Subject: STAAR Questions and Answers

Please do NOT reply to this e-mail.

The purpose of this email is to inform districts of the availability of a new resource, the State of Texas Assessments of Academic Readiness (STAAR™) Questions and Answers (Q&As). This resource has been developed to answer a variety of wide-ranging questions related to the STAAR program, including STAAR Modified, STAAR Alternate, and STAAR L.

The STAAR Q&As is available on the Student Assessment website at http://etesttx.com/STAARQandA. Questions and answers will be added as additional decisions are finalized.

We hope that the Q&As will provide important information about STAAR and will assist districts in implementing the new assessment system in spring 2012.
