A-F Accountability: How It Was Designed

“The commissioner shall evaluate school district and campus performance and assign each district and campus an overall performance rating of”

A = Exemplary Performance
B = Recognized Performance
C = Acceptable Performance
D = In Need of Improvement
F = Unacceptable Performance

84th Legislature

85th Legislature

HB 2804

HB 22

84th Legislature

85th Legislature
Accountability Rating Labels

2018

- Districts: A, B, C, D, or F
- Campuses: Met Standard/Met Alternative Standard or Improvement Required

2019

- Districts: A, B, C, D, or F
- Campuses: A, B, C, D, or F
Overview of the Accountability System

**Student Achievement** evaluates performance across all subjects for all students, on both general and alternate assessments; College, Career, and Military Readiness (CCMR) indicators; and graduation rates.

**School Progress** measures district and campus outcomes in two areas: the students that grew at least one year academically (or are on track) as measured by STAAR results and the achievement of all students relative to districts or campuses with similar economically disadvantaged percentages.

**Closing the Gaps** uses disaggregated data to demonstrate differentials among racial/ethnic groups, socioeconomic backgrounds and other factors. The indicators included in this domain, as well as the domain’s construction, align the state accountability system with the Every Student Succeeds Act (ESSA).
Overview of the Accountability System

This design reflects a commitment:

• to recognize high student achievement and

• to recognize the impact of highly effective educators,

• while maintaining focus on the students most in need.
Three Domains: Calculating an Overall Accountability Rating

Districts and campuses receive an overall rating, as well as a rating for each domain.

- **A** = scaled score 90–100
- **B** = scaled score 80–89
- **C** = scaled score 70–79
- **D** = scaled score 60–69
- **F** = scaled score ≤59
Student Achievement Domain

Understanding the School Progress Domain
Wed, July 10 at 1:00 PM

Understanding the Closing the Gaps Domain
Wed, August 7 at 1:00 PM
Student Achievement Domain: Calculating a Score

- **100% STAAR**
  - Elementary Schools

- **100% STAAR**
  - Middle Schools

- **40% STAAR**
  - **40%** College, Career, Military Ready (CCMR)
  - **20%** Graduation Rates
  - High Schools, K–12, and Districts
Student Achievement Domain: STAAR Component

- Includes STAAR grades 3-8 and end-of-course assessments
  - STAAR (with and without accommodations)
  - STAAR Alternate 2
- All subjects are combined.
- English learners (EL) in their first year in U.S. schools are excluded.
- ELs in their second year in U.S. schools are included using the EL performance measure.
- Qualifying results on substitute assessments are included at the Meets Grade Level standard.
Student Achievement Domain: STAAR Component

- Student Achievement evaluates three performance levels:
  - Approaches Grade Level
  - Meets Grade Level
  - Masters Grade Level
Student Achievement Domain: STAAR Performance Labels

- **MASTERS GRADE LEVEL**: Performance in this category indicates that students are expected to succeed in the next grade or course with little or no academic intervention. Students in this category demonstrate the ability to think critically and apply the assessed knowledge and skills in varied contexts, both familiar and unfamiliar.

- **MEETS GRADE LEVEL**: Performance in this category indicates that students have a high likelihood of success in the next grade or course but may still need some short-term, targeted academic intervention. Students in this category generally demonstrate the ability to think critically and apply the assessed knowledge and skills in familiar contexts.

- **APPROACHES GRADE LEVEL**: Performance in this category indicates that students are likely to succeed in the next grade or course with targeted academic intervention. Students in this category generally demonstrate the ability to apply the assessed knowledge and skills in familiar contexts.

- **DID NOT MEET GRADE LEVEL**: Performance in this category indicates that students are unlikely to succeed in the next grade or course without significant, ongoing academic intervention. Students in this category do not demonstrate a sufficient understanding of the assessed knowledge and skills.
Student Achievement Domain: STAAR Component

- Approaches Grade Level and Meets Grade Level are required by HB 22.
- Masters Grade Level standard encourages districts and campuses to push high performing students to further excel.
- The average of the three levels is comparable to the percentage of students who achieve the Meets Grade Level standard.
**Student Achievement Domain: STAAR Example**

Student Achievement Domain: Scaling

- In order to align letter grades and scores used in the A–F academic accountability system to the common conception of letter grades, raw domain and component scores are adjusted to scaled scores.
- The methodology and formulas for scaling domains and components are provided in the 2019 Accountability Manual.
- A scaling tool will be available at https://tea.texas.gov/2019Accountability.aspx
- For elementary and middle schools, STAAR comprises 100% of the domain score.
  
