If TEA enters into a "professional services" contract with a corporation, firm, or other business entity that employs a former or retired employee during the first year of the past employee's departure from the agency, the former or retired employee is restricted from performing services on projects that the employee worked on while employed at TEA.

Texas Government Code §572.069. CERTAIN EMPLOYMENT FOR FORMER STATE OFFICER OR EMPLOYEE RESTRICTED. A former state officer or employee of a state agency who during the period of state service or employment participated on behalf of a state agency in a procurement or contract negotiation involving a person may not accept employment from that person before the second anniversary of the date the officer's or employee's service or employment with the state agency ceased.
