Study Profile: STAAR Algebra II - ACCUPLACER Algebra ( $\star \star \star \boldsymbol{*} \star \boldsymbol{*}$ )
The STAAR Algebra II - ACCUPLACER Algebra external validity study is designed to establish empirical links between performance on the STAAR Algebra II assessment and performance on the ACCUPLACER algebra test.

## Motivation $(* * * * *)$

This analysis was based on a single group of students who took both the STAAR Algebra II and the ACCUPLACER algebra assessments in 2010 or 2011. Data from STAAR derive from a stand-alone field test administered in 2010 and a low-stakes operational administration in 2011 and are linked to motivated ACCUPLACER algebra scores in corresponding years.

## Grade Levels

All Algebra II Examinees Versus Those Linked to ACCUPLACER Scores

| Group | Grade 8 | Grade 9 |  | Grade 10 |  | Grade 11 |  | Grade 12 |  | Missing | Total |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| All Algebra II | 32 | $0 \%$ | 2,781 | $3 \%$ | 32,956 | $31 \%$ | 53,140 | $50 \%$ | 16,414 | $16 \%$ | 8 | $0 \%$ | $\mathbf{1 0 5 , 3 3 1}$ |
| Linked | 0 | $0 \%$ | 11 | $0 \%$ | 554 | $22 \%$ | 1,249 | $49 \%$ | 750 | $29 \%$ | 0 | $0 \%$ | $\mathbf{2 , 5 6 4}$ |

## Demographic Characteristics

All Algebra II Examinees Versus Those Linked to ACCUPLACER Scores

| Group | Female | Economically <br> Disadvantaged |  | African American | Hispanic | White | Other |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  | $50 \%$ | 45,360 |  |  |  |  | $43 \%$ | 41,239 | $39 \%$ | 5,837 |
| Linked | 1,371 | $53 \%$ | 1,209 | $47 \%$ | 307 | $12 \%$ | 1,224 | $48 \%$ | 979 | $38 \%$ | 54 |

Summary of STAAR Algebra II and ACCUPLACER Achievement
Linked and Unlinked Groups

Average ACCUPLACER Scores Based on Students' STAAR Performance

| Satisfactory Academic Performance | Advanced Academic Performance |
| :---: | :---: |
| 83 | 102 |

Correlation ( $\star \star \Delta \vec{*}\rangle \vec{*}$ )
Correlation between STAAR Algebra II and ACCUPLACER Algebra $=\mathbf{0 . 5 6}$

There is minimal (approximately 5\%) content/skills overlap between the STAAR Algebra II assessment and the ACCUPLACER algebra test.

Assessment Characteristics

| Assessment Characteristic | STAAR Algebra II | ACCUPLACER Algebra |
| :---: | :---: | :---: |
| Purpose | Created to determine mastery of the Algebra II Texas Essential Knowledge and Skills (TEKS), the state-mandated curriculum | Under the Texas Success Initiative, the ACCUPLACER test is used to measure academic skills of students enrolling in Texas institutions of higher education to determine class placement. |
| Assessment Type | A criterion-referenced assessment | A criterion-referenced assessment |
| Content | Measures properties and attributes of functions, representational tools to solve problems, properties of quadratic functions, representations of quadratic relations, properties of square root functions, properties of rational functions, and properties of exponential and logarithmic functions | Measures operations with integers and rational numbers; operations with algebraic expressions; and the solutions of equations, inequalities, and word problems <br> There is minimal (approximately 5\%) content/skills overlap between the STAAR Algebra II assessment and the ACCUPLACER algebra test. |
| Item Format | 50 items total: 45 multiple-choice items and 5 gridded-response items | 12 multiple-choice questions; multiple choice items are computeradaptive for the online version |
| Administration | - Administered in May, July, and December <br> - Administered online and on paper <br> - Administered by trained school personnel <br> - 4 hour time limit | - Administered on a schedule determined by colleges and universities <br> - Administered by colleges and universities <br> - Administered online: computer-adaptive test <br> - The test is untimed |
| Performance Standards | Performance standards will be established and implemented in spring 2012 | The passing score for the ACCUPLACER algebra assessment under the Texas Success Initiative is a scale score of 63. |
