Student Coding

McKinney-Vento Student Coding

Student eligibility for McKinney-Vento services should be assessed annually

McKinney-Vento eligible students should be coded at the time of identification

Identification and coding is for the current school year

McKinney-Vento coding does not carry over from year-to-year

TSDS PEIMS Homeless Status Codes

Code Table Id	Name	XML Name	Date Issued	Date Updated
C189	HOMELESS-STATUS-CODE	TX-HomelessStatusType	03/01/2012	3/1/2017
Code	Translation			
0	Student is not homeless at any time during current school year			
2	Student lives temporarily doubled-up (sharing residence with a family or individual) at any time during current school year: Doubled-Up (e.g., living with another family) is defined as sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason. This classification requires a case-by-case determination.			
3	Student is unsheltered (i.e, lives on the street, lives in cars, parks, campgrounds, temporary trailers [including FEMA trailers], or abandoned buildings) at any time during current school year: Unsheltered is defined as a nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. It includes such places as cars, parks, campgrounds (if they live there because they lack an alternative accommodation), temporary trailers (if they live there because they lack an alternative accommodation), abandoned buildings, and substandard housing. Substandard housing may be determined by local building codes, community norms, and/or a case-by-case determination as to whether the accommodation is a “fixed, regular, and adequate nighttime residence.”			
4	Student lives in motel or hotel at any time during current school year: Students who stay at a motel or hotel are considered homeless if they reside there because they have lost their housing, lack an alternative accommodation, and do not have a “fixed, regular, and adequate nighttime residence.”			
5	Student lives in a shelter , transitional housing at any time during current school year: Shelters are defined as supervised publicly or privately operated facilities designed to provide temporary living accommodations. The shelters category for homeless students includes emergency shelters, family shelters, domestic violence shelters, youth shelters, and transitional housing programs. The shelters category for homeless students does not include residential treatment facilities, Title I Neglected or Delinquent facilities, or TJJD facilities.

4	Homeless student is not in the physical custody of a parent or legal guardian (i.e., homeless student is unaccompanied) at any time during the school year.			

Notification of McKinney-Vento Student Eligibility

McKinney-Vento Liaisons should implement processes and procedures to ensure all identified McKinney-Vento students have been coded for all appropriate services in a timely manner by:

Providing registrars or other designated contacts an email notification with the appropriate “homeless status” and “At-Risk” indicator code in TSDS PEIMS

Informing designated Food Services contacts to code all eligible students for “free meal” status

Review Accuracy of McKinney-Vento Coding

- Develop, review, and monitor program reports to ensure accurate and timely coding of:
 - Student eligibility criteria
 - Date of qualification
 - At-Risk status
 - Unaccompanied Youth status (if applicable)
- Review McKinney-Vento program reports to monitor student enrollment, coding, and services on a regular basis.
- Develop processes and procedures to address and correct any coding errors throughout the school year.

McKinney-Vento Transportation

Transportation Requirements for all LEAs

Transportation must be provided to and from the school of origin at the request of the parent or guardian, or, in the case of an unaccompanied youth, at the request of the local liaison [42 U.S.C. § 11432 (g) (1)(J)(iii)].

- Students experiencing homelessness are eligible for school of origin transportation
- Collaboration must occur between LEAs to arrange transportation
- LEAs must agree on a method to share the responsibility and costs

Best Interest Determination

- Presume that keeping a child or youth in their School of Origin is in the child's or youth's best interest, except when doing so is contrary to the request of the parent, guardian, or unaccompanied youth.
- Consider student-centered factors related to the child's or youth's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the parent guardian, or unaccompanied youth. [42 U.S.C. § 11432(g)(3)(b)]

Duration of School of Origin Rights

Homeless children and youth have the right to attend their School of Origin for the duration of homelessness:

- In any case in which a family becomes homeless between academic years or during an academic year.
- For the remainder of the academic year, if the child or youth becomes permanently housed during an academic year.

[41 U.S.C. § 11432(g)(3)(A)(i)(II)]

School of Origin Considerations

LEA Strategies to Support School of Origin Services

- Develop LEA policies and procedures to support implementation of School of Origin transportation services
- Partner with neighboring LEAs to coordinate out of district transportation services
- Monitor transportation services regularly to ensure continuity of services
- Provide busing information and any new student or family contact information to the appropriate campus and LEA contact

- At any time since you turned age 13, were both your parents deceased, were you in foster care, or were you a dependent or ward of the court?
- Has it been decided by a court in your state of legal residence that you are an emancipated minor or that someone other than your parent or stepparent has legal guardianship of you? (You also should answer “Yes” if you are now an adult but were in legal guardianship or were an emancipated minor immediately before you reached the age of being an adult in your state. Answer “No” if the court papers say “custody” rather than “guardianship.”)
- At any time on or after July 1, 2022, were you determined to be an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless, as determined by (a) your high school or district homeless liaison, (b) the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development, or (c) the director of a runaway or homeless youth basic center or transitional living program? **

FAFSA and McKinney-Vento (cont.)

Notes for questions 55–57 (page 5)

Answer **“Yes”** if you received a determination at any time on or after **July 1, 2022**, that you were an unaccompanied youth who was **homeless** or at risk of being homeless.

- **“Homeless”** means lacking fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide a place to live.
- **“Unaccompanied”** means you are not living in the physical custody of your parent or guardian.

Answer **“No”** if you are not homeless or at risk of being homeless, or do not have a determination. However, even if you answer **“No”** to each of questions 55, 56, and 57, you should contact the financial aid administrator at the college you plan to attend if you are either (1) homeless and unaccompanied or (2) at risk of being homeless, unaccompanied, and providing for your own living expenses - as your college financial aid office can determine that you are “homeless” and are not required to provide parental information.

