TEXAS EDUCATION AGENCY Standard Application System (SAS)

School Years 2010-2013

108912 County-District No.

Amendment No.

Texas Title I Priority Schools Grant

Schedule #4—Program Summary and Application Requirements

Part 1: Grant Program Information;

Summary of Program: Purpose and Goals

School Improvement Grants, authorized under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (Title I or ESEA) as amended by ARRA, are grants, through the Texas Education Agency, to local educational agencies (LEAs) for use in Title I schools identified for improvement, corrective action, or restructuring and other eligible campuses that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status. Under the final requirements, as amended through the interim final requirements published in the Federal Register in January 2010 school improvement funds are to be focused on each State's "Tier I" and "Tier II" schools.

Tier I schools are a State's persistently lowest-achieving Title I schools in improvement, corrective action, or restructuring and certain Title I eligible elementary schools that are as low achieving as the State's other Tier I schools. Tier II schools are a State's persistently-lowest achieving secondary schools that are eligible for, but do not receive, Title I, Part A funds and certain additional Title I eligible secondary schools that are as low achieving as the State's other Tier II schools or that have had a graduation rate below 60 percent over a number of years. An LEA may also use school improvement funds in Title I schools in improvement, corrective action, or restructuring that are not identified as persistently lowest-achieving schools and certain additional Title I eligible schools ("Tier III schools").

In the Tier I and Tier II schools an LEA chooses to serve, the LEA must implement one of four school intervention models: turnaround model, restart model, school closure, or transformation model.

Allowable Activities

Tier I and Tier II Grantees

- Grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected.

Tier III Grantees

- Tier III grantees may select one of the four intervention models in the federal regulations or the state's Tier III Transformation Model.
- If selecting one of the four models in the federal regulations, grantees must expend grant funds for the required activities delineated for the selected intervention model as defined in the final federal regulations. Grantees may expend grant funds for the permissible activities delineated for the selected intervention model as defined in the final federal regulations.
- Grantees may expend grant funds for other school improvement activities deemed needed to address identified needs not addressed by the intervention model selected.

In addition, a Tier I, Tier II, Tier III grantee campus that has implemented, in whole or in part, either the Turnaround, Restart, or Transformation models within the last two years may continue or complete the implementation of the intervention model with the TTIPS grant funds. For example, if a grantee campus has replaced its principal within the last two years, the LEA/campus will not be required to hire another new principal. An LEA/campus that receives TTIPS SIG funds in accordance with this flexibility must fully implement the selected model as required by the final federal requirements. In other words, if the school had been implementing the model only in part, it must use the funds it receives to expand its implementation so that it fully complies with the federal regulatory requirements.

The detailed required and permissible activities for each intervention model, as defined in the final federal regulations are listed on Schedule #4—Program Requirements and are incorporated by reference herein.

Amendment No.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 1: Comprehensive Needs Assessment Cont.

Section C: Process Responses are limited to the space provided, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Describe, in detail, the process the LEA and campus followed/will follow to identify the needs of the campus.

In *Building a Legacy of Excellence*, La Joya ISD establishes comprehensive needs assessment (CNA) parameters based (principally) on the student. We believe that a data-based, purposeful approach will yield students whose strong educational development will enable them with assets for a more successful future. Therefore, our CNA process is based on analytic/pragmatic and descriptive systems. This methodology is our avenue for evaluation, establishment, and execution.

The process in place to identify priorities (needs) center on sound evaluation. To gather data that contains integrity, a mixed method design is used (Creswell, 2003). All genres of performance-based data, those which fundamentally lie within the realm of quantitative inquiry, form the core of decision-making. Quantitative research involves the collection of numerical data to explain, predict, and/or control phenomena of interest (Gay & Airasian, 2002). Realizing that the affective domain of our stakeholders is as important as numerical data, our evaluation also involves post-positivist methods (or qualitative, as described by Lincoln and Guba, 1985) which permit us to focus on particular issues and study those in depth (Gall, Gall, and Borg, 2003). All together, the evaluation process encompasses a triangulated methodology which yields specific priorities. Findings from our CNA give rise to critical needs. We operationalize critical needs differently from year to year, as these are based on results from ongoing assessments.

The specific components of our Campus Needs Assessment (CAN) align very closely to the TEA recommended methodology developed by Region XX. In fact, our process aligns with the Texas Comprehensive Center approach but enhances/expands on several areas. To meet the federal and state mandates, our LEA and campus-based committees analyze mixed-method data in the following areas:

Title I Part A / State Compensatory CNA

- Campus CNA (All information below is included here, with the addition of respective federal, state, and local accountability data)
- Program Assessments

AEIS-IT, BrainPOP, Communities in School, Family Literacy Program, Fast Forword, iStation, Multimedia, Pearson Digital, Read 180, Reading Renaissance, Scholastic Red, WebCCAT, WOW, SEAL

For TEA Use Only Adjustments and/or annotations made **TEXAS EDUCATION AGENCY** 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. by telephone/e-mall/FAX on School Years 2010-2013 Amendment No. of TEA. **Texas Title I Priority Schools Grant** Schedule #4B—Program Description Part 2: Project Management Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Capacity -- Describe the LEA's capacity to use grant funds to provide adequate resources and related services/support to the campus to implement, fully and effectively, the required activities of the school intervention model. La Joya ISD's established resources and support services make it possible for all awarded campuses to fully and effectively implement the required activities of the school intervention model. Enabled by the district's capacity, awarded campuses will be able to carry out all required activities for the duration of the grant. This will occur, of course, only as a support system as the LEA recognizes that School Improvement Grants (SIG) funds are campus-based funds and must be expended this way. Our LEA fully understands that awarded campuses will need its unconditional support to be successful through their transformation process. The capacity in place to provide resources and support services with specialists in the area of curriculum and instruction include: Advanced Academic Services, Athletic, Bilingual/ESL, Career and Technical Education (CTE), Content Area (Math, Reading, Science, and Social Studies) Departments, Curriculum and Evaluation, Early Childhood, Elementary Education, Federal and State Programs, Fine Arts, Migrant Education, Physical Education/Health, Secondary Education, Section 504 / GEH and Dyslexia, Special Education, and Staff Development. The capacity in place to provide resources and support services with specialists in the area of administration and finance include: Accounting, Accounts Payable, Asset Management, Budget & Finance, Child Nutrition Services, Custodial, Employee Assistance Benefits, Facilities, Payroll, Physical Plant Operations, Purchasing and Warehouse Operations, Risk Management, School Support Services, and Transportation. Additionally, there are specialists in the following areas: Academies, Computer Services, Dropout Prevention, Guidance & Counseling / Safe & Drug Free Schools and Community (SDFSC), Health Services, Instructional Resources & Technology, Library Media/Textbook, Public Education Information Management System (P.E.I.M.S), Parental Involvement, Print Shop, Student Services, and the Television Station. To ensure that each awarded campus uses the LEA's resources and support services fully and effectively to implement the required activities of the school intervention model, the newly-established TTIPS Grant Department will work closely with the all of the previously-mentioned departments. This collaboration with each campus TTIPS Grant team (principal, campus grant administrator, campus grant secretary, Site-Based Decision Making (SBDM) committee, others) will make it possible for the timely implementation of required activities.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Partnership/Involvement of Others – Describe how the LEA/campus consulted with relevant stakeholders (students, staff, parents, community) regarding this application and proposed implementation of a school intervention model. Meetings were convened with relevant stakeholders with the effort to provide explanation on Texas Title I Priority School Grant. The first meeting was held at the campus level on April 26, 2010. This meeting provided information about why campus was targeted as Tier III. Additional meetings provided information on how grant will be implemented and impact student performance.

Another meeting was also held at the district level. Meeting was held on May 11, 2010. This meeting focused on deciding if La Joya ISD would pursue the grant and which model would be the best fit for campuses based on TIER designation. Agenda items discussed included:

- > La Joya Independent School District's Superintendent, Dr. Alda T Benavides, received information through the Texas Education Agency about the Texas Title 1 Priority Schools Grant.
- > In turn, Dr. Alda T Benavides set the wheels in motion to ensure key Central Office Personnel attended the Region Workshop ID Number 30693 on which was hosted at Region One located in Edinburg, Texas.
- Assistant Superintendent for Elementary and Middle Schools, Gisela Sáenz, informed the Tier I and Tier III campus principals of the upcoming Texas Title 1 Priority Schools Grant TETN Session at Region One so they could all attend.
- ➤ La Joya Independent School District's Decision Making Team convened and discussed the Narrowing Questions which assisted in determining that the Transformation Model was the model which would be implemented.
- > This information was then taken to the Campus Site-Based Decision Making Team.
- > Electronic Registration Online (ERO) working sessions occurred at the district level so Tier I and Tier III campuses could partner up in deciding which programs to include at their campuses.
- > Parents are part of the Site-Based Decision Making Team. They were informed of the grant.
- Marissa Sáenz, Parental Involvement Strategist, will set up parental meetings to discuss the grant information with the parents. The meetings will be conducted in English and in Spanish in order to ensure that all parents understand the grant information presented to them.
- May 2010 Issue of The Noticiero- An article will be submitted informing the parents of the grant in English and in Spanish.
- > Channel 17 Spots will be arranged to inform the general public in English and in Spanish.
- > La Joya ISD Grant Development Web Page will post the grant applications once the NOGAs come in and the negotiations with TEA are complete.
- > Campus meetings are being held at the Tier I and Tier III Campuses.
- > After School Meetings are being held at the campuses.
- > Web Page updates are being uploaded at the campus websites.
- Team Leaders' Meetings have been held as this grant progresses.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Management of Grant Activities - Describe how the LEA and campus will modify its practices and/or policies, as necessary, to ensure its implementation of the intervention(s) fully and effectively.

The district will modify the practices and policies necessary to ensure the implementation of the interventions by providing specific staff development to increase teacher and leader effectiveness. Campuses will be allowed to extend the maximum of school business days from three to four in order to attend required staff development.

Providing operational flexibility by lowering the student/teacher ratio in grade levels of need, the campus will be better equipped to meet the needs of students not meeting the standards. Campuses will also use flexible scheduling in the areas of Reading and Math by increasing the time from forty five minutes to ninety minutes every other day at the middle school level. Elementary campuses will increase learning time by affording students the opportunity to attend Reading and Math Academics to ensure academic success.

Parents will also be provided opportunities to learn about their students' academic needs through conferences, trainings, and the use of school facilities to accommodate their needs and ensure they are part of the campus learning community.

Campuses will be supported to ensure that instructional reform strategies are being implemented by conducting reflective walk-throughs, conferences with the principal, modeling engaging lessons, providing feedback with specific strategies to improve student achievement.

Dr. Americo Paredes Elementary will improve practices and policies with specific activities. Campus administrator with assistance of team leaders will review weekly lesson plans. These lesson plans will utilize the Standards, Evaluation, Assessment and Learning Experiences (SEAL) process. SEAL is designed with the students in mind. SEAL specifies activities that allow all teachers to design engaging lessons. SEAL focuses on students meeting state standards and passing state assessment (TAKS). Campus administrators will provide immediate feedback to teachers that are not following SEAL design.

Campus and teachers will meet weekly to review students' weekly assessment grades. This meeting will provide teachers the opportunity to develop more engaging lessons.

Working on the Work (WOW) is another district initiative. WOW focuses on having all students be fully engaged with every lesson. WOW identifies the different levels of engagement and provides guidelines on how teachers can make lessons with students in mind.

Campus administrators will perform 25 weekly walk-throughs per week, an average of 5 per day. These walk-throughs will provide information on how well teachers are presenting lessons and how much students are learning and retaining.

For TEA Use Only Adjustments and/or annotations made TEXAS EDUCATION AGENCY 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. School Years 2010-2013 by telephone/e-mail/FAX on Amendment No. of TEA. Texas Title I Priority Schools Grant Schedule #4B—Program Description Part 2: Project Management Cont. Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Resource Management - Describe how the LEA/campus will align other resources (federal, state, local, and community) with the school improvement intervention. Careful planning and organization will enable the LEA and awarded campus to align federal, state, local, and community resources with the school improvement intervention. The usage of these resources will not only meet supplement/supplant issues, but it will have a purposeful structure so that everything is utilized to their maximum impact. To ensure that each awarded campus receives all of the federal, state, local, and community funds it would have received in the absence of the SIG funds, the newly-established TTIPS Grant Department will work closely with the LEA's Finance Department and the Federal and State Programs Department in assuring the continuation of these funds. Once budgets are established, all three LEA departments will work with each campus TTIPS Grant team (principal, campus grant supervisor, campus grant secretary, SBDM committee, others) so that SIG funds are used to supplement the amount of their respective non-federal funds. Specific training and support visits will take place so that a clear understanding of fund usage is evident from all stakeholders. If at any point during the grant period resources are needed to enhance an initiative that has proven to be successful, the LEA will assist the campus in obtaining those resources. In other words, continuous improvement in the transformation process will not be limited to the resources depicted in the application. Rather, the LEA will facilitate in the alignment of all applicable resources so that campus has constant positive support from the LEA.

For TEA Use Only Adjustments and/or annotations made **TEXAS EDUCATION AGENCY** 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. School Years 2010-2013 by telephone/e-mall/FAX on Amendment No. of TEA. **Texas Title I Priority Schools Grant** Schedule #4B—Program Description Part 2: Project Management Cont. Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Grant Project Manager Qualifications - Describe the qualifications of the person selected to be the project manager for this grant on the campus. The qualifications for the Campus Grant Project Administrator are as follows: Education/Certification - Master's Degree from accredited University, Standard Principal, Assistant Principal, Mid-Management or other appropriate Texas certificate, Instructional Leadership Development (ILD/Professional Development Appraisal System (PDAS) Certified, and other qualifications as deemed necessary or acceptable by the Board. Experience/Knowledge - Three years classroom teaching experience, knowledge of curriculum and instruction, effective organizational, communication and interpersonal skills.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana).

LEA Support - Describe how the LEA will structure and implement an individual or office with responsibility for supporting the campus' school improvement efforts.

The LEA will structure an office with the responsibility of supporting the campuses' school improvement efforts because it believes that this is a crucial element for success. This office will have active participation with every awarded campus throughout the entire endeavor.

Because the LEA had two Tier I campuses and eleven Tier III campuses, the office, to be known as the Texas Title I Priority Schools (TTIPS) Grant Department, will have two district shepherds. One of the two district shepherds will be responsible for the Tier I campuses. The other will be accountable for the Tier III campuses. The responsibilities of the district shepherds will be to oversee the grant process, specifically the transformation model (which is the model chosen by the qualifying campuses). The shepherds will also provide a direct line of communication to the superintendent and other critical LEA level-leaders. They will assist in eliminating any LEA-level barriers that may hinder the transformation process and serve as a resource and mentor to the administrator and campus. The shepherds will be very active in the community and at the campuses as they will be key agents of positive change. An important responsibility of the district shepherds will be that they attend all local and state trainings, meetings, and professional development sessions.

