<p>2. The LEA coordinates Title I, Part A, services with Title I, Part C, services in order to increase program effectiveness, to eliminate duplication, and to reduce fragmentation of the instructional program. <p>3. For Title I, Part A, schoolwide program, the campus conducts a comprehensive needs assessment of the entire school. [P.L. 107-110, Section 1114(b)(1)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of "Yes" include:</p> <ul style="list-style-type: none"> • Description of the campus's comprehensive needs assessment (CNA) process; • Meeting agendas, meeting notes, sign-in sheets documenting the campus's CNA process;

<p>5. The LEA conducts a comprehensive needs assessment that includes an assessment of local needs for professional development and hiring. This assessment includes the participation of teachers, including Title I, Part A teachers, and takes into account the activities that need to be conducted in order to give teachers the means, including subject matter knowledge and teaching skills, and to give principals the instructional leadership skills to help teachers, to provide students with the opportunity to meet challenging state and local student academic achievement standards. Program Implementation Question	Compliance Status Response
	<p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question. Even if the LEA reports 100% HQ for all of its campuses, these plans still need to be in place so that they can be implemented in the event a campus must place a non-HQ teacher in a core academic classroom.</p>
<p>20. Does the LEA have on file for each Title I, Part A campus a written attestation signed by the principal stating that the principal understands the requirements of Section 1119 and the current status of his/her campus with respect to meeting those requirements? <p>21. Did the LEA ensure that its campuses that are Stage 3 or higher received at least 85% of the Title I, Part A campus allocations that they received the prior year?</p>	<p>This question only applies to LEAs that 1) have one or more campuses in Stage 3 of School Improvement AND 2) reserve Title I, Part A funds to meet the 20% requirement for school choice-related transportation or supplemental educational service. If BOTH conditions are true, the LEA must answer “Yes” or “No.” The question will be grayed out if either of the conditions does not apply.</p> <p>Examples of documentation that an LEA might list in support of a compliance status of “Yes” include its Title I, Part A campus allocation determinations for the past two years.</p> <p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question, if BOTH conditions are true.</p>

<p>2. The LEA gives service priority to migrant children who are failing or most at risk of failing to meet the State’s content and performance standards and whose education has been interrupted during the regular school year. [P.L. 107-110, Sections 1301(2), §1304(d)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Priority for Services (PFS) Report from NGS; • List of services being provided to PFS students; • PFS student progress records; • Documentation that MEP-funded services are provided to the PFS students first. <p>If the PFS students are already being served appropriately by other programs, such as Title I, Part A, the migrant service requirement may be met by providing migrant services coordination. In this case, the LEA should answer “Yes” and be prepared to provide appropriate documentation.</p> <p>The only reason that an LEA could justify a compliance status of “NA” in response to this question would be that it has no PFS children.</p>

<p>3. The LEA identifies and addresses the special educational needs of migrant children through a comprehensive plan for needs assessment and service delivery. 	as extreme geographical distance, low numbers of identified migrant families within the LEA, etc., a PAC was not established.
<p>5. The LEA evaluates and improves the effectiveness of the migrant program, where feasible, using the same approaches and standards that are used to assess the performance of students under Title I, Part C, specifically, to enable all migrant students to meet the same challenging State content and performance standards that all Texas children are expected to meet. [P.L. 107-110, Section 1204 (b)(1), (b)(2), and (c)(5)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Copy of evaluation of program activities conducted under PS3103, based on student performance. <p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question.</p>
<p>6. <p>7. The LEA’s consultation with participating private nonprofit school officials regarding the development and implementation of the Migrant program was timely and meaningful. It occurred before the LEA made any decision that affected the opportunities of eligible private school children, teachers, and other educational personnel to participate in the program, and continued throughout the implementation and assessment of program activities. [P.L. 107-110, Section 1304(c)(1)]</p>	<p>Examples of documentation the LEA might be able to list to support a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> ● LEA and campus plans showing description of Migrant program; ● Job descriptions of MEP-funded personnel; ● Time and effort documentation for staff who were split-funded with MEP and other fund sources. ● Accounting records documenting expenditures of MEP funds. <p>The only way that an LEA could justify a compliance status of “NA” in response to this question would be if the LEA consolidated <u>all</u> of its MEP funds in Title I, Part A schoolwide campus budgets. To be eligible to consolidate MEP funds in this manner, the LEA would have had to obtain special permission from TEA. For the 2012-2013 school year, <u>no LEAs obtained this permission</u>.</p>