The financial aid administrator at your college may require you to provide a copy of the determination if you answered **“Yes”** to any of these questions.

Dispute Resolution

McKinney-Vento Dispute Resolution Process for Eligibility, Enrollment, and School Selection

Each LEA has local policies and procedures to address disputes or complaints.

This is a three-tiered process.

1. McKinney-Vento Liaison

2. LEA or Campus Leadership

3. Superintendent or School Board

Dispute Resolution Process

McKinney-Vento liaison must provide the parent, guardian or unaccompanied youth a written notice including:

- an explanation of the decision regarding eligibility, school selection, or enrollment, and
- the right of the parent, guardian, or unaccompanied youth to appeal or dispute the decision.

Dispute Resolution Process Cont.

Once the enrollment decision is made, the LEA's McKinney-Vento Liaison will ensure that the notice:

- Includes an explanation of the reasons for the determination
- Includes a description of the appeals process, appeal timelines, and information on how and to whom to appeal the decision
- Is provided to the parent, guardian, or unaccompanied youth promptly in a way that is understandable

TEA McKinney-Vento Dispute Resolution Process and FAQ Resources

- If a dispute is not resolved locally, a complaint may then be filed with TEA.
- Only disputes that have gone through all three levels of the local dispute process will be reviewed by TEA.
- TEA's decisions regarding McKinney-Vento disputes are final.

Exhibit A—Dispute of Eligibility, School Selection, or Enrollment Under the McKinney-Vento Homeless Assistance Act

Note: This form is for use to initiate the dispute resolution process required by the McKinney-Vento Homeless Assistance Act when the parent, guardian, or unaccompanied youth disagrees with the [District's](#) eligibility, school selection, or enrollment decision.

District policy requires the parent, guardian, or unaccompanied youth to use the dispute resolution process set out in FNG(LOCAL), beginning at Level Two. [See FDC(EXHIBIT—B) for the Notice of Parent and Student Rights in the McKinney-Vento Enrollment Dispute Resolution Process.] Filling out this form is the first step in that process. Informal resolution is encouraged but does not extend any deadlines in FNG(LOCAL), except by mutual written consent.

To file a formal dispute under the McKinney-Vento Homeless Assistance Act ("Act"), please fill out this form completely and submit it by hand-delivery, email, or U.S. Mail to the principal or the [District's](#) liaison for homeless students. District policy typically requires dispute forms to be filed within 15 District business days of receiving the written explanation of the [District's](#) decision. However, because the Act's dispute process should be expedited whenever possible, TEA recommends that you submit the form as soon as possible, preferably within ten District business days of receiving the written explanation of the [District's](#) decision. If a dispute arises over school selection or enrollment in a school, the child shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute. The student will remain attending the school where enrollment is sought during the entire dispute resolution process.

If you need assistance filling out this form or if you have other questions, please contact the liaison for homeless students.

(EXHIBIT)

Exhibit B—Notice of Parent and Student Rights in the McKinney-Vento Enrollment Dispute Resolution Process

This document provides school district personnel with information regarding McKinney-Vento Dispute Resolution procedures, including local and state expectations for processing a dispute. It should be used in conjunction with a district's policies and procedures addressing McKinney-Vento, including the district's local policy on homeless students at FDC(LOCAL), the district's McKinney-Vento Dispute Resolution Form at FDC(EXHIBIT), and the district's local policy on student and parent complaints at FNG(LOCAL). McKinney-Vento disputes should be expedited and resolved promptly to meet federal requirements. Districts have a responsibility to ensure that local timelines in the district's complaint policies are expedited, whenever possible, to meet the Texas Education Agency's (TEA) expectation of prompt dispute resolution. This document is the result of collaboration between TEA and the Texas Association of School Boards.

The McKinney-Vento Homeless Assistance Act ("Act") provides important protections and rights for homeless children and unaccompanied homeless youth. The Act provides direction for districts when disputes occur regarding student eligibility, school selection, or enrollment. This document only addresses disputes regarding eligibility, school selection, or enrollment, since those are the only issues subject to the dispute resolution provisions of the Act. [See FNG(LOCAL) for all other disputes regarding homeless students.]

This document provides information about the dispute resolution process should the parent, guardian, or an unaccompanied youth disagree with a district's determination of eligibility, school selection, or enrollment. Upon dispute of eligibility, school selection, or enrollment, a school district must immediately enroll a homeless child in the school of origin, unless the parent, guardian, or unaccompanied youth selects the school located in the attendance zone where the student temporarily resides. In determining the best interest of the child, the district shall presume that keeping the student in his or her school of origin is in the student's best interest, except when doing so is contrary to the request of the parent, guardian, or unaccompanied youth. The district shall also consider the impact of moving schools on achievement, education, health, and safety. In addition the district must provide transportation to and from the school of origin. The student shall remain attending the school in which enrollment is sought, pending final resolution of the dispute, including all available appeals.

Who at the district makes the eligibility, school selection, or enrollment decision?

A district's enrollment staff will gather and analyze information from the parent, guardian, or unaccompanied youth and make a determination of eligibility.

What type of notice will the parent, guardian, or an unaccompanied youth receive about a district's enrollment decision if the district determines that the student is not eligible for enrollment?

The district must provide the parent, guardian, or unaccompanied youth with a written notice that includes an explanation of the decision regarding eligibility, school selection, or enrollment, and the right of the parent, guardian, or unaccompanied youth to appeal or dispute the decision.

Homeless Student Identification Data

Every LEA must identify students experiencing homelessness within their district. This process must be done regularly and in a way that is auditable. In Texas, most districts choose to use a student residency questionnaire to help determine whether or not students qualify as homeless under the McKinney-Vento Act.