The TTIPS Grant Department will also have support personnel: a secretary for each district shepherd will assist with all clerical duties. For the purpose of having accounting procedures that are aligned with the grant budget, each district shepherd will also have a bookkeeper. Together with the district shepherds, the support personnel from the TTIPS Grant Department with have an unwavering, vested interest in the progression of all campuses.

The implementation of the TTIPS Grant Department will lie directly with one goal: campus support. Key for the office will be the linkage of current LEA staff, those with specific expertise, to the needs of the campuses. In the event of needed technical support not available or best suited from within the district, the TTIPS Grant Department will help establish the relationships of external providers and the campuses.

For TEA Use Only Adjustments and/or annotations made **TEXAS EDUCATION AGENCY** 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. School Years 2010-2013 by telephone/e-mall/FAX on Amendment No. of TEA. **Texas Title I Priority Schools Grant** Schedule #4B—Program Description Part 2: Project Management Cont. Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Program Continuation and Sustainability - Describe how the LEA will sustain the campus reforms after the funding period ends. The La Joya ISD will sustain this once the grant funding expires through in-kind matching funds, professional development funding allocated to teachers so the teachers can impart their knowledge to students and therefore, the students will receive rigorous school work which will facilitate their learning. This will allow the students to maximize their learning and pursue further education. What La Joya Independent School District will not sustain our positions currently brought under this grant, such as the Program Director, secretary, District Sheppard, bookkeeper, etc. Any positions which are going to be filled up to take care of this grant will expire once the grant terminates because the school district cannot absorb this cost. Texas Title I Priority School Grant funds will supplement and not supplant any existing programs.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 2: Project Management Cont.

Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana).

External Providers -- Describe how the LEA will recruit, screen, and select external providers to ensure their quality. The LEA will use a rigorous process in the recruitment, screening, and selection of external providers. The methodology, which will be clear, fair, and well-organized, will be open to the public. Consequently, established procedures will not only provide for objective selection, but also allow all stakeholders input in the process.

The recruitment of external providers by the LEA will be one that allows all qualified providers an equal opportunity to assist campuses through their restructuring and transformation journey. Recruitment will not be limited to local providers, for if true change is to occur, the LEA recognizes that this process should have no boundaries.

The screening process for external providers will be comprised of knowledge, skill, and track record reviews through educational, organizational, legal, and financial perspectives. The processes will include multiple stakeholders, particularly parents and community groups. The screening practice will be such a critical component of our transformation process that staff and other resources will be devoted exclusive to this function. In turn, the staff will specifically analyze the historical evidence of educational success, particularly with demographics and academic needs similar to our campuses, from all potential external providers.

The selection of external providers will only occur when all critical components (sought) are met. Through the consensus of all stakeholders, and with the provider's clear understanding of the campuses' mission, the contractual agreement will be signed. This documentation will include clear roles of the external provider as well as the LEA. Goals for performance will be required in all contracts and a timeframe for large student learning improvements, if applicable, will also be needed. In addition, the contract will specify the support the LEA will provide, including facilities, funding, and services. LEA staff will play a critical role in ensuring that all intentions and services delineated in the contract are carried out. Conversely, if the external providers do not adhere to any component of the contract, the contract will be canceled and immediate successors will be sought.

For TEA Use Only Adjustments and/or annotations made **TEXAS EDUCATION AGENCY** 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. School Years 2010-2013 by telephone/e-mail/FAX on Amendment No. of TEA. Texas Title I Priority Schools Grant Schedule #4B—Program Description Part 2: Project Management Cont. Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Site Visits - If the intervention program includes site visits to other campuses successfully implementing the intervention model, describe the process for selecting the locations and the expected outcomes of the site visit. The district will conduct site visits to campuses successfully implementing the transformational model. Site visits will be taken beginning the 2011-2012 school year (2nd year of implementation). Campuses will be selected based on similar demographics and high student performance. Campuses will be selected based on their high Limited English Proficient population and their success with this population. The expected outcomes will be that we would be able to model new practices observed at other successful campuses. With the new practices and procedures learned at site visits we will tweak our current practices and procedures to meet our student needs. The team visiting campuses implementing the transformational model will be expected to reflect and debrief on observations. The team will then prepare to share reflections with administrators and staff, to include recommendations on practices and procedures they feel would improve student achievement on our campus and/or district based on their observations from site visit. After all stakeholders listen to practices and procedures, and recommendations decisions will be made by all stakeholders on which practices and procedures we would begin implementing immediately and others we would like to consider for a later date.

For TEA Use Only Adjustments and/or annotations made **TEXAS EDUCATION AGENCY** 108912 on this page have been confirmed with Standard Application System (SAS) County-District No. School Years 2010-2013 by telephone/e-mail/FAX on Amendment No. of TEA. Texas Title I Priority Schools Grant Schedule #4B—Program Description Part 2: Project Management Cont. Section A: LEA (District) Capacity Responses are limited to one page each, front side only, with a font size no smaller than 9 point (Arial or Verdana). Lack of Capacity -- If the LEA is not applying to serve each Tier I school (is not applying for grant funding for each Tier I school), provide a detailed explanation of why the LEA lacks capacity to serve each Tier I school. Not applicable; La Joya Independent School District is applying to serve the two campuses under Tier I: Juárez-Lincoln High School and Palmview High School. Additionally, La Joya Independent School District is also applying to serve the eleven campuses under Tier III: Ann Richards Middle School, Dr. Américo Paredes Elementary, Dr. Javier Sáenz Middle School, Elodia Chapa Elementary School, Emiliano Zapata Elementary School, Henry B. González Elementary School, Irene García Middle School, La Joya High School, Lorenzo de Zavala Middle School, Rosendo Benavides Elementary School and Sam Fordyce Elementary School.

Amendment No.

Texas Title I Priority Schools Grant Schedule #4B—Program Description

Part 3: Intervention Model

Section B: Model Selection Process - Describe in detail:

- 1. The process the LEA and campus followed/will follow to select a school intervention model that aligns to the identified needs of the campus.
- 2. The timeline delineating the steps the campus will take to implement the selected intervention.

Responses are limited to five pages, front side only, with a font size no smaller than 9 point (Arial or Verdana). Meetings were convened with relevant stakeholders with the effort to provide explanation on Texas Title I Priority School Grant. The first meeting was held at the campus level on April 26, 2010. This meeting provided information about why campus was targeted as Tier III. Additional meetings provided information on how grant will be implemented and impact student performance.

Another meeting was also held at the district level. Meeting was held on May 11, 2010. This meeting focused on deciding if La Joya ISD would pursue the grant and which model would be the best fit for campuses based on TIER designation. Agenda items discussed included:

- La Joya Independent School District's Superintendent, Dr. Alda T. Benavides, received information through the Texas Education Agency about the Texas Title 1 Priority Schools Grant.
- In turn, Dr. Alda T. Benavides set the wheels in motion to ensure key Central Office Personnel attended the Region Workshop ID Number 30693 which was hosted at Region One located in Edinburg, Texas.
- > Assistant Superintendent for Elementary and Middle Schools, Gisela Sáenz, informed the Tier I and Tier III campus principals of the upcoming Texas Title 1 Priority Schools Grant TETN Session at Region One so they could all attend.
- > La Joya Independent School District's Decision Making Team convened and discussed the Narrowing Questions which assisted in determining that the Transformation Model was the model which would be implemented.
- This information was then taken to the Campus Site-Based Decision Making Team.
- ERO working sessions occurred at the district level so Tier I and Tier III campuses could partner up in deciding ➣ which programs to include at their campuses.
- Parents are part of the Site-Based Decision Making Team. They were informed of the grant.
- Marissa Sáenz, Parental Involvement Strategist, will set up parental meetings to discuss the grant information ➣ with the parents. The meetings will be conducted in English and in Spanish in order to ensure that all parents understand the grant information presented to them.
- May 2010 Issue of The Noticiero- An article will be submitted informing the parents of the grant in English and
- Channel 17 Spots will be arranged to inform the general public in English and in Spanish. \triangleright
- La Joya ISD Grant Development Web Page will post the grant applications once the NOGAs come in and the negotiations with TEA are complete.
- Campus meetings are being held at the Tier I and Tier III Campuses.
- After School Meetings are being held at the campuses. \triangleright
- Web Page updates are being uploaded at the campus websites.
- Team Leaders' Meetings have been held as this grant progresses.

After much collaboration, discussion, and "answering the narrowing of questions", aligned by the grant, among stakeholders at the campus, district and regional level a consensus was reached that our campus would apply for the implementation of the Tier III Modified Transformational Model for the life of the grant.

Dr. Americo Paredes Elementary is a small school situated in a developing rural area about 7 miles north of the Rio Grande River; an area in which most of the community is composed of impoverished families lacking formal schooling. Throughout the past 4 years Paredes Elementary has made progress in student academic success. In accordance with NCLB and the goals set forth by the employees at Paredes Elementary, we have fallen short of meeting the set expectations assuring that EVERY child experience academic success. Although much progress and improvement has been made, there is still a lot of work to be done. It is the passion of the employees of Paredes Elementary to assure

that all of our students master and exceed the state's expectations, it is our goal to achieve Exemplary status, not for status purposes, but because we want ALL of our students to acquire and master the essential skills they need, in order to be successful in their academic endeavors. It is imperative that we prepare our students towards a higher level accountability in which the TAKS test will not be seen as a challenge, but instead as an opportunity to validate the student's academic abilities, therefore boosting their level of confidence, self-responsibility and ultimately helping them become productive citizens in society. Only through rigorous, intentional, and personal focus can we achieve the goals we have set before us, for our campus.

1. Improve Academic Performance

The process and timeline Paredes Elementary will take to implement as a school intervention model according to the campus needs is as follows: Our goal will be to implement an intense and innovative model that is geared at intervening for each and every child. In order to achieve the first milestone which is to improve academic performance we propose to fully implement the Leader in Me Model by Franklin Covey. The specific goals of this project are as follows and will continue to be enhanced throughout the life of the grant:

- 1. To develop positive leadership qualities in children, one child at a time.
- 2. To reiterate a clear and focused mission and a climate of high expectations for all students.
- 3. To continue to foster positive home-school relations.
- 4. To increase student engagement, achievement, connectedness, and independence.

The objective of this Project is to foster the following:

- 1. Teachers, parents, and students will investigate and begin to apply the language of "The Seven Habits" through stories that are developmentally appropriate and engaging.
- 2. Teachers, parents, and students will listen to the words of Sean Covey as he describes the language of "The Seven Habits" and how he personally has used these themes to help him achieve his personal and family mission.
- 3. Teachers, parents, and students will discuss how the language of "The Seven Habits" can be used both at home and at school.
- 4. Teachers, parents, and students will develop avenues for infusing the language of "The Seven Habits" and the themes of personal responsibility and ownership into the school culture.

Finally, there are many areas of the curriculum that can be incorporated into the language of "The Seven Habits". From the outset, students will be reading and reflecting on Sean Covey's work, "The Seven Habits of Happy Kids." This correlates to Standards that have been successfully implemented in many other states which include the following, Learning to Read Independently and Reading Critically in All Content Areas. Students will be expected to comprehend the content of the text, as well as make inferences and draw conclusions from the text. Students will also be required to respond critically through classroom discussions, as well as through writing assignments.

Infusing the language of "The Seven Habits" represents a ubiquitous strategy for positive change that also relates to themes of our current Character Education initiative. Coupled with this initiative, embedded in our curriculum, our campus plans to integrate our current initiative of the values code with the philosophy of Mr. Mark Lukert to an even greater extent by correlating the two together on a six week timeline to "bathe" the children in responsibility education with the ultimate goal of improving student academic performance. By promoting positive leadership in our students, we will continue to reach the mission of the La Joya School District, to prepare and challenge all students to excel academically and to develop social skills and creativity by providing exemplary and innovative educational programs through a supportive collaboration of educators, students, parents, and community.

Innovative Technological Classroom Infuse

Research according to Jim Collins demonstrates that students develop higher order and critical thinking skills through project based learning. In order to facilitate and produce projects such as these, students must have a plethora of resources readily available. As technology becomes more readily available, it is imperative that we adapt and utilize the current supplier of a vast amount of resources: The Internet. Paredes Elementary plans to purchase laptops for every classroom so that we decrease the amount of time lost going to and from the computer lab. Paredes Elementary will utilize these laptops as a tool to expose our students to the details of the world that are only but mentioned in text books. We must expose our students to the intricateness and usefulness of the Internet as a learning tool. With our ever-changing technology there is always the likelihood that one model or version of computers or software will become outdated within months, therefore we plan to purchase 100 lap top computers per year to smooth the progress of updating of outdated software. With the world at our fingertips it is our duty to educate students about the positive, educational wonders of the Internet. As educators, we must instruct and demonstrate to our students that the Internet can be used for more than Twitter, Facebook, Myspace and Youtube. It is a tool that can be used to learn about everything and anything. Because the Internet is an innovative tool that has taken communication to another level, it is also a civic duty to educate our students of the dangers of communicating with strangers and taking personal

responsibility for screening websites that may be harmful to them.

Reading and Writing Connection with Dr. Carroll/Abydos Learning

Along with developing research skills students must develop the ability to put their thoughts into writing. Dr. Joyce Carroll, as co-director of the Abydos Learning, internationally formally known as the New Jersey Writing Project in Texas, has committed herself to visiting our students in the classroom and providing opportunities for them to take part in engaging lessons to help them enhance their reading and writing skills, but most importantly develop a love for reading. Her plan will be to bring an array of instructional methods that will help facilitate research and project based learning at an elementary level.

2. Increase Use of Quality Data

New Version of AEIS-IT

In order to identify and bridge the gaps of the student, teachers must be able to create tailored instruction. In order to make tailored instruction feasible, the teachers must be able to disaggregate data at a more efficient level.

Vertical/Horizontal Alignment

Through the frequent discussion of Hillary Clinton's infamous speech "It Takes A Village," a sense of urgency erupted at Paredes Elementary. We often discuss how grade-levels must work intentionally and cooperatively to assure academic success of every student not only in their classroom, but of all students in their grade level. Although much discussion and concern has arisen, we find ourselves handicapped in staff and tools as to how to intervene to meet the needs of every single struggling learner. In order to help bridge the gaps of those struggling students and bring them up to par, students must be taught at the same grade level; it is crucial that teachers acquire additional assistance in the classroom. According to the Dual Language Model it is in the best interest of the child to receive Accelerated Instruction versus Remedial Instruction, therefore at Paredes Elementary we would like to defer from any "pull-out" program. Instead, we would like to utilize the Intervention Strategist in the classroom to help target the students who are below grade level. The Intervention Strategist along with the grade-level team will develop a calculated, personalized plan to bridge the gaps of the identified struggling learners. It will be the goal of the grade-level team and the Intervention Strategist to assure that every student in that grade-level achieves academic success. An Intervention Strategist will be assigned to every grade level, the Intervention Strategists will then come together to communicate plans in progress across the grade-levels.

