

Chapter 41 Wealth Equalization
School Year 2017–2018
Preliminary Potential Chapter 41 Status Notification List

Important Notes:

- The Texas Education Agency (TEA) provides preliminary notification of potential Chapter 41 status annually in May so that any school district that needs to proceed with its tax ratification process before the official July 15 notification can plan for the election.
- Annually in July, the TEA provides official notification to districts with property wealth per student in weighted average daily attendance (WADA) that is above the equalized wealth level of \$319,500 established by the Texas Education Code, §41.002(a)(3). Once a district receives official notice of Chapter 41 status, it must notify the TEA of whether it charges tuition.
- The following list shows all school districts that received preliminary notification of potential Chapter 41 status, including those that charge tuition. The estimates are based on preliminary T4 property values provided by the Texas Comptroller's Property Tax Assistance Division for tax year 2016 and the projected number of resident WADA for the 2017–2018 school year.
- Districts appearing on this list do not necessarily owe recapture. A list of the Chapter 41 recapture paid by districts from 1994–2016 is available on the Chapter 41 Wealth Equalization web page at http://tea.texas.gov/Finance_and_Grants/State_Funding/Chapter_41_Wealth_Equalization/Chapter_41_Wealth_Equalization/.