<p>9 Did the LEA ensure that all MEP-funded services and activities were supplemental? [P.L. 107-110, Section 1304(c)(2)]</p>	<p>Examples of documentation the LEA might be able to list to support a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • LEA and campus plans showing description of Migrant program; • Job descriptions for MEP-funded personnel. <p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question.</p>

[P.L. 107-110, Section 1304(c)(1)]</p>	<p>Examples of documentation the LEA might be able to list to support a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • LEA and campus plans showing description of Migrant program; • Purchase requisitions; • Inventories; • Logs on use of equipment; • List of participants. <p>The LEA could justify a response of “NA” if MEP funds were used <u>only</u> for personnel performing MEP-related duties, and the LEA had <u>no</u> MEP-funded supplies, materials, or equipment.</p>
<p>11. Did the LEA ensure that appropriate time and effort records were maintained for staff who were split-funded with Title I, Part C and other funds? [OMB Circular A-87, A-122, or A-21, as appropriate]</p>	<p>To support a “Yes” response, the LEA should have documentation for charges to payroll, as required in the applicable OMB Circular (A-87, A-122, or A-21), such as a list of split-funded personnel and copies of their time and effort sheets.</p> <p>The LEA could justify a response of “NA” only if the LEA had <u>no</u> staff who were split-funded with Title I, Part C and other funds. The LEA should write the following: “LEA had no staff who were split-funded with Title I, Part C and other funds.”</p>
<p>12. Did the LEA ensure that it maintained control of Title I, Part C program funds being used to provide equitable services to private school migrant students and their teachers? [P.L. 107-110, Section 9501; and 34 CFR 299.6]</p>	<p>To support a “Yes” response, the LEA should have written procedures for approving and processing expenditures related to services to private schools, as well as accounting records showing approval and disbursement of Title I, Part C according to procedures.</p> <p>The only reason an LEA could justify a compliance status of “NA” in response to this question would be that the LEA has no participating private non-profit schools.</p>

<p>13. Did the LEA ensure that migrant student records were requested and transferred in a timely manner? [P.L. 107-110, Section 1304(b)(3)]</p>	<p>To support a “Yes” response, the LEA should be able to provide documentation that demonstrates that the LEA met the timelines to request and enter migrant student data in NGS, as outlined in the <i>Texas Manual for NGS Data Management Requirements</i>, as well as written LEA procedures to share migrant student records with schools in non-NGS states via MSIX, email, and/or fax.</p> <p>The only case in which an LEA could justify a response of “NA” to this question would be if the LEA served no migrant students during the 2012-2013 school year and had no request for records from another LEA. This would be a VERY rare response for an LEA that receives MEP funds.</p>

Guide to Program Implementation Questions—Title I, Part D

Title I, Part D

Questions 1-2 and Questions 9-12 are for LEAs that receive Title I, Part D, Subpart 2 funds.

Program Implementation Question	Compliance Status Response
<p>1. The district has on file a current written agreement between the LEA and applicable correctional facilities and alternative school programs serving children and youth involved in the juvenile justice system, which details the Title I, Part D, Subpart 2 program. [P.L. 107-110, Section 1423(2).]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Copy of current written agreement <p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question.</p> <p>NOTE: This question is a duplicate of question 11 in this section. Both must be answered in order to complete the compliance report for Title I, Part D, Subpart 2; however, of these two questions, only the response to question 11 will be used for purposes of the Initial Compliance Review.</p>
<p>2. Title I, Part D, Subpart 2 data are collected, disaggregated, and evaluated to show the program’s impact on the ability of participants to:</p> <ul style="list-style-type: none"> • maintain and improve educational achievement; • accrue school credits that meet State requirements for grade promotion and secondary school graduation; • make the transition to a regular program or other educational program operated by a district; • complete secondary school (or secondary school equivalency requirements) and obtain employment after leaving the facility; and, • as appropriate, to participate in postsecondary education and job training programs. <p>[P.L. 107-110, Section 1431(a)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Copy of evaluation of Title I, Part D, Subpart 2 program showing program’s impact in these areas. <p>It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question.</p>

Note that Questions 3-8 of this section are only applicable to State Agencies that receive funding under Title I, Part D, Subpart 1. In Texas, these Agencies are the Texas Youth Commission and the Windham School System. LEAs will not see these questions on their PR 2000 form.