Furthermore, intentional vertical alignment must be in place in order to assure that similar plans and teaching methods are in place for every grade level. Just as no two snowflakes are identical, no two teachers are identical; because of this some type of consistency must be in place for the sake of the developmental skills of the student. In order to prevent the student from having to learn new steps repeatedly for the same concept being taught, as a school teachers must communicate, weigh out and decide on the most effective ways of teaching basic concepts such as basic facts, main idea, generalizations, and utilizing investigative tools. Together we must establish a sound foundation of basic concepts in order to develop more cognitive skills. In order to make this uniformity possible a special team of Intervention Strategists working collaboratively with teachers, students and themselves must be in place. Intervention Strategists will be utilized as a binding tool to identify, facilitate, communicate and monitor goals, methods and progress across the campus.

Intense Campus Planning

You cannot build a house without a blueprint or a strong foundation, and you cannot move a school forward without a plan or without a team of additional educators; such as the reduction teachers and the Intervention Strategists who will amalgamate together to intervene and create a strong foundation for our students and their achievement. In order for us to implement our plan and develop a clear and concise vision of what we want our school to become, we must merge the additional staff into our educational family. Coming together, as a campus, pledging our dedication, and sharing our areas of expertise is crucial to the obtainment of our goal of continual academic success of our students. Benavides Elementary staff is committed to come together as a campus to modify and update our goals intermittently throughout the school year and summer.

3. Increase Leadership Effectiveness

In order to increase leadership effectiveness, we have determined that it is crucial for the campus as a whole to be involved in various campus wide Book Studies that build on each other throughout the life of the grant. It is our goal to read, John Maxwell's 17 Indisputable Law Teamwork on the first year, Developing the Leader in You, on the second year and The 360° Leader on the 3rd final year.

In order to facilitate the above mentioned collaboration between teachers, the teachers themselves must be taught and trained how to work cooperatively and effectively as a team. Through the book study of John Maxwell's "17 Indisputable Laws of Teamwork" our campus will learn about, discuss and explore the significance and magnitude of teamwork. Through this book study we will embark on the quest of learning how to win the war as a regiment versus trying to win

it as a single soldier. The initiative is to build strong teams in each grade-level, which in turn will compose a fortress of an organization.

Organizational Health

Organizational Health is a group of selected leaders from campus whom come together to discuss commendations, recommendations and concerns arising or expressed throughout campus. The purpose of the Organizational Health Team is to assist in the creation of a welcoming environment on campus helping every staff member knows that they are important and necessary to the success of our organization. The Organizational Health Team is a collaboration of different personalities, views and creativity that are bound together by one common goal: the academic success of every child on campus through transformational leadership. It is the Organizational Health Team members' objectives to serve as a motivator and inspiration to their fellow colleagues. After all, a happy employee is a productive employee.

WOW

Through the Working on the Work Framework, the school will be able to assess how much and how soon change can be successfully implemented on campus. The Schlechty Center helps the school identify and analyze why some initiatives succeed and others fail. Through the WOW Framework, Paredes Elementary will be able to identify and work through the shortcomings we have as an organization. Furthermore, teachers will learn how to redefine themselves as "leaders, designers, and guides to instruction" (Schlechtycenter.org).

4. Increase Learning Time

Reduction Teachers

At Paredes Elementary a continual and committee effort has always been made to provide the best quality education, however, even after the effort has been made, there continues to be a gap that keeps the staff from completely meeting each need. In collaborating with various stakeholders within our community and evaluating data, it has been determined that hiring additional highly qualified teachers in grades First through Fifth will help reduce the number in the classroom. We believe that this proposal coupled with the other mentioned initiatives will allow for significant progress to be made and milestones to be achieved.

Extended Day/ Week/ Year

By significantly reducing the number of students the teacher works with allows the teacher to have a closer look at all of the students and sets the premise for better diagnosis of what is impeding the student from achieving academic success. According to the diagnosis of the student's impediments, the teacher is now more able to intervene on a more concise level during extended hours after school or on Saturdays. Teachers will work collaboratively to share intervention strategies that are fun, interactive, and age appropriate for their students.

Reading, Math, Science Camps and Academies

Students increasingly dislike school because they are unsuccessful and disengaged. Through camps and academies the objective of Paredes Elementary is to bring the fun back into learning. Camps and Academies will be fully interactive hands on experiences. Math Camps will allow for students to manipulate tools and experience how math is used in everyday life. Science Academies will explore scientific investigations through the scientific process, allowing students to learn science concepts, skills processes and have fun while they learn. Reading Academies will focus on different genres of literature that are not often emphasized in the traditional classroom such as poetry, theater, song and dance. Camps and Academies are an opportunity to present underprivileged students with culture, art and skill through different lenses in a smaller teacher to student ratio after school, Saturdays and in the summer.

5. Increase Community Involvement

Community based meetings

Because our students come from impoverished families, they are already at a disadvantage versus those students who come from more affluent ones. This does not mean that our students are incapable of achieving academic success, but that they have that many more challenges to overcome. It is not the objective or intention of the school to give the community better houses, but it is our intention to help them create better stability at home. Through education of the community we can help families make the best of their situation with what they have. According to Marzano's Hierarchy of Needs students must have their basic needs met in order to effectively acquire academic success. A happy child is more apt to learn more in the classroom because their focus is on their school work, not whether or not they are going to have food, electricity or water when they get home from school.

Colonia /Community Meetings

Through colonia/community meetings, the Parental Intervention Strategist will communicate with and educate parents about basic health concerns such as hygiene and a balanced diet. The Parental Intervention Strategist will educate parents on topics such as the Food Pyramid and reading and understanding Nutrition Fact labels to help prevent the

epidemic spread of gastritis and diabetes among the Hispanic population. Parents will also be informed about programs such as CHIP and Medicald that many of our community members are not aware of.

Adult Education and Parenting Courses

Currently the status quo of Parental Involvement is most often automatically associated with the female of the household. Paredes Elementary would like to take the initiative to gear parental involvement towards the men by developing a men's group in which the men of the community will be taught simple carpentry skills and financial management. The main focus of teaching carpentry skills will include basic plumbing, patching up of roofs, and installment of insulation, sheetrock and ceiling fans. These basic carpentry skills will benefit our students in such a way that the male of the household can learn to improve the living conditions of their homes, thus providing a more stable, secure home for the child thus, the child will be able to come more well rested and more focused to school. Furthermore, the male of the household will develop skills that make them more marketable in the workforce, increasing the probability of them obtaining a more stable job.

Also, because most of the parents in our community have little to no formal education, they are not able to assist their children at home should the child ask for assistance on any given assignment. It will be the initiative of the Parental Intervention Strategist along with Paredes Elementary to hold classes with parents in regards to helping the child with simple concepts such as comparing size, counting, skip counting, addition and subtraction, counting coins, telling time and explaining the significance of watching the weather or cooking together.

Performance and Progress Talks

Another component to increase community involvement is to educate and explain to the parents the significance of state exams (TAKS) and continuing higher education. Parents must be educated as to what tests are, what they look like, what they mean, what the expectations are, and how they can help. The Parental Intervention Strategist along with the Technology Intervention Strategist will work together to educate the parents about the different state exams administered at each grade level and discuss with parent the progress their son/daughter is making on any given subject. Only through an educated and structured Parental Involvement program will Paredes Elementary be able to take the level of academic achievement in our community up to the next level of Exemplary status.

6. Improve School Climate

Monthly, Six Weeks, Semester and Yearly Perfect Attendance Celebrations

Mobile Gaming/ REAL Fun, Comedian, Ventriloquist, Magician

In reflecting on the Organizational Health Survey conducted during the 2009-2010 school year it is safe to mention that the climate at Paredes Elementary for the most part is significantly. However, being awarded with the means to be able to staff and student success to an even greater extent is phenomenal. We believe that if we are given an opportunity to celebrate staff and students for making every effort to be at school to learn that academic progress of students is inevitable. We know from experience, and research tells us that if adults are happy, children will be happy, if children are happy, they will learn.

7. Increase Teacher Quality

Team Building Activities

Sheltered Instruction, Observational Protocol (SIOP)/ English Language Proficiency Standards (ELPS)/ Gifted and Talented (G/T) Hours/ Cooperative Learning/ Working on the Work (WOW)/ Scholastic Red/ Dual Language Model Professional development geared at teacher quality has always been a means in which La Joya conducts business, anyone who has ever worked in our district knows that we pride ourselves in providing our teachers with the necessary skills needed to embrace, nurture and teach any student that walks in through the door. Throughout the year and during the summer, an amazing array of various courses are offered at the district level in order to help teachers gain a greater level of expertise in providing engaging lessons for their students. However, even though these efforts are made, for unknown or personal reasons, teachers do not or cannot attend these trainings/courses. Through the awarding of this grant, this process will be facilitated by providing teachers at the campus level the flexibility, time and resources needed. On a small scope, this process would obligate teachers to actively participate and develop their own professional portfolios.

Section D: Improvement Activities and Timeline

On the following pages of charts applicants should describe all other school improvement activities that will be incorporated with the model to be selected.

For each additional improvement activity entered, enter the Critical Success Factor Code(s) from this table, enter the LEA/campus' rationale for including the activity, provide the supporting research that indicates the activity will be effective, and indicate the beginning and ending date of the activity.

- 1 Improve Academic Performance, including (but not limited to) Reading/ELA and Math
 - A. Data-driven instruction
 - B. Curriculum Alignment (both horizontal and vertical)
 - C. On-going Monitoring of Instruction
- 2 Increase the Use of Quality Data to Drive Instruction
 - A. Data Disaggregation/Training
 - B. Data-driven Decisions
 - C. On-going Communication
- 3 Increase Leadership Effectiveness
 - A. On-going Job Embedded Professional Development
 - B. Operational Flexibility
 - C. Resource/Data Utilization
- 4 Increase Learning Time
 - A. Flexible Scheduling
 - B. Instructionally-focused Calendar
 - C. Staff Collaborative Planning
- 5 Increase Parent/Community Involvement
 - A. Increased Opportunities for Input
 - B. Effective Communication
 - C. Accessible Community Services
- 6 Improve School Climate
 - A. Increased Attendance
 - B. Decreased Discipline Referrals
 - C. Increased Involvement in Extra/Co-Curricular Activities
- 7 Increase Teacher Quality
 - A. Locally Developed Appraisal Instruments
 - B. On-going Job Embedded Professional Development
 - C. Recruitment/Retention Strategies

Texas Title I Priority Schools Grant Schedule #4C—Performance Assessment and Evaluation Part 1: Component Description. By submitting this application, the applicant agrees to comply with any reporting and evaluation requirements that TEA may establish and to submit the reports in the format TEA requests. (Response limited to one page each, font size no smaller than 9 pt, Arial or Verdana) Section C: Qualitative and Quantitative Data Collection Methods- Describe the LEA/campus' process for data collection methods to be implemented and 1) how the data will be disaggregated; 2) used to improve instruction; and 3) obtain continuous improvement results The campus will use the following qualitative and quantitative data collection methods to improve student instruction: Qualitative: Campus Administrator Surveys (multiple instructional programs and departments) Qualitative: Classroom Observations (multiple instructional programs and departments) Qualitative: Parent Surveys (overall educational feedback and involvement) Qualitative: Student Surveys (instructional fidelity, safety, general feedback to superintendent) Quantitative: TAKS, AYP, AEIS, PBMAS, TELPAS, TPRI, Tejas Lee Quantitative: Report Card Grades, Six Weeks Grades, Benchmark Data Quantitative: Applicable Pre/Post Tests, Attendance Reports The campus will disaggregate data through different methods. Methods such as: Weekly grade level meetings to discuss instructional targets. After school meetings will focus on student overall performance. Review and analyze six weeks assessments and district benchmark data. Review and analyze TPRI, Tejas Lee – Beginning of Year (BOY), Middle of Year (MOY), End of Year (EOY) to improve instruction. Progress monitoring of TPRI, Tejas LEE will be performed every two weeks. Review report card grades on a six weeks basis. Analyze campus surveys to improve and modify instructional processes. Campus administrator walk-throughs will provide immediate feedback on teacher performance and student engagement. Previous year's TAKS information will be analyzed to improve instruction on areas of need. TELPAS will help students achieve proficiencies with English learning. Fluency assessments will be conducted on a bi-weekly basis. Student surveys will be done at the end of year to analyze previous year's results for student safety, instruction and overall school environment. End of Year results will be the measuring tools to continue improvement on overall school environment. This data and instruments will be the foundation on which the following school year's goals will be determined.

Schedule # 4C—Performance Assessment and Evaluation

Part 2: Process for Development of Performance Goals

Describe the process to be implemented to develop the campus' performance goals. Include the groups participating

Responses are limited to two pages, front side only, with a font size no smaller than 9 point (Arial or Verdana).

Dr. Americo Paredes Elementary evaluated various information obtained through surveys conducted with major stakeholders: parents, teachers, students and community members. The surveys allowed us to evaluate programs available for our Title I students which require a partnership between parents and schools in order to make an impact on student achievement. Information obtained provides feedback on parental needs and requirements to promote a high collaboration between all entities to improve student achievement at our campus. The results of the survey confirm the following: conduct additional meetings at times that are more accessible to parents, provide additional opportunities for parents to volunteer their homes to host meetings thus providing additional community meetings and to provide resources and opportunities to receive vocational technical skills and support.

The campus needs assessment process also provides student feedback. Students were surveyed with a questionnaire on various school components such as academics, safety, and nutrition. At Paredes Elementary, the priorities to address were: increase learning opportunities through academic field experiences, provide technology support to enhance multi-media learning experiences and to provide a more intensive and extensive program efforts to combat and minimize gang activity, violence and bullying behavior.

The Organizational Health Institute (OHI) is an instrument in which all teachers are surveyed on a yearly basis. The data is used to help leaders improve their effectiveness on a day to day operation of a campus. Teachers are asked to participate in this survey where feedback is provided to the leader to build leadership capacity. The OHI survey consists of the following ten dimensions: goal focus, communication adequacy, optimal power equalization, resource utilization, cohesiveness, morale, innovativeness, autonomy, adaptation, and problem solving adequacy. This OHI survey is highly individualized to meet the unique needs of each individual campus. This process will help move each campus, staff and administrative unit to the level in which student performance is a priority.

Amendment No.

Texas Title I Priority Schools Grant

Schedule # 4C—Performance Assessment and Evaluation

Part 2: Process for Development of Performance Goals

Describe the process to be implemented to develop the campus' performance goals. Include the groups participating in the development of the goals.

Responses are limited to two pages, front side only, with a font size no smaller than 9 point (Arial or Verdana).

The process to implement, develop campus' performance goals and analyze data such as TAKS, AYP, AEIS, PBMAS, TELPAS, TPRI, Tejas Lee will include campus administrators, grade level chairpersons, teachers, students and parents.

