

State of Texas Assessments of Academic Readiness (STAAR™) Short Answer Reading Questions—Example of Response Box

STAAR English I, II, and III reading tests require students to answer two short answer reading questions. Students are provided one 10-line response box to answer each question. While students may use all 10 lines to respond to each question, they cannot write more than 10 lines. Students are not allowed to add lines inside the box or to write outside the box.

Below is an example of the response box that students will use to answer each STAAR short answer reading question.