Program Implementation Question	Compliance Status Response
<p>3. Was the State Agency’s use of Title I, Part D, Subpart 1 funds supplemental to the regular education program?</p> <p>According to statute, a Title I, Part D, Subpart 1</p>	<p>To justify a “Yes” response to this question, the State Agency should have documentation showing the number of hours added to educational program through Title I, Part D, Subpart 1.</p>

Program Implementation Question	Compliance Status Response
<p>program that supplements the number of hours of instruction students receive from State and local sources shall be considered to comply with the supplement, not supplant requirement of section 1120A without regard to the subject areas in which instruction is given during those hours. [P.L. 107-110, Section 1415(b)]</p>	<p>It is highly unlikely that the State Agency can justify a response of “NA” to this question.</p>
<p>4. In making Title I, Part D, Subpart 1 services available to children and youth in adult correctional institutions, did the State Agency give priority to children and youth who were likely to complete incarceration within a 2-year period? [P.L. 107-110, Section 1414(c)(2)]</p>	<p>To justify a “Yes” response to this question, the State Agency should have documentation related to selection of program participants, including an explanation of how priority was given to children and youth who were likely to complete incarceration within a 2-year period.</p> <p>The only instance in which the State Agency could justify a response of “NA” would be if the State Agency operated <u>no</u> adult correctional institutions.</p>
<p>5. Did the State Agency maintain appropriate time and effort records for staff who were paid in whole or in part with Title I, Part D, Subpart 1 funds? [OMB Circular A-87]</p>	<p>To support a “Yes” response, the State Agency should have the following:</p> <ul style="list-style-type: none"> • a list of staff paid with Title I, Part D, Subpart 1 funds, including percentage of time spent working in program; • Documentation for charges to payroll, as required in the applicable OMB Circular <p>The State Agency could justify a response of “NA” only if it had <u>no</u> staff paid with Title I, Part D, Subpart 1 funds.</p>
<p>6. Does the State Agency have, for each campus that operates an Institution-wide Program under §1416, a comprehensive plan that meets the requirements of §1416? [P.L. 107-110, Section 1416]</p>	<p>To support a “Yes” response, the State Agency should have an Institution-wide Program Plan for each campus operating such a program.</p> <p>The State Agency could justify a response of “NA” to this question only if the State Agency had <u>no</u> campus that operated an Institution-wide Program under Title I, Part D, Subpart 1.</p>
<p>7. Did the State Agency reserve not less than 15% and not more than 30% of its Title I, Part D, Subpart 1 entitlement for Transition Services, as described in §1418? [P.L. 107-110, Section 1418]</p>	<p>To support a “Yes” response, the State Agency should have documentation supporting appropriate reservation of funds, as well as expenditure records related to transition services.</p> <p>It is highly unlikely that the State Agency could justify a response of “NA” to this question.</p>

Guide to Program Implementation Questions—Title I, Part D

Program Implementation Question	Compliance Status Response
<p>8. Did the State Agency evaluate the effectiveness of its Title I, Part D, Subpart 1 program at least annually and use the evaluation results, as well as longitudinal studies to make improvements to the program? [P.L. 107-110, Section 1431]</p>	<p>To support a “Yes” response, the State Agency should have program effectiveness and longitudinal studies of its Title I, Part D, Subpart 1 program, as well as documentation of their use in the comprehensive needs assessment process and program planning.</p> <p>It is highly unlikely that the State Agency could justify a response of “NA” to this question.</p>

Questions 1-2 and Questions 9-12 are for LEAs that receive Title I, Part D, Subpart 2 funds.

