To streamline enrollment and clarify expectations regarding the PEIMS indicator code, identifying students in foster care and acceptable documentation TEA developed the guidance below. Please ensure that Campus Administrators, PEIMS Coordinators, Foster Care Liaisons, Registrars, Counselors, and other personnel who develop and support enrollment processes are informed.

**Defining “foster care” for PEIMS:** The general term “foster care” for education purposes includes all students in the managing conservatorship (legal custody) of the Texas Department of Family and Protective Services (DFPS).

- This includes students placed by DFPS with a Kinship caregiver, when the child remains in the legal custody of Texas DFPS.¹
- The Texas Legislature only granted TEA permission to collect the “foster care” status of students in Texas DFPS Managing Conservatorship, therefore student’s from another state’s foster care system and students who are identified as Unaccompanied Refugee Minors (URM) living in Texas, although both may be considered in “foster care” should not be coded for the purpose of PEIMS.

**Acceptable Documentation for PEIMS:** Schools may accept any official Texas Department of Family and Protective Services form, listed below, that designate that a student is in Texas DFPS Managing Conservatorship. A school may also accept a copy of the court order for this purpose.

*{Forms do not include letters or memos on DFPS letterhead (unless for the purposes of pre-k verification²) or other documentation from contracted Child Placing Agencies stating that a student is in DFPS Managing Conservatorship.}

A fictive kin is a person who has a longstanding and significant relationship with a child in DFPS conservatorship or with the child’s family. For more information about “foster care” and other settings a student may live in visit pg. 36 of the Foster Care & Student Success Resource Guide.

² If a student is eligible for prekindergarten because the student is or ever has been in the conservatorship of the Department of Family and Protective Services following an adversary hearing held as provided by Section 262.201, Family Code, the parent or caregiver of the child will be mailed a verification letter of prekindergarten eligibility. Districts are asked to accept the DFPS letter as proof of eligibility to enroll these children in free prekindergarten. For assistance in obtaining a letter, please contact the DFPS Education Specialists in your area for assistance or for a description of other forms of proof of eligibility. Additional information is provided on pg. 74 of the Foster Care & Student Success Resource Guide.

³ All students in DFPS Managing Conservatorship are required to present an Education Decision-Maker 2085 (E-2085) form at enrollment in accordance with Family Code § 263.004. If a student does not have this form at enrollment, please request it. The form includes the contact information for the education decision-maker and caseworker.
