Development and implementation timelines are subject to board and legislative action. Projections more than two years out are especially tentative. This table will continue to be updated as certificates are established and new exams are developed.

1. **Pedagogy & Professional Responsibilities (PPR) Requirements:** Candidates receiving a first Texas certificate for a classroom teaching area must pass a PPR examination in addition to the content test(s) required. Candidates adding a supplemental certificate to an existing certificate, certifying in additional areas by examination, or certifying in non-teaching areas like Principal or School Librarian do not need another PPR exam.
2. **Generalist Tests Update:** The generalist tests (111, 119, 120, 191, 192, 193) ended 08/31/15. Unlike other tests, candidates will have until 08/31/17 to finish certification requirements and until 10/30/17 to apply and be recommended for certification.
3. **Certificates Scheduled for Deletion:** Generally, if a certificate is scheduled for deletion, the examination will cease to be given at the end of an academic year (August 31 or last administration); the deadline to complete requirements such as other testing, coursework, and internships/student teaching will be August 31 of the NEXT academic year, and the deadline to apply and be recommended will be 60 days later (October 30).