The disaggregation of data will be conducted using the following methods:

- Weekly grade level meetings to discuss instructional targets.
 - Review and analyze six weeks assessments and district benchmark data.
 - Review and analyze TPRI, Tejas Lee BOY, MOY, EOY to improve instruction.
 - Campus administrator walk-throughs will provide immediate feedback on teacher performance and student engagement.
 - Progress monitoring of TPRI, Tejas LEE will be performed every two weeks
 - Monitor fluency assessments to determine growth.
- After school meetings will focus on student overall performance.
 - Analyze campus surveys to improve and modify instructional proc
 - Previous year's TAKS information will be analyzed to improve instruction on areas of need
 - Review TELPAS results to identify and monitor the English proficiency levels.

Campus Improvement Plan is reviewed on a monthly basis. This ongoing process helps the campus determine growth or interventions and needs. Our campus plan is a working document that provides guidance and direction towards student academic achievement and the attainment of campus goals.

GENERAL PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108	912_	
County-D	<u>istrict</u>	No.

Texas Title I Priority Schools Grant

Statement of provisions and assurances for the program(s) in this application:

- A. Terms defined: As used in these Provisions and Assurances,
 - Contract means the entire document, and all of TEA's attachments, appendices, schedules (including but not limited to the General Provisions and the Special Provisions), amendments and extensions of or to the Standard Contract;
 - Agency or TEA means the Texas Education Agency;
 - Contractor means the party or parties to this contract other than Agency; including its or their officers, directors, employees, agents, representatives, consultants and subcontractors, and subcontractors' officers, directors, employees,
 - Project Administrator means the person representing Agency or Contractor, as indicated by the contract, for the purposes of administering the contract project;
 - Contract Project means the purpose intended to be achieved through the contract of which these Provisions and Assurances are a part;
 - Applicant means the same as Contractor;
 - SAS means the Standard Application System of which the application document is a part;
 - "Application" means the entire package submitted by the Applicant including the schedules contained in the application and so indicated on the General Information page of the application package;
 - Amendment means an application that is revised in budget categories and/or in program activities. It includes both the original application and any subsequent amendments; or extensions thereto;
 - Works means all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Contractor for or on behalf of TEA at any time after the beginning date of the Contract (Works includes but is not limited to computer software, data, information, images, illustrations, designs, graphics, drawings, educational materials, assessment forms, testing materials, logos, trademarks, patentable materials, etc.); and,
 - Intellectual Property Rights means the worldwide intangible legal rights or interests evidenced by or embodied in: (a) any idea, design, concept, method, process, technique, apparatus, invention, discovery, or improvement, including any patents, trade secrets, and know-how; (b) any work of authorship, including any copyrights, moral rights or neighboring rights; (c) any trademark, service mark, trade dress, trade name, or other indicia of source or origin; (d) domain name registrations; and (e) any other similar rights. The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to grant sublicenses.
 - Grant means the same as Contract;
 - Grantee means the same as Contractor;
 - Grantor means the same as Agency; and
 - DCC means the Document Control Center of Agency.
 - Contingency: This contract is executed by Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All amendments and/or extensions or subsequent contracts entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this contract or any other document, this contract is void upon appropriated funds becoming unavailable. In addition, this contract or any other accument, this contract is void aport appropriated rands becoming anavailable. In addition, this contract may be terminated by Agency at any time for any reason upon notice to Contractor. Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency. This contract may be extended or otherwise amended only by formal written amendment properly executed by both Agency and Contractor. No other agreement, written or oral, purporting to alter or amend this contract shall be valid.
 - Contractor's Application: Furnished to Agency in response to a request for application, is incorporated in this contract by reference for all necessary purposes. It is specifically provided, however, that the provisions of this contract shall prevail in all cases of conflict arising from the terms of Contractor's application whether such application is a written part of this contract or is attached as a separate document.
 - D. Requirements, Terms, Conditions, and Assurances: Which are stated in the Request for Application, in response to which Applicant is submitting this application, are incorporated herein by reference for all purposes although the current General Provisions shall prevail in the event of conflict. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

SCHEDULE #6A - cont.

GENERAL PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912 County-District No.

- E. Signature Authority; Final Expression; Superseding Document: Applicant certifies that the person signing this application has been properly delegated this authority. The Contract represents the final and complete expression of the terms of agreement between the parties. The Contract supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises or warranties that differ from the Contract shall have no force or effect. The Contract may be modified, amended or extended only by formal written amendment properly executed by both TEA and Contractor.
- F. State of Texas Laws: In the conduct of the contract project, Contractor shall be subject to Texas State Board of Education and Commissioner rules pertaining to this contract and the contract project and to the laws of the State of Texas governing this contract and the contract project. This contract constitutes the entire agreement between Agency and Contractor for the accomplishment of the contract project. This contract shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this contract.
- G. Monitoring: Desk reviews or on-site monitoring reviews may be conducted by Agency to determine compliance with the approved application and the applicable statute(s), law(s), regulations, and guidelines.
- H. Sanctions for Failure to Perform or for Noncompliance: If Contractor, in Agency's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under this contract, Agency may impose such sanctions as it may deem appropriate. This includes but is not limited to the withholding of payments to Contractor until Contractor complies; the cancellation, termination, or suspension of this contract in whole or in part; and the seeking of other remedies as may be provided by this contract or by law. Any cancellation, termination, or suspension of this contract, if imposed, shall become effective at the close of business on the day of Contractor's receipt of written notice thereof from Agency.
- Contract Cancellation, etc.: If this contract is canceled, terminated, or suspended by Agency prior to its expiration date, the reasonable monetary value of services properly performed by Contractor pursuant to this contract prior to such cancellation, termination or suspension shall be determined by Agency and paid to Contractor as soon as reasonably possible.
- Indemnification:
 - For local educational agencies (LEAs), regional education service centers (ESCs), and institutions of higher education (IHEs) and state agencies: Contractor, to the extent permitted by law, shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
 - For all other grantees, subgrantees, contractors, and subcontractors, including nonprofit organizations and forprofit businesses: Contractor shall hold Agency harmless from and shall indemnify Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of Contractor, its agents, employees, and subcontractors, done in the conduct of the contract project.
- Encumbrances/Obligations and Liquidations: All encumbrances/obligations shall occur on or between the beginning and ending dates of the contract. All goods must be received and all services rendered between the beginning and ending dates of the contract. The contractor must liquidate (record as an expenditure) all obligations (encumbrances) incurred under the contract no later than 30 days after the ending date of the contract, to coincide with the submission of the final expenditure report, due 30 days after the ending date of the contract. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures, and an encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. This applies to all grant programs, including state and federal, discretionary and formula.

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912 County-District No.

- Financial Management and Accounting: Grantee assures it will maintain a financial management system that complies with federal standards established in 34 CFR 80.20 and 74.21 and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved grant application. The applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. Public school districts, open enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the Financial Accountability System Resource Guide, Texas Education Agency (34 CFR 74.21; 34 CFR 80.20; TEA Financial Accountability System Resource Guide).
- M. Expenditure Reports: Contractor shall submit expenditure reports in the time and manner requested by Agency as specified in the instructions to the Standard Application System (SAS) which are incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the grant. Revised expenditure reports, where the grantee is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the grant, or as specified in the applicable Program Guidelines.
- N. Refunds Due to TEA: If Agency determines that Agency is due a refund of money paid to Contractor pursuant to this contract, Contractor shall pay the money due to Agency within 30 days of Contractor's receipt of written notice that such money is due to Agency. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds.
- O. Records Retention: Contractor shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Contractor in connection with the contract project. These records and accounts shall be retained by Contractor and made available for programmatic or financial audit by Agency and by others authorized by law or regulation to make such an audit for a period of not less than five years from the date of completion of the contract project or the date of the receipt by Agency of Contractor's final claim for payment or final expenditure report in connection with this contract, whichever is later. If an audit has been announced, the records shall be retained until such audit has been
 - Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirements to cooperate is included in any subcontract it
 - Time and Effort Recordkeeping: For those personnel whose salaries are prorated between or among different funding sources, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in the applicable OMB cost principles.
 - Q. Forms, Assurances, and Reports: Contractor shall timely make and file with the proper authorities all forms, assurances and reports required by federal laws and regulations. Agency shall be responsible for reporting to the proper authorities any failure by Contractor to comply with the foregoing laws and regulations coming to Agency's attention, and may deny payment or recover payments made by Agency to Contractor in the event of Contractor's failure so to comply.
 - R. Intellectual Property Ownership: Contractor agrees that all Works are, upon creation, works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered works made for hire, Contractor hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Contractor agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Contractor for the Contract Project, granting Contractor rights sufficient to support the performance and grant of rights to TEA by Contractor. Copies of such agreements shall be provided to TEA promptly upon request.

TEXAS EDUCATION AGENCY

School Years 2010-2013

108912 _ County-District No.

Texas Title I Priority Schools Grant

Contractor warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Contractor will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Contractor grants to TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. Contractor agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, Contractor will provide TEA with documentation indicating a third party's written approval for Contractor to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts and Nonprofit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, nonprofit organizations, and their employees, agents, representatives, consultants and subcontractors. If a school district or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Education Service Centers (ESCs): The foregoing Intellectual Property Ownership provisions apply to an Education Service Center (ESC) and its employees, agents, representatives, consultants, and subcontractors. If an ESC or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, nontransferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- S. Unfair Business Practices: Unfair Business Practices: By signing this Contract, Contractor, if other than a state agency, certifies that Contractor, within the preceding 12 months, has not been found guilty, in a judicial or state agency administrative proceeding, of unfair business practices. Contractor, if other than a state agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.
 - Contractor, whether a state agency or not a state agency, certifies that no funds provided under this Contract shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.
- T. Subcontracting: Contractor shall not assign or subcontract any of its rights or responsibilities under this contract, except as may be otherwise provided for in this application, without prior formal written amendment to this contract properly executed by both Agency and Contractor.
- U. Use of Consultants: Notwithstanding any other provision of this application, Applicant shall not use or pay any consultant in the conduct of this application if the services to be rendered by any such consultant can be provided by Applicant's
- V. Capital Outlay: If Contractor purchases capital outlay (furniture and/or equipment) to accomplish the objective(s) of the project, title will remain with Contractor for the period of the contract. Agency reserves the right to transfer capital outlay items for contract noncompliance during the contract period or as needed after the ending date of the contract. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in Contractor's accounting record.

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912	
County-District No.	

Texas Title I Priority Schools Grant

- W. Agency Property (terms): In the event of loss, damage or destruction of any property owned by or loaned by Agency while in the custody or control of Contractor, its employees, agents, consultants or subcontractors, Contractor shall indemnify Agency and pay to Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of Contractor's receipt of written notice of Agency's determination of the amount due. This applies whether the property is developed or purchased by Contractor pursuant to this contract or is provided by Agency to Contractor for use in the contract project. If Contractor fails to make timely payment, Agency may obtain such money from Contractor by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise
- X. Travel Costs: Amounts authorized for maximum recovery for travel and per diem costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas Appropriations Bill in effect for the particular funding period. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Travel allowances are not allowable costs.
- Y. Funds for Religious Worship, Instruction: No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532 and P. L. 107-110, section 9505).
- Z. Disclosure of Gifts and Campaign Contributions: The grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The grantee has a continuing obligation to make disclosures through the term of the contract. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the grant.
- AA. Submission of Audit Reports to TEA: Grantees which are public school districts and open enrollment charter schools agree to submit the required annual audit report, including the reporting package required under OMB Circular A-133, if an audit is required to be conducted in accordance with OMB Circular A-133, to the TEA Division of School Financial Audits in the time and manner requested by the Agency.

Grantees which are nonprofit organizations (other than charter schools) and universities/colleges that expend \$500,000 or more total in federal awards in any fiscal year and are thus required to conduct a Single Audit or programspecific audit in accordance with the requirements in OMB Circular A-133, agree to submit a copy of such audit to TEA when the schedule of findings and questioned costs disclosed audit findings relating to any federal awards provided by TEA. A copy of such audit shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

A nonprofit organization or university/college grantee shall provide written notification to TEA that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by TEA or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by TEA. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the TEA Division of Discretionary Grants. Audit reports must be submitted to TEA within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to TEA could result in a reduction of funds paid to the grantee, a refund to TEA, termination of the grant, and/or ineligibility to receive additional grant awards from TEA.

- BB. Federal Rules, Laws, and Regulations That Apply to all Federal Programs: Contractor shall be subject to and shall abide by all federal laws, rules and regulations pertaining to the contract project, including but not limited to:
 - Americans With Disabilities Act, P. L. 101-336, 42 U.S.C. sec. 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64;
 - Title VI of the Civil Rights Act of 1964, as amended (prohibition of discrimination by race, color, or national origin), and the regulations effectuating its provisions contained in 34 CFR Part 100;
 - Title IX of the Education Amendments of 1972, as amended (prohibition of sex discrimination in educational institutions) and the regulations effectuating its provisions contained in 34 CFR Part 106, if Contractor is an educational
 - Section 504 of the Rehabilitation Act of 1973, as amended (nondiscrimination on the basis of handicapping condition), and the regulations effectuating its provisions contained in 34 CFR Part 104 and 105;

the Age Discrimination Act of 1975, as amended (prohibition of discrimination on basis of age), and any regulations issued thereunder, including the provisions contained in 34 CFR Part 110;

the Family Educational Rights and Privacy Act (FERPA) of 1975, as amended (ensures access to educational records for students and parents while protecting the privacy of such records), and any regulations issued thereunder, including **Privacy Rights of Parents and Students** (34 CFR Part 99), if Contractor is an educational institution (20

7. Section 509 of H.R. 5233 as incorporated by reference in P. L. 99-500 and P. L. 99-591 (prohibition against the use of federal grant funds to influence legislation pending before Congress);

Pro-Children Act of 2001, which states that no person shall permit smoking within any indoor facility owned or leased or contracted and utilized for the provision of routine or regular kindergarten, elementary, or secondary education or library services to children [P. L. 107-110, Section 4303(a)]. In addition, no person shall permit smoking within any indoor facility (or portion of such a facility) owned or leased or contracted and utilized for the provision of regular or routine health care or day care or early childhood development (Head Start) services [P. L. 107-110, Section 4303(b)(1)]. Any failure to comply with a prohibition in this Act shall be considered to be a violation of this Act and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty, as determined by the Secretary of Education (P. L. 107-110, Section 4303(e)(1)].

