certificate holder of the investigation.
- (k) An investigative notice is subject to the following time limits.
  - (1) An investigative notice may remain on the certification records of a certificate holder for a period not to exceed 240 calendar days.
  - (2) The TEA staff may toll this time limit if information is received indicating that there is a pending criminal or administrative matter related to the alleged act of misconduct that gives rise to the investigative notice. For purposes of this subsection, a criminal or administrative matter includes an audit by a state or federal agency, an arrest, an investigation, related litigation or other enforcement action brought by a state or federal administrative agency, or a prosecution by a criminal law enforcement agency. Upon receiving notice that the criminal or administrative matter has been resolved the tolling period shall end. As part of its procedure, the TEA staff will attempt to make bimonthly (once every two months) contact with the [a law enforcement] agency where a related matter [criminal investigation] is pending to determine whether the related matter [criminal investigation] has been closed or otherwise resolved.
  - (3) The TEA staff may toll this time limit if the matter is referred for a contested case hearing, upon agreement of the parties, or while the matter is pending action by the SBEC on a proposed agreed order.
- (l) The TEA staff shall remove an investigative notice from an educator's certification records:
  - (1) when a case's final disposition occurs within the time limits established in subsection (k) of this section; or
  - (2) when the time limits for an investigative notice have been exceeded, if:
    - (A) the certificate holder has made a written demand to the TEA staff that the investigative notice be removed because the time limits have been exceeded; and
    - (B) the TEA staff has failed to refer the matter to the State Office of Administrative Hearings for a contested case hearing within 30 calendar days from the date of receipt of the written demand to remove the investigative notice.

- (m) Only the TEA staff may file a petition seeking sanctions under §249.15 of this title. Prior to filing a petition, the TEA staff shall mail to the certificate holder affected by written notice of the facts or conduct alleged to warrant the intended action and shall provide the certificate holder an opportunity to show compliance with all requirements of law.

**§249.17. Decision-Making Guidelines.**

- (a) Purpose. The purpose of these guidelines is to achieve the following objectives:
  - (1) to provide a framework of analysis for the Texas Education Agency (TEA) staff, the presiding administrative law judge (ALJ), and the State Board for Educator Certification (SBEC) in considering matters under this chapter;
  - (2) to promote consistency in the exercise of sound discretion by the TEA staff, the presiding ALJ, and the SBEC in seeking, proposing, and making decisions under this chapter; and
  - (3) to provide guidance for the informal resolution of potentially contested matters.
- (b) Construction and application. This section shall be construed and applied so as to preserve SBEC members' discretion in making final decisions under this chapter. This section shall be further construed and applied so as to be consistent with §249.5(b) of this title (relating to Purpose; Policy Governing Disciplinary Proceedings) and this chapter, the Texas Education Code (TEC), and other applicable law, including SBEC decisions and orders.
- (c) Consideration. The following factors may be considered in seeking, proposing, or making a decision under this chapter:
  - (1) the seriousness of the violation;
  - (2) whether the misconduct was premeditated or intentional;
  - (3) attempted concealment of misconduct;
  - (4) prior misconduct and SBEC sanctions;
  - (5) the potential danger the conduct poses to the health and welfare of students;
  - (6) the effect of the prior conduct upon any victims of the conduct;
  - (7) whether sufficient time has passed and sufficient evidence is presented to demonstrate that the educator or applicant has been rehabilitated from the prior conduct;
  - (8) the effect of the conduct upon the educator's good moral character and ability to be a proper role model for students;
  - (9) whether the sanction will deter future violations; and
  - (10) any other relevant circumstances or facts.
- (d) Contract abandonment.
  - (1) Good cause. The following factors may be considered good cause when an educator is reported to have abandoned a contract in violation of the TEC, §§21.105(c), 21.160(c), or 21.210(c):
    - (A) serious illness or health condition of the educator or close family member of the educator;
    - (B) relocation to a new city as a result of change in employer of the educator's spouse or partner who resides with the educator; or
    - (C) significant change in the educator's family needs that requires the educator to relocate or to devote more time than allowed by current employment.
  - (2) Mitigating factors. The following factors may be considered in seeking, proposing, or making a decision under this chapter regarding an educator who has abandoned a contract in violation of the TEC, §§21.105(c), 21.160(c), or 21.210(c):