  - Elementary example: A 36 component score scales to a 62 (D) for the Student Achievement domain.
  - High School example: A 36 component score scales to a 62 for the STAAR component.
College, Career, and Military Readiness (CCMR)
**College Ready**

- Meet criteria of 3 on AP or 4 on IB examinations
- Meet TSI criteria (SAT/ACT/TSIA/College Prep course) in reading and mathematics
- Complete a course for dual credit (9 hours or more in any subject or 3 hours or more in ELAR/mathematics)
- Earn an associate’s degree
- Complete an OnRamps course in any subject and earn college credit*

**Military Ready**

Enlist in the United States Armed Forces

**Career Ready**

- Earn an industry-based certification
- CTE coherent sequence coursework completion and credit aligned with approved industry-based certifications (one-half point credit)
- Graduate with completed IEP and workforce readiness (graduation type codes 04, 05, 54, or 55)
- Earn a Level I or Level II certificate*
- Graduate under an advanced degree plan and be identified as a current special education student*

*n new for 2019*

*For the small percentage of students who took the SAT examination prior to March 2016, their scores were converted to corresponding scores on the redesigned SAT using College Board’s concordance tables.*
CTE and Industry-Based Certifications

- The updated list of industry-based certifications is scheduled to go into effect for the 2019–20 school year and will apply to accountability ratings in **August 2021**.

- To view the updated list, visit: [https://tea.texas.gov/cte/](https://tea.texas.gov/cte/)

- Additionally, the list of CTE courses aligned with an industry-based certification will include 19 additional courses by which a CTE coherent sequence graduate may earn 0.5 credit toward CCMR.

- To view the updated list of aligned CTE courses, visit: [https://tea.texas.gov/2019AccountabilityDevelopment/](https://tea.texas.gov/2019AccountabilityDevelopment/)
Level I and Level II Certificates

- Level I and Level II certificates are awarded by an institution of higher education (IHE) certifying the satisfactory completion of a higher education program.

- Level I certificates are awarded for completing a program consisting of at least 15 and no more than 42 semester credit hours.

- Level II certificates are awarded for completing a program of at least 30 but not more than 51 semester credit hours.
Special Education Specific CCMR Indicators

- Graduate with completed IEP and workforce readiness (graduation type codes 04, 05, 54, or 55)

</tr>
</tbody>
</table>

The following codes will apply only to students receiving special education services and graduating on the Minimum High School Program under TAC Chapter 74 with curriculum content modifications through the student’s individualized education program (IEP).

- **04** Completion Of IEP And Full-Time Employment With Sufficient Self-Help Skills To Maintain Employment Without Public School Services
  TAC §89.1070(f)(3)(A), revised January 1, 2015 [39 TexReg 10446].

- **05** Completion Of IEP And Demonstrated Mastery Of Specific Employability And Self-Help Skills That Do Not Require Public School Services
  TAC §89.1070(f)(3)(B), revised January 1, 2015 [39 TexReg 10446].
- Graduate with completed IEP and workforce readiness (graduation type codes 04, 05, 54, or 55)

The following codes will apply only to students receiving special education services on the Foundation High School Program under TAC Chapter 74 with curriculum content modifications through the student’s individualized education program (IEP).

54 Completion Of IEP And Full-Time Employment With Sufficient Self-Help Skills To Maintain Employment Without Public School Services TAC §89.1070(b)(2)(A), effective January 1, 2015 [39 TexReg 10446]

55 Completion Of IEP And Demonstrated Mastery Of Specific Employability And Self-Help Skills That Do Not Require Public School Services TAC §89.1070(b)(2)(B), effective January 1, 2015 [39 TexReg 10446]
Special Education Specific CCMR Indicators

- Graduate under an advanced degree plan and be identified as a current special education student
  - Identified as receiving special education services in school year of graduation
  - Identified as receiving a Recommended High School Plan (RHSP), Distinguished Achievement Plan (DAP), Foundation High School Plan with an Endorsement (FHSP-E), Foundation High School Plan with Distinguished Level of Achievement (FHSP-DLA)
OnRamps Credit in CCMR Components

- OnRamps is an innovative dual enrollment and professional development initiative led by the University of Texas at Austin.

- All OnRamps courses are part of the university's core curriculum, guaranteed to transfer to any other public college or university in Texas.

- The OnRamps program provides the agency with OnRamps dual-enrollment course completion data that is used in accountability calculations.

- CCMR credit will be awarded for successful course completion and eligibility for college credit hours without regard to whether the student accepted the credit hours.
## CTE and Industry-Based Certifications

<table>
<thead>
<tr>
<th>CTE Coherent Sequence Coursework Transition</th>
<th>Accountability Years</th>

</thead>
<tbody>
<tr>
<td>CCMR Indicator</td>
<td>2019 and 2020 2021 and Beyond</td>
</tr>
<tr>
<td>CTE coherent sequence graduates who complete and receive credit for at least one aligned CTE course</td>
<td>½ point</td>
</tr>
<tr>
<td>Earn an industry-based certification</td>
<td>1 point 1 point</td>
</tr>
</tbody>
</table>
CCMR Indicators for HS, K–12, and Districts: Methodology

CCMR

- One point is given for each annual graduate who accomplishes any one of the CCMR indicators, except for CTE coherent sequence graduates.

- One-half point is given for each CTE coherent sequence graduate who completes coursework aligned to the approved list of industry-based certifications.*

Number of Graduates Who Accomplish Any One of the CCMR Indicators

Number of 2018 Annual Graduates

*This is for graduates who meet no other CCMR indicator.
## Example Calculation: CCMR

<table>
<thead>