9. Fair Labor Standards Act (29 USC 207), Davis Bacon Act (40 USC 276(a), and Contract Work Hours and Safety Standards Act (40 USC 327 et seq.), as applicable, and their implementing regulations in 29 CFR 500-899,

29 CFR Parts 1,3,5, and 7, and 29 CFR Parts 5 and 1926, respectively.

10. **Buy America Act**: Contractor certifies that it is in compliance with the Buy America Act in that each end product purchased under any federally funded supply contract exceeding \$2,500 is considered to have been substantially produced or manufactured in the United States. End products exempt from this requirement are those for which the cost would be unreasonable, products manufactured in the U. S. that are not of satisfactory quality, or products for which the agency head determines that domestic preference would be inconsistent with the public interest. Contractor also certifies that documentation will be maintained that documents compliance with this requirement (FAR 25.1-.2).

11. P.L. 103-227, Title X, Miscellaneous Provisions of the GOALS 2000: Educate America Act; P.L. 103-382, Title XIV, General Provisions of the Elementary and Secondary Education Act, as amended; and General Education Provisions Act,

12. Prohibition of Text Messaging and E-mailing while Driving during Official Federal Grant Business: Personnel funded from federal grants and their subcontractors and subgrantees are prohibited from text messaging while driving an organization-owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using organization-supplied electronic equipment to text message or e-mail while driving. Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership On Reducing Text Messaging While Driving," October 1, 2009 (pursuant to provisions attached to federal grants funded by the U.S. Department of Education).

For Local Educational Agencies (LEAs): 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR CC. Federal Regulations Applicable to All Federal Programs: 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements);

For Education Service Centers (ESCs): 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 75 or 76 as applicable, 77, 79, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-87

(Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements); 3. For Institutions of Higher Education (IHEs): 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29

CFR 1630, 34 CFR 74, 77, 79, 81, 82, 85, 86, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-21 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements); 4. For Nonprofit Organizations: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR

74, 77, 79, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, and OMB Circulars A-122 (Cost Principles), A-133 (Audits), and A-110 (Uniform Administrative Requirements);

For State Agencies: 28 CFR 35 Subparts A-E, 28 CFR 36 Subparts C & D, Appendix A, 29 CFR 1630, 34 CFR 76, 80, 81, 82, 85, 97, 98, 99, 104, 47 CFR 0 and 64, OMB Circulars A-87 (Cost Principles), A-133 (Audits), and A-102 (Uniform Administrative Requirements); and

For Commercial (for-profit) Organizations: 29 CFR 1630 and 48 CFR Part 31.

DD. General Education Provisions Act (GEPA), as Amended, <u>Applicable to All Federal Programs Funded or</u> Administered Through or By the U.S. Department of Education:

SCHEDULE #6A - cont.

GENERAL PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912

County-District No.

- 2. Availability of Information: Any application, evaluation, periodic program plan, or report relating to each program described in this application will be made readily available to parents and other members of the general public (20 USC
- 3. Sharing of Information: Contractor certifies that it has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program described in this application significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects (20 USC 1232(e)).
- 4. Prohibition of Funds for Busing: The applicant certifies that no federal funds (except for funds appropriated specifically for this purpose) will be used for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to overcome racial imbalance in any school or school system, or for the transportation of students or teachers (or for the purchase of equipment for such transportation) in order to carry out a plan of racial desegregation of any school or school system (20 USC 1228).
- 5. Direct Financial Benefit: Contractor certifies that funds expended under any federal program will not be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization [20 USC 1232(b)(8)].
- Payment for Services: Payment for service(s) described in this Contract is contingent upon satisfactory completion of the service(s). Satisfaction will be determined by TEA's Project Administrator, in his sole discretion but in accordance with EE. reasonable standards and upon advice of his superiors in TEA, if necessary.
- Family Code Applicability: By signing this Contract, Contractor, if other than a state agency, certifies that under Section 231.006, Family Code, that Contractor is not ineligible to receive payment under this Contract and acknowledges FF. that this Contract may be terminated and payment may be withheld if this certification is inaccurate. TEA reserves the right to terminate this Contract if Contractor is found to be ineligible to receive payment. If Contractor is found to be ineligible to receive payment and the Contract is terminated, Contractor is liable to TEA for attorney's fees, the costs necessary to complete the Contract, including the cost of advertising and awarding a second contract, and any other damages or relief provided by law or equity.
- Interpretation: In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, Appendices, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the TEA Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this contract.
- Registered Lobbyists: No state or federal funds transferred to a contractor/grantee may be used to hire a registered HH. lobbyist.
- Test Administration and Security: This contract is executed by Agency subject to assurance by Contractor that it has at all times been and shall remain in full compliance with Title 19, Texas Administrative Code Chapter 101, and all II. requirements and procedures for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor. Notwithstanding any other provision in this contract or any other document, this contract is void upon notice by Agency, in its sole discretion, that Contractor or any school, campus, or program operated by Contractor has at any time committed a material violation of Title 19, Texas Administrative Code Chapter 101, or any requirement or procedure for maintaining test security specified in any test administration materials in the possession or control of Contractor, or any school, campus, or program operated by Contractor, Expenditures and/or activities for which Contractor may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from Agency.
- Social Security Numbers: Social Security numbers will not be provided by TEA as a part of this agreement. TEA is not requiring or requesting school districts or other grantees to provide Social Security numbers as a part of this agreement. 33.
- Student-identifying Information: Contractor agrees that in executing tasks on behalf of TEA, Contractor will not use any student-identifying information in any way that violates the provisions of FERPA and will destroy or return all student-KK. identifying information to TEA within thirty (30) days of project completion.

TEXAS EDUCATION AGENCY SCHEDULE #6A - cont. Standard Application System 108912 GENERAL PROVISIONS & School Years 2010-2013 County-District No. **ASSURANCES** Texas Title I Priority Schools Grant

High-Risk Status, Special Conditions, and Enforcement Actions: Pursuant to the provisions in 34 CFR 80.12 and 74.14, a grantee may be identified by TEA as high-risk if the grantee has a history of unsatisfactory performance; is not financially stable; has a financial management system that does not meet federal financial management standards or the LL. requirements in TEA's Financial Accounting and Reporting (FAR) module; has not conformed to terms and conditions of previous awards; or is otherwise not responsible. TEA may impose one or more special conditions or restrictions on a high-risk grantee, including payment on a reimbursement basis; withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period; requiring additional, more detailed financial reports; additional project monitoring; requiring the grantee to obtain technical or management assistance; establishing additional prior approvals; or other conditions that may be legally available. A grantee identified as high-risk will be notified in writing by TEA of the special conditions imposed and the process for removing the high-risk status and special conditions.

Pursuant to the provisions in 34 CFR 80.43 and 74.62, if a grantee materially fails to comply with any term of an award, whether stated in a federal statute or regulation, an assurance, in a grant application, or elsewhere, TEA may take one or more of the following enforcement actions as appropriate in the circumstances: temporarily withhold cash payments pending correction of the deficiency or more severe enforcement action; disallow all or part of the cost of an activity or action not in compliance; wholly or partly suspend or terminate the current award; withhold further awards for the program; or take other remedies that may be legally available. If an enforcement action is imposed, the grantee will be notified in writing by TEA of the actions imposed and the process for remedying the noncompliance or removing the enforcement actions.

TEA reserves the right to not award a discretionary grant to a high-risk grantee or to a grantee that is materially noncompliant with the terms and conditions of another award.

Rev. 03/2010

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

SCHEDULE #6 B

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912	,
100312	•

County-District No.

Texas Title I Priority Schools Grant

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.11.

Terms defined: As used in these Provisions and Assurances

- "Covered Transaction"— A transaction under Federal non-procurement programs, which can be either a primary covered
- "Lower Tier Covered Transaction"— (1) Any transaction between a participant and a person other than a procurement transaction or a lower tier covered transaction. contract for goods or services, regardless of type, under a primary covered transaction; (2) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold of \$25,000; (3) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount.
- "Participant" Any person who submits a proposal for, enters into, or reasonably may be expected to enter into a covered transaction, including an agent or representative of another participant.
- "Principal"— An officer, director, owner, partner, principal investigator, or other person within a participant with management or supervisory responsibilities related to a covered transaction; or a consultant or other person, whether or not employed by the participant or paid with Federal funds, who (1) is in a position to handle Federal funds; (2) is in a position to influence or control the use of those funds; or (3) occupies a technical or professional position capable of substantially influencing the development or outcome of an activity required to perform the covered transaction.
- "Excluded Parties List System (EPLS)"— The list maintained and disseminated by the General Services Administration (GSA) containing names and other information about persons who are ineligible.
- "Debarment"— Action taken by a debarring official (Federal agency) to exclude a person (recipient) from participating in
- "Suspension"— An action taken that immediately prohibits a person from participating in covered transactions for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings that may
- "Ineligible" generally refers to a person who is either excluded or disqualified.
- "Person"— Any individual, corporation, partnership, association, unit of government or legal entity, however organized, except: foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or
- "Proposal"—A solicited or unsolicited bid, application, request, invitation to consider or similar communication by or on behalf of a person seeking to participate or to receive a benefit, directly or indirectly, in or under a covered transaction.
- "Voluntarily Excluded"—A status of nonparticipation or limited participation in covered transactions assumed by a person
- 1. By signing SAS Schedule #1 and submitting this proposal, the prospective lower tier participant is providing the certification
- The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or
- The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Covered realization of miles in the Definitions and Covered realization of miles in the Definitions and Covered realization in the Definition in the Definition and Covered realization in the Definition in the Definition and Covered realization in the Definition and Covered realization in the Definition meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

TEXAS EDUCATION AGENCY

Standard Application System School Years 2010-2013

Required for all federal grants regardless of the dollar amount

108912	
County-District No.	

Texas Title I Priority Schools Grant

- 6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to, check the Non-procurement List.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by signature on SAS Schedule #1 and by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

ED 80-0014, 9/90 (Replaces GCS-009 (REV.12/88), which is obsolete)

68 FR 66544, 66611, 66612, 66613, 66614, November 26, 2003

As amended by the Texas Education Agency (04/02)

The signing of Schedule #1--General Information by applicant indicates acceptance of all requirements described on this schedule.

SCHEDULE #6C.

Lobbying Certification

TEXAS EDUCATION AGENCY

Standard Application System School Years 2010-2013

Required for all federally funded grants greater than \$100,000.

108912

County-District No.

Texas Title I Priority Schools Grant

Submission of this certification covers all federal programs in this application, is required by the U. S. Department of Education and Section 1352, Title 31, of the United States Code, and is a prerequisite for making or entering into a subgrant or subcontract over \$100,000 with any organization. (Read instructions for this schedule for further information.)

The applicant certifies by signature on Schedule #1 - General Information, to the best of his or her knowledge and belief, that:

- (1) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.
- (2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. (See Schedule #6D Disclosure of Lobbying Activities.)
- (3) The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact on which the U. S. Department of Education and the Texas Education Agency relied when they made or entered into this grant or contract. Any organization that fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Dept. of Education form #ED 80-0008 As amended by the Texas Education Agency 11/89 03/90

The signing of Schedule #1--General Information by applicant indicates acceptance of all requirements described on this schedule.

SCHEDULE #6E

ASSURANCES

NCLB ACT PROVISIONS &

School Years 2010-2013

108912

County-District No.

The following special provisions apply to all programs funded under the Elementary and Secondary Education Act, as amended by P. L. 107-110, No Child Left Behind (NCLB) Act of 2001. By signing Schedule #1 of this SAS, the applicant is assuring it is in compliance with the following provisions:

- A. Each such program will be administered in accordance with all applicable statutes, regulations, program plans, and applications.
- B. The control of funds provided under each such program and title to property acquired with program funds will be in a public agency or in a nonprofit private agency, institution, organization, or Indian tribe, if the law authorizing the program provides for assistance to such entities.
- C. The public agency, nonprofit private agency, institution, or organization, or Indian tribe will administer such funds and property to the extent required by the authorizing statutes.
- D. The applicant will adopt and use proper methods of administering each such program, including the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
- E. The applicant will cooperate in carrying out any evaluation of each such program conducted by or for the Texas Education Agency, the Secretary of Education or other federal officials.
- F. The applicant will use such fiscal control and fund accounting procedures as will ensure proper disbursement of, and accounting for, federal funds paid to such applicant under each such program.
- G. The applicant will submit such reports to the Texas Education Agency (which shall make the reports available to the Governor) and the Secretary of Education, as the Texas Education Agency and the Secretary of Education may require to enable the Texas Education Agency and the Secretary of Education to perform their duties under each such program.
- H. The applicant will maintain such records, provide such information, and afford access to the records as the Agency (after consultation with the Governor) or the Secretary may find necessary to carry out the Agency's or the Secretary's duties.
- Before the application was submitted, the applicant afforded a reasonable opportunity for public comment on the application and has considered such comment.
- J. Gun-Free Schools Act: The local education agency assures that it is in compliance with Section 37.007(e) of the Texas Education Code, which requires expulsion of a student who brings to school or possesses at school a firearm as defined by 18 U.S.C. Section 2891 [pursuant to the requirements in P. L. 107-110, Section 4141(d)(1)]. In addition, the local educational agency certifies that it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm or weapon to school [P. L. 107-110, Section 4141(h)(1)].
- K. Student Records Transfer: The local educational agency shall ensure that a student's records and, if applicable, a student's individualized education program as defined in section 602(11) of the Individuals with Disabilities Education Act, are transferred to a charter school upon the transfer of the student to the charter school, and to another public school upon the transfer of the student from a charter school to another public school, in accordance with applicable state law (P. L. 107-110, section 5208).
- L. Consolidation of Administrative Funds: A local educational agency, with the approval of TEA, may consolidate and use for the administration of one or more programs under the No Child Left Behind Act not more than the percentage, established in each program, of the total available for the local educational agency under those programs. A local educational agency that consolidates administrative funds shall not use any other funds under the programs included in the consolidation for administration for that fiscal year. Consolidated administrative funds shall be used for the administration of the programs covered and may be used for coordination of these programs with other federal and non-federal programs and for dissemination of information regarding model programs and practices.
- M. Privacy of Assessment Results: Any results from an individual assessment referred to in the No Child Left Behind Act of a student that become part of the education records of the student shall have the protections provided in section 444 of the General Education Provisions Act [P. L. 107-110, section 9523 and the Family Educational Rights and Privacy Act (FERPA) of 1975, as amended].

SCHEDULE #6E - cont.

NCLB ACT PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Years 2010-2013

108912

County-District No.

