00:12:21 rruvalcaba: Link from last recording and future recordings <https://tea.texas.gov/academics/special-student-populations/gifted-and-talented-education/gifted-talented-education>

00:13:51 rruvalcaba: Lisa, from the last TEA meeting, it was asked that District codes be in by October PEIMS coding

00:27:39 jtorres: Monica will the new Admin training be focused heavily on service design and curriculum?

00:29:36 Donna Hodge: Are we saying that all campus administrators who evaluate teachers that are offering GT services need their 30 hours?

00:30:59 wadleighl: When will the administrator training be available?

00:31:12 mjchrzan: Will districts get an outline of the administrator training?

00:31:27 awood: Will Instructional coaches need this training as well?

00:31:35 lpustejovsky: Administrator training is now annually or just one time?

00:31:46 Derek: Is it a 6 hour GT update every year? Or a one time update?

00:32:02 Derek: Thanks :)

00:32:15 phammer: I have a PEIMS question. When selecting the GT Program for each campus is there any correlation with the teacher 30 hour and 6 hour update training for the program?

00:32:32 sarah.king: Wait - 6 hour update for administrators is a one-time thing (from the state?)

00:32:50 Donna Hodge: Will the administrator training be available online in the spring? Through TEA or Regions?

00:35:26 Meredith Austin (Humble ISD): Should 1.8 serve as a guideline and/or be included with the Use of Funds local policy?

00:35:47 Nancy Galle, ESC 14: Would a high school pull out use code 01?

00:36:36 Donna Hodge: September 30th...

00:37:15 TWILCOX: Who determines the deadline for the PD hours? Is this a state or district policy?

00:37:15 Donna Hodge: We have given till the end of the year for updates due to new teachers and training opportunities tied to instruction.

00:38:46 Meredith Austin (Humble ISD): 👍

00:44:01 Michelle Swain: Nomination should be changed to referral

00:44:20 mandy.turner: Will there be Spanish versions?

00:44:58 sarah.king: This website looks great! Thanks for all the hard work it took to make this.

00:46:55 TeresaFrancis: VIETNAMESE!!!

00:47:05 Nancy Galle, ESC 14: 2.29 Any examples to share?

00:48:56 TWILCOX: Thanks for the development of the resource site with sample forms.

00:51:19 Diana Wood: I am new to GT coordinating. I could really use some help finding trainings on how to administer the screening tests to our students. All I've gotten is "read the handbook" Is that all we need to do? I start screening Kindergarten in January and would appreciate guidance on this area. (sorry if this isn't the right forum)

00:52:07 Raine: Many people had questions about 2.15 on annual testing. Has this been clarified or re-addressed since the last meeting? Referrals are beginning soon and we really need a definitive answer

00:53:17 phammer: At the last Zoom meeting you mentioned a statement about ID and Assessment coming from you. Has this been shared?

00:54:05 Kellie Flowers: Thanks for the resource page! I think these zoom meeting are a great way to keep us informed and in touch.

00:54:25 Diana Wood: NNAT CAT and a creativity (complete the drawing test)

00:54:29 TeresaFrancis: Diana- I have some videos we made last year training my teachers to administer the CogAT. send me your email, and I will share them.

00:54:46 Nancy Galle, ESC 14: 2.5 Awareness sessions - could this be done through a video or powerpoint shared on website, school app, etc? Rural school dilemma.

00:54:53 dleach: We are using Raven Colored Progressive Matrices in Santa Fe ISD as a kindergarten screener. It is a complete non-verbal test.

00:55:14 Crystal Mueller: Teresa - May I have them as well?

00:55:40 sarah.king: TeresaFrancis - I would love to see those too!

00:57:32 scardiff: If we are using CoGAT, SAGES, parent/teacher inventories - is that enough? Does everyone give the NNA or CoGAT to all students?

00:58:01 sarah.king: If administrstors took their 30 hours, do they still have to do the admin 6 hour training?

00:58:17 Aavina-ESC19: Region 19: 2 in attendance

00:58:34 Aavina-ESC19: Thank you monica! :)