- (A) educator gave written notice to school district 30 days ~~[two weeks]~~ or more in advance of the first day of instruction for which the educator will not be present;
  - (B) educator assisted school district in finding a replacement educator to fill the position;
  - (C) educator continued to work until the school district hired a replacement educator;
  - (D) educator assisted in training the replacement educator;
  - (E) educator showed good faith in communications and negotiations with school district; or
  - (F) educator provided lesson plans for classes following educator's resignation.
- (3) Mandatory minimum sanction for contract abandonment. An educator subject to sanction, who has abandoned a contract in violation of the TEC, §§21.105(c), 21.160(c), or 21.210(c) in a case where the factors listed in paragraph (1) or (2) of this subsection do not apply, may not receive a sanction of less than:
  - (A) suspension for one year from the first day that, without district permission, the educator failed to appear for work under the contract, provided that the educator has not worked as an educator during that year and the case is resolved within that one year through an agreed final order; or
  - (B) suspension for one year from either the effective date of an agreed final order resolving the case or an agreed future date at the beginning of the following school year, if the educator has worked as an educator after abandoning the contract; or
  - (C) suspension for one year from the date that the SBEC adopts an order that becomes final following a default under §249.35 of this title (relating to Disposition Prior to Hearing; Default) or a contested case hearing at the State Office of Administrative Hearings (SOAH).
- (e) Mandatory minimum sanction for felony-level conduct. An educator subject to sanction, who is court-ordered to complete a period of deferred adjudication or community supervision for a felony-level criminal offense under state or federal law, may not receive a sanction of less than:
  - (1) suspension for a period concurrent with the term of deferred adjudication or community supervision, if the case is resolved through an agreed final order prior to the educator completing deferred adjudication or community supervision and the educator has not been employed as an educator during the period of deferred adjudication or community supervision; or
  - (2) suspension beginning on the effective date of an agreed final order for a period extending beyond the end of the educator's deferred adjudication or community supervision but may be less than the initial court-ordered term of deferred adjudication or community supervision, if the case is resolved through an agreed final order prior to the educator completing deferred adjudication or community supervision and the educator has been employed as an educator during the period of deferred adjudication or community supervision; or
  - (3) suspension beginning on the effective date of an agreed final order for a period at least half as long as the initial court-ordered term of deferred adjudication or community supervision, if the case is resolved through an agreed final order after the educator has completed deferred adjudication or community supervision; or
  - (4) suspension for a period equal to the term of deferred adjudication or community supervision that the criminal court initially ordered but beginning from the date of the final board decision, if the case is resolved through a final board decision following a contested case hearing at the SOAH or a default under §249.35 of this title .
- (f) Mandatory minimum sanction for misdemeanor-level conduct. If an educator is subject to sanction, and a court has ordered the educator to complete a period of deferred adjudication, community supervision, or pretrial diversion for a misdemeanor-level criminal offense under state or federal law, the educator may not receive a sanction of less than an inscribed reprimand.

- (g) Mandatory minimum sanction for test security violation. An educator who intentionally manipulates the results or violates the security or confidential integrity of any test required by the TEC, Chapter 39, Subchapter B, may not receive a sanction of less than suspension for one year from the effective date of an agreed final order or a final board decision following a contested case hearing at the SOAH.
- (h) Mandatory minimum sanction for drugs and alcohol on school campus. An educator who is subject to sanction because the educator has tested positive for drugs or alcohol while on school campus, was under the influence of drugs or alcohol on school campus, or was in possession of drugs or alcohol on school campus may not receive a sanction of less than a one-year suspension and required completion of a drug or alcohol treatment program.
- (i) ~~(4b)~~ Mandatory permanent revocation or denial. Notwithstanding subsection (c) of this section, the SBEC shall permanently revoke the teaching certificate of any educator or permanently deny the application of any applicant if, after a contested case hearing or a default under §249.35 of this title, it is determined that the educator or applicant:
- (1) engaged in any sexual contact or romantic relationship with a student or minor;
  - (2) solicited any sexual contact or romantic relationship with a student or minor;
  - (3) possessed or distributed child pornography;
  - (4) was registered as a sex offender;
  - (5) committed criminal homicide;
  - (6) transferred, sold, distributed, or conspired to possess, transfer, sell, or distribute any controlled substance, the possession of which would be at least a Class A misdemeanor under the Texas Health and Safety Code, Chapter 481, on school property;
  - (7) intentionally, knowingly, or recklessly causes bodily injury to a student or minor when the conduct of the educator or applicant is not immune from disciplinary proceedings by TEC, §22.0512; or
  - (8) ~~(7)~~ committed any offense described in the TEC, §21.058.
- (j) ~~(4)~~ Sanctioned misconduct in another state. The findings of fact contained in final orders from any other state jurisdiction may provide the factual basis for SBEC disciplinary action. If the underlying conduct for the administrative sanction of an educator's certificate or license issued in another state is a violation of SBEC rules, the SBEC may initiate a disciplinary action regarding the educator's Texas educator certificate and impose a sanction as provided under this chapter.
