Texas Government Code §2252.901 prohibits the agency into entering into an employment contract, a professional services contract, or a consulting services contract with a former or retired TEA employee before the first anniversary of their last date of regular employment. If TEA enters into a "professional services" contract with a corporation, firm, or other business entity that employs a former or retired employee during the first year of the past employee's departure from the agency, the former or retired employee is restricted from performing services on projects that the employee worked on while employed at TEA.

A former state officer or employee of a state agency who during the period of state service or employment participated on behalf of a state agency in a procurement or contract negotiation involving a person may not accept employment from that person before the second anniversary of the date the officer's or employee's service or employment with the state agency ceased.

Receipts must be made available for programmatic or financial audit, by TEA and by others authorized by law or regulation to make such an audit, for a period of not less than seven (7) years.
