The TEA Help Desk is TEA’s online system for requesting support. Use the TEA Help Desk currently to get help with TEAL and TEASE account access, hardware and software issues, or on- and offboarding staff.

Open the TEA Help Desk

Open the TEA Help desk by clicking the Help Desk icon or link on TEA website pages, or by going directly to https://ihelpdesk.tea.texas.gov.

Sign in with your TEA Help Desk user name and password.

The Help Desk opens:

Search for Help

You may be able to find a quick answer to your question by using the search at the top of the page.

1. Type your question into **Find an Answer**.
2. Click **Search**. If the search finds an article on this topic, it lists the search results:

   **How do I log in to TEAL**

   4 results for "How do I log in to TEAL."

Knowledge Base

If you have more questions, you can submit a request by scrolling to the bottom of the article or from the TEA Help Desk home page.

Submit a Request

1. Depending upon the type of problem, click **TEAL/TEASE Access** (for access problems or for applications using TEAL and TEASE), **Information Technology** (for computer hardware or software issues), or **On/Offboarding** (for managers to request setup or disabling of TEA resources for staff).
