Companion Document

Does the student require ongoing adult assistance to initiate, perform, and complete self-care routines?

Ongoing adult assistance includes prompting, cueing, and physical assist. The student's requirement of adult assistance is NOT due to a physical disability alone but rather to the student's significant cognitive disability. Self-care routines include, but are not limited to, feeding, dressing, toileting, and personal hygiene. The ARD committee should consider all areas of self-care to determine if the student requires adult assistance because he or she has not mastered self-care routines.
