

## 2016 Teacher Training Reimbursement Campus/District Application

**School District:** 

Note to Responsible Party: The inclusion of any teacher on this Teacher Training Reimbursement (TTR) Application is your certification that the training the individual attended is appropriately aligned to the course the individual is teaching. Teachers may only be reimbursed for training designed to prepare them to teach the specific course they are teaching. Teachers who teach multiple courses or attend multiple trainings are only eligible for one reimbursement.

\*Advanced Placement (AP) indicates that the College Board has approved this course through the College Board audit process.

\*\*International Baccalaureate (IB) indicates that the campus is an authorized IB school.

\*\*\*Pre-AP/IB indicates a course that a) goes beyond the TEKS in depth and complexity; b) is appropriately rigorous to prepare students to be successful in AP/IB courses; and c) is part of a vertically-aligned series of courses that ends with a specific AP or IB course (i.e. a Pre-AP English course that leads directly to AP Language and Composition). For the purpose of eligibility for this program, the name the district uses to d these courses is not a factor.
