Chapter 232. General Certification Provisions

Subchapter A. Certificate Renewal and Continuing Professional Education Requirements

§232.9. Inactive Status and Late Renewal.

(a) The certificate(s) of an educator holding a valid standard certificate who does not satisfy the requirements of this subchapter shall be placed on inactive status, subject to the requirements of the Texas Education Code, §21.0031(f). Texas Education Agency (TEA) staff shall notify a person by email of the reason(s) for denying the renewal and the actions or conditions required for removal from inactive status. At any time, the educator may apply to have his or her certificate(s) reactivated and submit the reactivation fee. The TEA staff shall administratively approve reactivation of the educator's certificate(s) subject to verification that the educator is in compliance with §232.7 of this title (relating to Requirements for Certificate Renewal). The renewal date of a reactivated certificate(s) shall be five years after the last day of the certificate holder's next birth month.

(b) A person who satisfies all requirements for renewal prior to the certificate expiration date and submits an application no more than six months after the [~~renewal~~] expiration date of a certificate shall pay a late renewal fee in addition to the standard renewal fee. The certificate status will be set to valid, and the effective date of the certificate will be the day after the prior expiration date. A person whose certificate has become inactive longer than six months after the expiration date because of failure to renew shall pay a late renewal fee in addition to the standard renewal fee and also pay a reactivation fee. The certificate status will be set to valid, and the effective date of the certificate will be the date the educator completed continuing professional education (CPE) hours, provided it is not more than 60 days prior to the date of the application. If the application is submitted more than 60 days after CPE hours were completed, the effective date will be 60 days prior to the date of the application. The amount of these fees shall be as provided in §230.101 of this title (relating to Schedule of Fees for Certification Services).

(c) If a person does not satisfy the required CPE [~~continuing professional education (CPE)~~] hours at the expiration of the renewal period, the person may have the certificate(s) removed from inactive status and reactivated by verifying through an affidavit whether he or she is in compliance with renewal requirements, including CPE hours, and paying any applicable fee(s).

(d) The TEA staff shall be responsible for auditing compliance with renewal requirements. The TEA audit procedures shall be based on available resources and may include random audits. The TEA staff shall contact an educator selected for an audit of his or her renewal requirements and provide the educator with information needed to submit the documentation that supports certificate renewal. The TEA staff at any time may review the documentation required for renewal under this subchapter, which may include the documentation described in §232.15 of this title (relating to Types of Acceptable Continuing Professional Education Activities) and §232.21 of this title (relating to Provider Registration Requirements).
