* Number of multiple-choice items correct + (composition score x 1)

** Met Standard level

*** Commended Performance level

Since the met standard level cannot be obtained with less than a '2' on the written composition portion, a composition score of '1' plus 17 or more multiple-choice items or a composition score of '0' plus 18 or more multiple-choice items will result in the scale score corresponding to one point below the met standard level.

Since the commended performance level cannot be obtained with less than a '3' on the written composition portion, a composition score of '2' plus 28 multiple-choice items will result in the scale score corresponding to one point below the commended performance level.