- N. School Prayer: The local educational agency certifies that it is in compliance with Section 25.901 of the Texas Education Code. In addition, as a condition of receiving funds under the No Child Left Behind Act, the local educational agency certifies that no policy of the local educational agency prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary schools and secondary schools, as detailed in the guidance provided by the U. S. Secretary of Education pertaining to such. The state educational agency shall report to the Secretary of Education each year a list of those local educational agencies that have not filed this assurance or against which complaints have been made to the State educational agency that the local educational agencies are not in compliance with this requirement (P. L. 107-110, section 9524(b).
- O. Equal Access to Public Schools Facilities Boy Scouts of America Equal Access Act: No public elementary school, public secondary school or local educational agency that has a designated open forum or a limited public forum and that receives funds made available from the U. S. Department of Education shall deny equal access or a fair opportunity to meet. or to discriminate against, any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society), that wishes to conduct a meeting within that designated open forum or limited public forum, including denying such access or opportunity or discriminating for reasons based on the membership or leadership criteria or oath of allegiance to God and country of the Boy Scouts of America or of the youth group listed in Title 36 of the United States Code (as a patriotic society). For the purposes of this section, an elementary school or secondary school has a limited public forum whenever the school involved grants an offering to, or opportunity for, one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory. Nothing in this section shall be construed to require any school, agency, or a school served by an agency to sponsor any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society), Compliance with this provision will be enforced through rules and orders issued by the Office for Civil Rights. If the public school or agency does not comply with the rules or orders, no funds made available through the Department of Education shall be provided by a school that fails to comply with such rules or orders or to any agency or school served by an agency that fails to comply with such rules or orders (P. L. 107-110, section 9525).
- P. **General Prohibitions**: None of the funds authorized under the No Child Left Behind Act shall be used to develop or distribute materials, or operate programs or courses of instruction directed at youth, that are designed to promote or encourage sexual activity, whether homosexual or heterosexual; to distribute or to aid in the distribution by any organization of legally obscene materials to minors on school grounds; to provide sex education or HIV-prevention education in schools that instruction is age appropriate and includes the health benefits of abstinence; or to operate a program of contraceptive distribution in schools (P. L. 107-110, section 9526).
- Q. Armed Forces Recruiter Access to Students and Student Recruiting Information: In accordance with guidance issued by the U. S. Department of Education, each local educational agency receiving assistance under the No Child Left Behind Act shall provide, on a request made by military recruiters or an institution of higher education, access to secondary school students names, address, and telephone listings, upon prior written consent of a student or the parent of a student. A secondary school student or the parent of the student may request that the student's name, address, and telephone listing not be released without prior written parental consent, and the local educational or private nonprofit school shall notify parents of the option to make a request and shall comply with any request. Each local educational agency receiving assistance under the No Child Left Behind Act shall provide military recruiters the same access to secondary school students as is provided generally to post secondary educational institutions or to prospective employers of those students (P. L. 107-110, section 9528).
- R. Unsafe School Choice Option: The local educational agency certifies that it shall establish and implement a policy requiring that a student attending a persistently dangerous public elementary school or secondary school, as determined by the Texas Education Agency, or who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school (P. L. 107-110, section 9532).
- S. Civil Rights: Nothing in the No Child Left Behind Act shall be construed to permit discrimination on the basis of race, color, religion, sex (except as otherwise permitted under Title IX of the Education Amendments of 1972), national origin, or disability in any program funded under the No Child Left Behind Act (P. L. 107-110, section 9534).

- T. Student Privacy, Parental Access to Information, and Administration of Certain Physical Examinations to Minors: The local educational agency assures that it is in compliance with Chapter 26 of the Texas Education Code concerning parental rights and responsibilities. In addition, the local educational agency receiving funds under the No Child Left Behind Act certifies that it shall develop and adopt policies, in consultation with parents, regarding certain rights of a parent to access and inspect information; student privacy; the administration of physical examinations or screenings (except for examinations or screenings required by state law); and the collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling that information. The local educational agency also assures that it is in compliance with the requirements for annually notifying parents of such policies and specific events (P. L. 107-110, Title X, Part F, section 1061).
- U. Assurances related to the education of homeless children and youths:
 - (1) The LEA assures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youth.
 - (2) The LEA assures that homeless children and youth are afforded the same free, appropriate public education as provided to other children and youth.
 - (3) The LEA assures that it will review and undertake steps to revise any laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youth.
 - (4) The LEA assures that it will not separate students from the mainstream school environment on the basis of homelessness alone.
 - (5) The LEA assures that homeless children and youth have access to the education and other services that they need to in order to meet the same challenging State student academic achievement standards to which all students are held.
- V. **Definitions**: The following terms shall be defined as follows for programs authorized and carried out under the No Child Left Behind Act of 2001:
 - 1. Charter School: An open enrollment charter school receiving federal funds of any type must meet the federal definition of a charter school as provided in P. L. 107-110, Section 5210(1). The term "charter school" means a school that:
 - (A) is created by a developer as a public school, or is adapted by a developer from an existing public school, and is operated under public supervision and control:
 - (B) operates in pursuit of a specific set of educational objectives determined by the school's developer and agreed to by the authorized public chartering agency [i.e., the State Board of Education (SBOE)];
 - (C) provides a program of elementary or secondary education, or both;
 - (D) is nonsectarian in its programs, admissions policies, employment practices, and all other operations, and is not affiliated with a sectarian school or religious instruction;
 - (E) does not charge tuition:
 - (F) complies with the Age Discrimination Act of 1975, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, and Part B of the Individuals with Disabilities Education Act;
 - (G) is a school to which parents choose to send their children, and that admits students on the basis of a lottery, if more students apply for admission than can be accommodated;
 - (H) agrees to comply with the same Federal and State audit requirements as do other elementary schools and secondary schools in the State, unless such requirements are specifically waived for the purpose of this program;
 - (I) meets all applicable Federal, State, and local health and safety requirements:
 - (J) operates in accordance with State law; and
 - (K) has a written performance contract with the authorized public chartering agency in the State (i.e., SBOE) that includes a description of how student performance will be measured pursuant to State assessments that are required of other schools and pursuant to any other assessments mutually agreeable to the SBOE.
 - 2. **Community-Based Organization:** A public or private nonprofit organization of demonstrated effectiveness that is representative of a community or significant segment of a community and that provides educational or related services to individuals in the community.
 - 3. **Core Academic Subjects**: English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, art, history, and geography.

4. Highly Qualified:

- (A) when used with respect to any public elementary school or secondary school teacher teaching in a State, means that—
 - (i) the teacher has obtained full State certification as a teacher (including certification obtained through alternative routes to certification) or passed the State teacher licensing examination, and holds a license to teach in such State, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State's public charter school law; and
 - (ii) the teacher has not had certification or licensure requirements waived on an emergency, temporary, or provisional basis;
- (B) when used with respect to-
 - (i) an elementary school teacher who is new to the profession, means that the teacher-
 - (I) holds at least a bachelor's degree; and
 - (II) has demonstrated, by passing a rigorous State test, subject knowledge and teaching skills in reading, writing, mathematics, and other areas of the basic elementary school curriculum (which may consist of passing a State-required certification or licensing test or tests in reading, writing, mathematics, and other areas of the basic elementary school curriculum); or
 - (ii) a middle or secondary school teacher who is new to the profession, means that the teacher holds at least a bachelor's degree and has demonstrated a high level of competency in each of the academic subjects in which the teacher teaches by-
 - (I) passing a rigorous State academic subject test in each of the academic subjects in which the teacher teaches (which may consist of a passing level of performance on a State-required certification or licensing test or tests in each of the academic subjects in which the teacher teaches); or
 - (II) successful completion, in each of the academic subjects in which the teacher teaches, of an academic major, a graduate degree, coursework equivalent to an undergraduate academic major, or advanced certification or credentialing; and
- (C) when used with respect to an elementary, middle, or secondary school teacher who is not new to the profession, means that the teacher holds at least a bachelor's degree and-
 - (i) has met the applicable standard in clause (i) or (ii) of subparagraph (B), which includes an option for a test; or
 - (ii) demonstrates competence in all the academic subjects in which the teacher teaches based on a high objective uniform State standard of evaluation that—
 - (I) is set by the State for both grade appropriate academic subject matter knowledge and teaching skills;
 - (II) is aligned with challenging State academic content and student academic achievement standards and developed in consultation with core content specialists, teachers, principals, and school administrators;
 - (III) provides objective, coherent information about the teacher's attainment of core content knowledge in the academic subjects in which a teacher teaches;
 - (IV) is applied uniformly to all teachers in the same academic subject and the same grade level throughout the State;
 - (V) takes into consideration, but not be based primarily on, the time the teacher has been teaching in the academic subject:
 - (VI) is made available to the public upon request; and
 - (VII) may involve multiple, objective measures of teacher competency.
- 5. **Parental Involvement:** The participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring:
 - (A) that parents play an integral role in assisting their child's learning;
 - (B) that parents are encouraged to be actively involved in their child's education at school;
 - (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
 - (D) the carrying out of other activities, such as those described in section 1118 of P. L. 107-110.

6. Professional Development includes activities that:

- (A) improve and increase teachers' knowledge of the academic subjects the teachers teach, and enable teachers to become highly qualified;
- (B) are an integral part of broad schoolwide and districtwide educational improvement plans;
- (C) give teachers, principals, and administrators the knowledge and skills to provide the students with the opportunity to meet challenging State academic content standards and student academic achievement standards;
- (D) improve classroom management skills;
- (E) are high quality, sustained, intensive, and classroom-focused in order to have a positive and lasting impact on classroom instruction and the teacher's performance in the classroom and are not one-day or short-term workshops or conferences:
- (F) support the recruiting, hiring, and training of highly qualified teachers, including teachers who became highly qualified through State and local alternative routes to certification;
- (G) advance teacher understanding of effective instructional strategies that are:
- (H) based on scientifically based research (except for programs under Title II, Part D, Enhancing Education Through Technology of this Act); and
- (i) strategies for improving student academic achievement or substantially increasing the knowledge and teaching skills of teachers; and
- (J) are aligned with and directly related to State academic content standards, student academic achievement standards, and assessments and the curricula and programs tied to the standards;
- (K) are developed with extensive participation of teachers, principals, parents, and administrators of schools to be served under this Act;
- (L) are designed to give teachers of limited English proficient children, and other teachers and instructional staff, the knowledge and skills to provide instruction and appropriate language and academic support services to those children, including the appropriate use of curricula an assessments;
- (M) to the extent appropriate, provide training for teachers and principals in the use of technology so that technology and technology applications are effectively used in the classroom to improve teaching and learning in the curricula and core academic subjects in which the teachers teach;
- (N) as a whole, are regularly evaluated for their impact on increased teacher effectiveness and improved student academic achievement with the findings of the evaluations used to improve the quality of professional development;
- (O) provide instruction in methods of teaching children with special needs;
- (P) include instruction in the use of data and assessments to inform and instruct classroom practice;
- (Q) include instruction in ways that teachers, principals, pupil services personnel, and school administrators may work more effectively with parents; and
- (R) may include activities that:
 - (i) involve the forming of partnerships with institutions of higher education to establish school-based teacher training programs that provide prospective teachers and beginning teachers with an opportunity to work under the guidance of experienced teachers and college faculty;
 - (ii) create programs to enable paraprofessionals (assisting teachers employed by an LEA receiving assistance under Title I Part A) to obtain the education necessary for those paraprofessionals to become certified and licensed teachers; and
 - (iii) provide follow-up training to teachers who have participated in activities described previously in this definition that are designed to ensure that the knowledge and skills learned by the teachers are implemented in the classroom.

7. Scientifically Based Research:

- (A) means research that involves the application of rigorous, systematic, and objective procedures to obtain reliable and valid knowledge relevant to education activities and programs; and
- (B) includes research that:
 - (i) employs systematic, empirical methods that draw on observation or experiment;
 - (ii) involves rigorous data analyses that are adequate to test the stated hypotheses and justify the general conclusions drawn:
 - (iii) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;

Texas Title I Priority Schools Grant

- (iv) relies on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations, and across studies by the same or different investigators;
- (v) is evaluated using experimental or quasi-experimental designs in which individuals, entities, programs, or activities are assigned to different conditions and with appropriate controls to evaluate the effects of the condition of interest, with a preference for random-assignment experiments, or other designs to the extent that those designs contain within-condition or across-condition controls;
- (vi) ensures that experimental studies are presented in sufficient detail and clarity to allow for replication or, at a minimum, offer the opportunity to build systematically on their findings; and
- (vii)has been accepted by a peer-reviewed journal or approved by a panel of independent experts through a comparably rigorous, objective, and scientific review.
- 8. Teacher Mentoring: Activities that-
 - (A) consist of structured guidance and regular and ongoing support for teachers, especially beginning teachers, that-
 - (i) are designed to help the teachers continue to improve their practice of teaching and to develop their instructional skills; and part of an ongoing developmental induction process that—
 - (I) involves the assistance of an exemplary teacher and other appropriate individuals from a school, local educational agency, or institution of higher education; and
 - (II) may include coaching, classroom observation, team teaching, and reduced teaching loads; and
 - (III) may include the establishment of a partnership by a local educational agency with an institution of higher education.
- 9. Technology: State-of-the-art technology products and services.
- W. ESEA Performance Goals, Indicators, and Performance Reporting: The LEA assures it has adopted the five performance goals and the related performance indicators established by the U. S. Department of Education and as submitted in the Texas Consolidated State Application for Funds Under the No Child Left Behind Act. The LEA also assures that it will develop and implement procedures for collecting data related to the performance indicators where such data is not already collected through the Academic Excellence Indicator System (AEIS) or PEIMS and that it will report such data to the Agency in the time and manner requested.
- X. Transfer of School Disciplinary Records: The LEA assures it has a procedure in place to transfer disciplinary records, with respect to a suspension or expulsion, to any private or public elementary school or secondary school for any student who is enrolled or seeks, intends, or is instructed to enroll, on a full- or part-time basis, in the school. This requirement shall not apply to any disciplinary records with respect to a suspension or expulsion that are transferred from a private, parochial or other nonpublic school, person, institution, or other entity, that provides education below the college level (P. L. 107-110, section 4155).

Revised 03/03

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule.

PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

Federal Statutory Requirements

- 1) The LEA must demonstrate that the LEA has analyzed the needs of each school and selected an intervention for each school.
- 2) The LEA must demonstrate that it has the capacity to use these grant funds to provide adequate resources and related support to each Tier campus identified in the LEA's application in order to implement, fully and effectively, the required activities of the school intervention model it has selected.
- 3) If the LEA is not applying to serve each Tier I school (through a separate application for each campus), the LEA must explain why it lacks capacity to serve each Tier I school.
- 4) The LEA must describe actions it has taken, or will take, to design and implement interventions consistent with the final federal requirements, including the services the campus will receive or the activities the campus will implement.
- 5) The LEA must describe actions it has taken, or will take, to recruit, screen, and select external providers, if applicable, to ensure their quality.
- 6) The LEA must describe actions it has taken, or will take, to align other resources with the interventions.
- 7) The LEA must describe actions it has taken, or will take, to modify its practices or policies, if necessary, to enable its schools to implement the interventions fully and effectively.
- 8) The LEA must describe actions it has taken, or will take, to sustain the reforms after the funding period ends.
- 9) The LEA must include a timeline delineating the steps it will take to implement the selected intervention in each campus.
- The LEA must describe the annual goals for student achievement on the State's assessments in both reading/language arts and mathematics that it has established in order to monitor its Tier I and Tier II schools that receive school improvement funds.
- 11) As appropriate, the LEA must consult with relevant stakeholders regarding the LEA's application and implementation of school improvement models on its campus.
- 12) Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive grant funds.
- Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization (CMO), or education management organization (EMO) accountable for complying with the final federal requirements.
- Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 17) If the LEA/campus selects to implement the <u>turnaround model</u>, the campus **must** implement the following federal requirements.
 - a. Replace the principal and grant the principal sufficient operational flexibility (including in staffing, calendars/time, and budgeting) to implement fully a comprehensive approach in order to substantially improve student achievement outcomes and increase high school graduation rates;
 - b. Using locally adopted competencies to measure the effectiveness of staff who can work within the turnaround environment to meet the needs of students;
 - 1. Screen all existing staff and rehire no more than 50 percent; and
 - 2. Select new staff.
 - c. Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in the turnaround school;
 - d. Provide staff ongoing, high-quality, job-embedded professional development that is aligned with the school's comprehensive instructional program and designed with school staff to ensure that they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies;
 - e. Adopt a new governance structure, which may include, but is not limited to, requiring the school to report to a

PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

new "turnaround office" in the LEA or SEA, hire a "turnaround leader" who reports directly to the Superintendent or Chief Academic Officer, or enter into a multi-year contract with the LEA or SEA to obtain added flexibility in exchange for greater accountability;

Use data to identify and implement an instructional program that is research-based and vertically aligned from one

grade to the next as well as aligned with State academic standards;

Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students;

Establish schedules and implement strategies that provide increased learning time (as defined in this notice); and

Provide appropriate social-emotional and community-oriented services and supports for students.

If the LEA/campus selects to implement the <u>turnaround model</u>, the campus may implement the following federal 18) requirements.

1. Any of the required and permissible activities under the transformation model; or

A new school model (e.g., themed, dual language academy).

- If the LEA/campus selects to implement the school closure model, the campus must implement the following 19) requirement.
 - Enroll the students who attended that school in other schools in the LEA that are higher achieving within reasonable proximity to the closed school and may include, but are not limited to, charter schools or new a. schools for which achievement data are not yet available.

A grant for school closure is a one-year grant without the possibility of continued funding. b.

- If the LEA/campus selects to implement the restart model, the campus must implement the following federal 20) requirements.
 - Convert or close and reopen the school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO) that has been selected through a rigorous review a. process. A CMO is a non-profit organization that operates or manages charter schools by centralizing or sharing certain functions and resources among schools. An EMO is a for-profit or non-profit organization that provides "whole-school operation" services to an LEA.

Enroll, within the grades it serves, any former student who wishes to attend the school.

If the LEA/campus selects to implement the transformation model, the campus must implement the following federal 21) requirements.

Develop and increase teacher and school leader effectiveness.

- Replace the principal who led the school prior to commencement of the transformation model;
- Use rigorous, transparent, and equitable evaluation systems for teachers and principals that--(B)
 - Take into account data on student growth as a significant factor as well as other factors such as multiple observation-based assessments of performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and

Are designed and developed with teacher and principal involvement;

- Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
- Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding (D) subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
- Implement such strategies as financial incentives, increased opportunities for promotion and (E) career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school.

Comprehensive instructional reform strategies.

- Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards;
- Promote the continuous use of student data (such as from formative, interim, and summative (B) assessments) to inform and differentiate instruction in order to meet the academic needs of

individual students.

- 3. Increasing learning time and creating community-oriented schools.
 - Establish schedules and strategies that provide increased learning time; and
 - Provide ongoing mechanisms for family and community engagement. (B)
- 4. Providing operational flexibility and sustained support.
 - Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school graduation rates; and
 - Ensure that the school receives ongoing, intensive technical assistance and related support (B) from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
- An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-22)
 - Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the students in a transformation school;
 - Institute a system for measuring changes in instructional practices resulting from professional (B) development; or
 - Ensure that the school is not required to accept a teacher without the mutual consent of the (C) teacher and principal, regardless of the teacher's seniority.
- An LEA may also implement comprehensive instructional reform strategies, such as-23)
 - Conduct periodic reviews to ensure that the curriculum is being implemented with fidelity, is having the intended impact on student achievement, and is modified if ineffective;
 - Implement a schoolwide "response-to-intervention" model; (B)
 - Provide additional supports and professional development to teachers and principals in order to (C) implement effective strategies to support students with disabilities in the least restrictive environment and to ensure that limited English proficient students acquire language skills to master academic content;
 - Use and integrate technology-based supports and interventions as part of the instructional (D) program; and
 - In secondary schools--(E)
 - Increase rigor by offering opportunities for students to enroll in advanced coursework (such as Advanced Placement; International Baccalaureate; or science, technology, engineering, and mathematics courses, especially those that incorporate rigorous and relevant project-, inquiry-, or design-based contextual learning opportunities), earlycollege high schools, dual enrollment programs, or thematic learning academies that prepare students for college and careers, including by providing appropriate supports designed to ensure that low-achieving students can take advantage of these programs and coursework:
 - Improve student transition from middle to high school through summer transition (2) programs or freshman academies;
 - Increase graduation rates through, for example, credit-recovery programs, re-(3) engagement strategies, smaller learning communities, competency-based instruction and performance-based assessments, and acceleration of basic reading and mathematics skills; or
 - Establish early-warning systems to identify students who may be at risk of failing to (4) achieve to high standards or graduate.
- An LEA may also implement other strategies that extend learning time and create community-oriented schools, such 24)

- Partner with parents and parent organizations, faith- and community-based organizations, (A) health clinics, other State or local agencies, and others to create safe school environments that meet students' social, emotional, and health needs;
- Extend or restructure the school day so as to add time for such strategies as advisory periods (B) that build relationships between students, faculty, and other school staff;
- Implement approaches to improve school climate and discipline, such as implementing a (C) system of positive behavioral supports or taking steps to eliminate bullying and student harassment; or
- Expand the school program to offer full-day kindergarten or pre-kindergarten.
- The LEA may also implement other strategies for providing operational flexibility and intensive support, such as-
 - Allow the school to be run under a new governance arrangement, such as a turnaround (A) division within the LEA or SEA; or
 - Implement a per-pupil school-based budget formula that is weighted based on student needs. (B)

Statutory Program Assurances

- Applicant provides assurance that financial assistance provided under the grant program will supplement, and not supplant, the amount of state and local funds allocated to the campus.
- Applicant provides assurance that it will use its School Improvement Grant to implement fully and effectively an intervention in each Tier I and Tier II school that the LEA commits to serve consistent with the final federal requirements.
- Applicant provides assurance that it will establish annual goals for student achievement on the State's assessments in both reading/language arts and mathematics and measure progress on the leading indicators in section III of the final federal requirements in order to monitor each Tier I and Tier II school that it serves with school improvement funds, and establish goals (approved by the TEA) to hold accountable its Tier III schools that receive school improvement
- 4) Applicant provides assurance that it will, if it implements a restart model in a Tier I or Tier II school, include in its contract or agreement terms and provisions to hold the charter operator, charter management organization, or education management organization accountable for complying with the final federal requirements.
- 5) Applicant provides assurance that it will report to the TEA the school-level data required under section III of the final federal requirements.
- 6) Applicant provides assurance that it will participate in any evaluation of the grant conducted by the U.S. Department of Education, including its contractors, or the Texas Education Agency, including its contractors.

TEA Program Assurances

- Before full implementation funds are made available, the grantee must demonstrate that all early implementation activities have been completed. Successful completion of the early implementation will be measured in the Quarterly Implementation Reports, the Model Selection and Description Report, and through participation in TEA technical assistance. Copies of the above named reports can be found on the TTIPS website at the following link: http://www.tea.state.tx.us/index4.aspx?id=7354&menu_id=798
 - a. The Model Selection and Description Report must be submitted to TEA no later than <u>February 1, 2011</u>. This report may be submitted at any time prior to the deadline. Grantees must demonstrate successful completion of the following activities:
 - i. Comprehensive Needs Assessment process.
 - ii. Establish the grant budget by the required categories.
 - iii. Identification and Selection of the intervention model.
 - iv. Development of activities to implement selected intervention model.
 - v. Development of Timeline of Grant Activities.
- 2) The applicant provides assurance that the LEA will designate an individual or office with primary responsibilities for supporting the LEA/campus' school improvement efforts. This individual/office will have primary responsibility and authority for ensuring the effective implementation of the grant option approved by TEA; serve as the district liaison to TEA and those providing technical assistance and/or contracted service to the LEA/campus as part of the approved grant.
- The applicant provides assurance that a team from the grantee LEA/campus will attend and participate in grant orientation meetings, technical assistance meetings, other periodic meetings of grantees, the Texas School Improvement Conference, and sharing of best practices.

PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

School Year 2010-2013

108912

County-District No.

- For LEAs selecting the TEA Designed Model, the applicant must participate in and make use of technical assistance and coaching support provided by TEA, SIRC, and/or its subcontractors.
- The applicant will establish or provide evidence of a system of formative assessment aligned to the Texas Essential Knowledge and Skills which provides robust, targeted data to evaluate the effectiveness of the LEA's curriculum and its alignment with instruction occurring on the campus; assesses progress on student groups' academic achievement at the campus level; and guide instructional decisions by teachers for individual students.
- The applicant will participate in a formative assessment of the LEA's capacity and commitment to carry out the grant
- The applicant will provide access for onsite visits to the LEA and campus by TEA, SIRC and its contractors.
- The applicant, if selecting the Restart Model, agrees to contract only with CMO or EMO providers on the State's approved list of CMO and EMO providers.
- The applicant, if selecting the Turnaround Model or Transformation Model (Tiers I and Tiers II only) agrees to the participation of the campus principal or principal candidates in a formative assessment of their turnaround leadership
- If the LEA/Tier III campus selects to implement the transformation model, the campus assures that it will it 10) implement the following federal requirements.
 - 1. Develop and increase teacher and school leader effectiveness.
 - A. Evaluate the effectiveness of the current principal and use the results of the evaluation to determine whether the principal should be replaced, be retained on the campus, or be provided leadership coaching or training.
 - B.Identify and reward school leaders, teachers, and other staff who, in implementing this model, have increased student achievement and high school graduation rates and identify and remove those who, after ample opportunities have been provided for them to improve their professional practice, have not done so;
 - C.Provide staff ongoing, high-quality, job-embedded professional development (e.g., regarding subject-specific pedagogy, instruction that reflects a deeper understanding of the community served by the school, or differentiated instruction) that is aligned with the school's comprehensive instructional program and designed with school staff to ensure they are equipped to facilitate effective teaching and learning and have the capacity to successfully implement school reform strategies; and
 - D.Implement such strategies as financial incentives, increased opportunities for promotion and career growth, and more flexible work conditions that are designed to recruit, place, and retain staff with the skills necessary to meet the needs of the students in a transformation school based on rigorous, transparent, and equitable evaluation systems for teachers and principals:
 - 1. Takes into account data on student growth as a a factor as well as other factors such as multiple observation-based assessments of student performance and ongoing collections of professional practice reflective of student achievement and increased high school graduation rates; and
 - 2. Are designed and developed and with teacher and principal involvement
 - 2. Comprehensive instructional reform strategies.
 - A. Use data to identify and implement an instructional program that is research-based and vertically aligned from one grade to the next as well as aligned with State academic standards; and
 - Promote the continuous use of student data (such as from formative, interim, and summative assessments) to inform and differentiate instruction in order to meet the academic needs of individual students.
 - 3. Increasing learning time and creating community-oriented schools.
 - A. Establish schedules and strategies that provide increased learning time; and
 - B. Provide ongoing mechanisms for family and community engagement.
 - 4. Providing operational flexibility and sustained support.
 - A. Give the school sufficient operational flexibility (such as staffing, calendars/time, and budgeting) to implement fully a comprehensive approach to substantially improve student achievement outcomes and increase high school
 - B. Ensure that the school receives ongoing, intensive technical assistance and related support from the LEA, the SEA, or a designated external lead partner organization (such as a school turnaround organization or an EMO).
 - 11) An LEA may also implement other strategies to develop teachers' and school leaders' effectiveness, such as-
 - A. Provide additional compensation to attract and retain staff with the skills necessary to meet the needs of the
 - Institute a system for measuring changes in instructional practices resulting from professional development; or
 - Ensure that the school is not required to accept a teacher without the mutual consent of the teacher and principal, regardless of the teacher's seniority.

 - A. Allow the school to be run under a new governance arrangement, such as a turnaround division within the LEA or SEA; or
 - B. Implement a per-pupil school-based budget formula that is weighted based on student needs.
- 15) The LEA/campus assures TEA that data to meet the following federal requirements will be available and reported as requested.
 - a. Number of minutes within the school year.
 - Average scale scores on State assessments in reading/language arts and in mathematics, by grade, for the "all students" group, for each achievement quartile, and for each subgroup.
 - Number and percentage of students completing advanced coursework (e.g., AP/IB), early-college high schools, or dual enrollment classes. (High Schools Only)
 - College enrollment rates. (High Schools Only) d.
 - Teacher Attendance Rate
 - Student Completion Rate f.
 - Student Drop-Out Rate g.
 - Locally developed competencies created to identify teacher strengths/weaknesses h.
 - Types of support offered to teachers i.
 - Types of on-going, job-embedded professional development for teachers j.
 - Types of on-going, job-embedded professional development for administrators
 - Strategies to increase parent/community involvement
 - m. Strategies which increase student learning time

PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

By submitting the application for American Recovery and Reinvestment Act (ARRA) funds (P.L. 111-5), the applicant agrees to comply with the following provisions and assurances for all programs authorized in Division A of the ARRA, Title I School Improvement Grant (SIG). The applicant understands that failure to comply with one or more of these provisions and assurances may result in the Texas Education Agency (TEA) taking one or more enforcement actions authorized in Title 34 of the Code of Federal Regulations (CFR) §§ 74,62 and 80.43.

In addition to the standard terms of award, all funding provided under the Recovery Act will be subject to the provisions, assurances and conditions for American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act).

Terms defined:

RECIPIENT - The term "recipient" means a State and includes the Texas Education Agency (TEA). It also includes any entity that applies for and receives a grant directly from the federal government.

RECOVERY FUNDS —The term "recovery funds" means any funds that are made available from appropriations made under the Recovery Act.

RECOVERY ACT - the American Recovery and Reinvestment Act (ARRA) of 2009 (P.L. 111-5)

STIMULUS FUNDS - The term "stimulus funds" means any funds that are made available from appropriations under the Recovery Act; the term may be used interchangeably with "recovery funds."

GRANTEE - the subrecipient of TEA and applicant of funds.

A. One-Time Funding: Unless otherwise specified, ARRA funding is considered one-time funding that is expected to be temporary. Grantees should expend funds in ways that do not result in unsustainable continuing commitments after the funding expires. Grantees must move rapidly, while using prudent grant management practices, to develop plans for using funds, consistent with the ARRA's reporting and accountability requirements, and promptly begin spending funds to help drive the nation's economic recovery. All ARRA funds must be separately accounted for and tracked in their obligation, expenditure, and reporting.

