

STAAR Alternate Performance Labels and Policy Definitions

Level III: Accomplished Academic Performance

Performance in this category indicates that students are well prepared for the assessment tasks in the next grade or course with instructional supports for accessing the curriculum through prerequisite skills. They demonstrate consistent understanding of the knowledge and skills by generalizing the skills to a different context. Students in this category have a high likelihood of showing progress and generalization of knowledge for the assessment tasks at the next grade or course with supports.

Level II: Satisfactory Academic Performance

Performance in this category indicates that students are sufficiently prepared for the assessment tasks in the next grade or course with instructional supports for accessing the curriculum through prerequisite skills. They demonstrate sufficient understanding of the knowledge and skills that are linked to content measured at this grade or course. Performance on the tested skills required little or no cueing. Students in this category have a reasonable likelihood of showing progress for the assessment tasks at the next grade or course with continued supports.

Level I: Developing Academic Performance

Performance in this category indicates that students are insufficiently prepared for the assessment tasks at the next grade or course even with instructional supports for accessing the curriculum through prerequisite skills. They demonstrate insufficient knowledge and skills that are linked to content measured at this grade or course. Performance on the tested skills required cueing and prompting. Students in this category are in need of significant intervention in addition to continued supports to show progress for the assessment tasks at the next grade or course.