B. Period of Availability and Encumbrances/Obligations: Unless otherwise specified in the Notice of Grant Award (NOGA), all funds are effective from the beginning date specified on the Notice of Grant Award (NOGA) through June 30, 2013. Carryover of funds will not be available beyond that date. Unobligated/unexpended funds will be returned to the Department of Treasury. The paragraph in the General Provisions pertaining to Encumbrances and Obligations applies as

follows:

All encumbrances shall occur on or between the beginning and ending dates of the contract. All goods must be received and services rendered and subsequently liquidated (recorded as an expenditure or accounts payable) within the contract dates. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in OMB Circular A-87, A-21, or A-122 (as applicable) and program rules, regulations, and guidelines contained elsewhere. When an obligation is made is defined in 34 CFR 76.707.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

- C. Compliance with Other Provisions and Assurances: All provisions and assurances stated in the General Provisions, Certification Regarding Debarment and Suspension, Lobbying Certification and Disclosure of Lobbying, No Child Left Behind Act (NCLB) Special Provisions and Assurances, and all other program-specific provisions and assurances apply unless they conflict or are superseded by the following terms and conditions implementing the American Recovery and Reinvestment Act of 2009 (ARRA) requirements below. This includes compliance with Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and all other nondiscrimination provisions. It also includes Title VII of the Civil Rights Act of 1964 (prohibiting race, color, national origin, religion, and sex discrimination in employment; the Americans with Disabilities Act (prohibiting disability discrimination in employment and in services provided by entities receiving federal funds); as well as any other applicable civil rights laws. By submitting this application, the applicant agrees to comply with all such provisions and assurances.
- **D. Compliance with Other Program Statutes:** The applicant agrees to comply with the authorizing program statutes, regulations, non-regulatory guidelines, and other guidance in the implementation of the programs receiving funding under ARRA. This includes compliance with comparability; supplement, not supplant; maintenance of effort (MOE); equitable participation for private nonprofit school students and teachers; and all other program-specific provisions and requirements. All such are hereby incorporated by reference.
- **E. DUNS Number:** All entities receiving any federal funds, including ARRA funds, are required to have a DUNS (Dunn & Bradstreet) number. The DUNS number serves as the grantee organization's unique identifier for reporting federal funds received and expended. TEA must use this same DUNS number to report grant awards and expenditures for subrecipients under ARRA to the website specifically provided for in ARRA http://www.FederalReporting.gov/. The assignment of a DUNS number is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds. (Section 1512[c][4] of ARRA and the federal Office of Management and Budget (OMB) to comply with the Federal Funding Accountability and Transparency Act [FFATA], P.L. 109-282. OMB adopted the DUNS number as the "unique identifier" required for reporting under FFATA).
- **F. Central Contractor Registration (CCR):** All grantees receiving ARRA funds, as well as any other federal funds, are required to register and maintain current registration with the Central Contractor Registration (CCR) database at http://www.ccr.gov. Registration in CCR is a condition of award of ARRA funds and must be validated by TEA prior to issuing a NOGA for ARRA funds.
- **G. ARRA Reporting Requirements:** The federal Office of Management and Budget (OMB) has issued guidance related to reporting the use of ARRA funds to the various websites. The definition of terms and data elements, as well as any specific instructions for reporting, including required formats, are provided in separate guidance issued by the TEA.

The Texas Education Agency as a direct recipient of funds is required to report certain information at certain intervals throughout the grant period as required in Section 1512 of ARRA. In order to meet the reporting requirements, grantees will be required to provide certain information to TEA. By submitting this application, the grantee agrees to provide information in the form, time, and manner requested so that TEA can meet its reporting requirements and deadlines.

1. **Separate Tracking and Monitoring of ARRA Funds**: ARRA funds must be separately tracked and monitored independently of any non-Recovery Act funding. Grantees must submit certain information to TEA in order for TEA to comply with quarterly reporting requirements established in Section 1512 of the Recovery Act. Recovery Act-related reporting requirements are incorporated as a special condition of this award.

SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

- 3. Quarterly Reporting for ARRA: Not later than 10 calendar days after the end of each calendar quarter, TEA and any other direct recipient of ARRA funds must report to the U.S. Department of Education with regard to recovery funds received in accordance with number 4 below (Section 1512[c]). (A "direct recipient" is a state agency or any entity that applies for and receives funds directly from a federal government agency.) TEA must obtain certain information from grantees in order to comply with this reporting requirement. By submitting this application, the grantee agrees to submit information to TEA in the time, form, and manner requested.
- 4. Data Elements for Quarterly Reporting for ARRA: In accordance with Section 1512(c) of ARRA and the Federal Funding Accountability and Transparency Act of 2006 (Public Law 109-282), TEA is required to provide quarterly reports to the U.S. Department of Education or through a central government-wide portal (http://www.FederalReporting.gov). The information adopted by OMB contains the following data elements: submitting this application, the grantee agrees to submit the information to TEA in the time, form, and manner requested. The information may change pending final adoption by OMB.

For each grant that equals or exceeds \$25,000 in total grant award amount:

- a. The grantee organization's DUNS number (TEA will need to collect this information from grantees)
- b. The grant award number (i.e., NOGA ID number) assigned by TEA (TEA will have this information on file)
- c. The legal name of the grantee organization (as registered in the Central Contractor Registration (CCR), if registered) (TEA will have this information on file provided it is the same legal name on file with TEA)
- d. The physical location (street address) (as listed in the CCR, if registered) (TEA will have this information on file provided it is the same street address on file with TEA)
- e. The (federal) Congressional district number
- f. The grantee organization type (i.e., independent school district, nonprofit organization, etc) (TEA will have this information on file)
- g. The total amount of the grant award (TEA will have this information on file)
- h. The total amount paid to the grantee as of date of report (TEA will have this information on file)
- i. The physical location (street address) of the primary place of performance of the grant (TEA will have this information on file provided it is the same address on file with TEA.)
- j. An evaluation (i.e., status report) of the completion status of the project or activity (for example, Not Started; Less than 50% Completed; Completed 50% or More; Fully Completed) (It is not clear at this time whether this information will need to be collected from the grantees. TEA will notify the grantee in the event status information needs to be collected.)
- k. An estimate of the number of jobs created and the number of jobs retained by the project or activity and a brief description of the types of those jobs (i.e., job titles) (TEA will need to collect this information from grantees.)
- I. The names and total compensation of the five most highly compensated officers of the grantee organization if the organization in its preceding year received 80% or more of its annual gross revenues in Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards and the public does not have access to information about the compensation of senior executives. (It is not known at this time whether this data element will be required once the data elements are finalized by OMB. If it is required in the final data elements, TEA will need to collect this information from the grantees.)

For grants that equal less than \$25,000 in total grant award amount or for grantees that in the previous tax year had gross income under \$300,000, amounts will be reported in the aggregate according to the following:

- a. The total number of grants awarded less than \$25,000 (TEA will have this information file)
- b. The total award (aggregate) amount for all grants less than \$25,000 (TEA will have this information on file)
- c. The total (aggregate) amount paid to grantees for all grants less than \$25,000 as of date of report (TEA will have this information on file)

TEXAS EDUCATION AGENCY SCHEDULE #6F PROGRAM-SPECIFIC PROVISIONS & ASSURANCES School Year 2010-2013 Texas Title I Priority Schools Grant

5. **Posting the Information on Public Website**: Not later than 30 days after the end of each calendar quarter, each federal agency, including the U.S. Department of Education, shall make the information in those reports publicly available by posting the information on the designated public website (Section 1512[d]). Grantees will not be required to post information on the public website unless they apply for and receive other ARRA grants directly from a federal government agency.

Once OMB adopts the final data reporting elements and TEA receives specific instructions for reporting, TEA will provide subsequent guidance to grantees related to required reporting information.

- H. Electronic Drawdown of ARRA Funds from TEA and Use of FAR Fund Codes: Recipients will draw down ARRA funds on an award-specific basis. Pooling of ARRA award funds with other funds for drawdown or other purposes is not permitted. Recipients must account for each ARRA award separately by referencing the assigned FAR (Financial Accounting and Resource) fund code for each award.
- I. Availability of Records: The applicant agrees to make all financial and programmatic records available in detail for inspection by TEA auditors, local independent auditors, and the offices described below.
- 1. **Examination of Records:** The Comptroller General of the United States and any of its employees, contractors, agents, representatives, or designees, may examine any records related to obligations and use by any state or local government of funds made available under ARRA. (Section 901[b]).
- 2. Access of Government Accountability Office (GAO): Each contract and each subcontract awarded using funds made available under ARRA shall provide that the Comptroller General of the United States and his representatives are authorized to examine any records of the contractor or any of its subcontractors, or any State or local agency administering such contract, that directly pertain to, and involve transactions relating to, the contract or subcontract and to interview any officer or employee of the contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions (Section 902).
- 3. Reviews by Inspector General: The inspector general of the U.S. Department of Education shall review, as appropriate, any concerns raised by the public about specific investments using funds made available in this Act. Any findings of such reviews shall be relayed immediately to the Secretary of Education. In addition, the findings of such reviews, along with any audits conducted by any inspector general of ARRA funds, shall be posted on the inspector general's website and linked to the recovery.gov website, except that portions of reports may be redacted to the extent the portions would disclose information that is protected from public disclosure under sections 552 and 552a of Title 5, United States Code (Section 1514).
- 4. Access of Offices of Inspector General to Certain Records and Employees: With respect to each contract or grant awarded using ARRA funds, any representative of an Inspector General of the U.S. Department of Education or other appropriate federal agency is authorized to examine any records of the contractor or grantee, any of its subcontractors or subgrantees, or any State or local agency administering such contract, that pertain to, and involve transactions relating to, the contract, subcontract, grant, or subgrant, and to interview any officer or employee of the contractor, grantee, subgrantee, or agency regarding such transactions (Section 1515).
- 5. **Recovery Accountability and Transparency Board:** Section 1521 of the ARRA establishes the Recovery Accountability and Transparency Board to coordinate and conduct oversight of ARRA funds to prevent fraud, waste, and abuse. The Board shall submit "flash reports" on potential management and funding problems that require immediate attention; quarterly reports; and annual reports to the President and Congress, including the Committees on Appropriations of the Senate and House of Representatives, summarizing the findings on the use of ARRA funds. The Board may conduct its own independent audits and reviews of ARRA funds. All reports shall be made publicly available on the www.recovery.gov website established by the Board. See paragraphs J and K below with regard to reports of suspected fraud or abuse (Sections 1523 and 1524).

- 6. Recovery Independent Advisory Panel: Section 1541 of the ARRA establishes the Recovery Independent Advisory Panel to make recommendations to the Recovery Accountability and Transparency Board on action the Board could take to prevent fraud, waste, and abuse relating to ARRA funds.
- J. Disclosure of Fraud or Misconduct: Each grantee awarded funds made available under the ARRA shall promptly refer to the USDE Office of Inspector General any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has submitted a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.
- **K. Protection for Whistleblowers**: Section 1553 of the ARRA provides protection for State and local government and contractor whistleblowers. Any employee of any employer receiving ARRA funds may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing, including a disclosure made in the ordinary course of an employee's duties, to the Recovery Accountability and Transparency Board, an inspector general, the U. S. Comptroller General, a member of Congress, a State or federal regulatory or law enforcement agency, a person with supervisory authority over the employee (or such other person working for the employer who has the authority to investigate, discover, or terminate misconduct), a court or grand jury, the head of a federal agency, or their representatives, information that the employee reasonably believes is evidence of (1) gross mismanagement of an agency contract or grant relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority related to the implementation or use of ARRA funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract), or grant, awarded or issued relating to ARRA funds. A person who believes that he or she has been subjected to a reprisal may submit a complaint regarding the reprisal to the inspector general for the appropriate federal agency (in most cases, the U.S. Department of Education).
- **L. Use of Funds:** The grantee agrees to comply with the applicable federal cost principles in the obligation and expenditure of ARRA funds as identified in the General Provisions and Assurances as well as other limitations or restrictions and expenditures identified therein. The grantee also agrees to the following:
- Consolidation of ARRA Administrative Funds: Due to the significant reporting requirements under ARRA, it is
 not known at this time whether grantees may consolidate ARRA administrative funds with other NCLB
 consolidated administrative funds. TEA will issue further guidance with regard to this provision once guidance is
 provided by the U.S. Department of Education. If ARRA funds are permitted to be consolidated with other NCLB
 consolidated administrative funds, grantees must still be able to report the types and number of jobs that were
 created or saved with ARRA funds.
- 2. **Combining ARRA funds on a Schoolwide Program.** ARRA funds are permitted to be used on a Title I Part A schoolwide Campus/Program, funds may be combined with other funding sources, but grantees still must be able to identify precisely the items of obligation and expenditure for ARRA reporting. You must also be able to report the types and number of jobs that were created or saved with ARRA funds.
- 3. **Special Contracting Provisions**: To the maximum extent possible, contracts funded under the ARRA shall be awarded as fixed-price contracts through the use of competitive procedures. A summary of any new contract awarded with ARRA funds that is not fixed-price and not awarded using competitive procedures shall be posted in a special section of the www.recovery.gov website established by the Recovery Accountability and Transparency Board (Section 1554).

PROGRAM-SPECIFIC PROVISIONS & ASSURANCES

TEXAS EDUCATION AGENCY

Standard Application System

School Year 2010-2013

108912

County-District No.

Texas Title I Priority Schools Grant

- Use of Funds for Certain Expenditures Prohibited: ARRA funds shall not be used for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool (Section 1604).
- 5. **Use of Funds for Construction Prohibited:** Unless specifically authorized in the applicable program statute, regulations, guidelines, Request for Application (RFA), TEA Standard Application System (SAS), the approved grant application, or other written authorization, none of the ARRA additional formula funds shall be used for construction, remodeling, or renovation.
- 6. **Buy American Use of American Iron, Steel, and Manufactured Goods:** If construction is allowed and approved pursuant to the previous paragraph pertaining to "Use of Funds for Construction Prohibited", none of the funds may be used for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States unless waived by the Secretary of Education (Section 1605).
- 7. Wage Rate Requirements for Contracted Laborers and Mechanics—Compliance with the Davis-Bacon Act: Subject to further clarification issued by the Office of Management and Budget, and notwithstanding any other provision of law and in a manner consistent with other provisions of ARRA, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this award shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and section 3145 of title 40, United States Code (Section 1606).
- M. Compliance with OMB Circular A-133 Audits and Schedule of Expenditures of Federal Awards: Grantees agree to separately identify the expenditures for each grant award funded under ARRA as required by Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" and to comply with all other provisions of the Single Audit Act and OMB Circular A-133.

The signing of Schedule #1 - General Information by applicant indicates acceptance of and compliance with all requirements described on this schedule