Program Implementation Question	Compliance Status Response
<p>9. Did the LEA use Title I, Part D, Subpart 2 funds only for authorized purposes:</p> <p>To support the operation of local educational agency programs that involve collaboration with locally operated correctional facilities—</p> <ul style="list-style-type: none"> (1) to carry out high-quality education programs to prepare children and youth for secondary school completion, training, employment, or further education; (2) to provide activities to facilitate the transition of such children and youth from the correctional program to further education or employment; and (3) to operate programs in local schools for children and youth returning from correctional facilities, and programs which may serve at-risk children and youth. <p>[P.L. 107-110, Section 1421]</p>	<p>To support a “Yes” response, the LEA should have the following:</p> <ul style="list-style-type: none"> • LEA and/or campus plans that provide a description of the Title I, Part D, Subpart 2 program; • A description and list of Program beneficiaries; • Accounting records documenting Program expenditures. <p>It is highly unlikely that the LEA could justify a response of “NA” to this question.</p>
<p>10. Did the LEA maintain appropriate time and effort records for staff who were paid in whole or in part with Title I, Part D, Subpart 2 funds? [OMB Circular A-87]</p>	<p>To support a “Yes” response, the LEA should have the following:</p> <ul style="list-style-type: none"> • a list of staff paid with Title I, Part D, Subpart 2 funds, including percentage of time spent working in program; • Documentation for charges to payroll, as required in the applicable OMB Circular <p>The LEA could justify a response of “NA” only if it had <u>no</u> staff paid with Title I, Part D, Subpart 2 funds.</p>

Program Implementation Question	Compliance Status Response
<p>11. Did the LEA has a formal, written agreement with each local facility it served under Title I, Part D, Subpart 2, and did the agreement address the program that was provided by the LEA, as well as the responsibilities of the facility as described in §1425? [P.L. 107-110, Section 1425]</p>	<p>To support a “Yes” response, the LEA should have a copy of the written agreement between the LEA and each facility, AND that plan should describe the services provided by the LEA, as well as the responsibilities of the facility.</p> <p>It is highly unlikely that the LEA could justify a response of “NA” to this question.</p> <p>NOTE: This question is a duplicate of question 1 in this section. Both must be answered in order to complete the compliance report for Title I, Part D, Subpart 2; however, of these two questions, only the response to question 11 will be used for purposes of the Initial Compliance Review.</p>
<p>12. Did the LEA operate a program of support for students returning from a facility for the delinquent to a school operated by the LEA? [P.L. 107-110, Section 1422(b)]</p>	<p>To justify a “Yes” response, the LEA should have a description of this program of support as part of the LEA plan or in its written agreement with the facility.</p> <p>The only instance in which the LEA could justify an “NA” response would be if more than 30% of students attending the school operated at the facility will reside outside the area served by the LEA when they leave the facility.</p>

Title II, Part A

Program Implementation Question	Compliance Status Response
<p>1. The LEA coordinated the use of Title II, Part A, with Title I, Part A, funding to provide professional development for teachers and principals and other appropriate staff, for parental involvement and teacher/paraprofessional qualifications. [P.L. 107-110, Section 1112(b)(1)(D)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Description in LEA plan that includes training in parental involvement strategies and activities to help teachers and paraprofessionals meet HQ requirements, showing coordination between fund sources. <p>Please note that “coordination” includes <u>planning</u> in order to ensure that the professional development needs of teachers principals, and other staff are met—not necessarily that Title II, Part A funds were used to provide that professional development. The coordination among fund sources (i.e., planning—not necessarily funding) must occur if the LEA receives Title II, Part A funds. Do not mark “No” or “NA” simply because the LEA used all of its Title II, Part A funds for class-size reduction. Answer the question based on the <u>coordination</u> that can be documented by the LEA.</p> <p>The only reason an LEA could justify a compliance status of “NA” in response to this question would be that the LEA does not receive one of these fund sources.</p>
<p>2. The LEA coordinated with teachers, paraprofessionals, principals, other relevant school personnel, and parents in planning Title II, Part A, program activities and preparing the LEA application for funding. [P.L. 107-110, Section 2122(b)(7)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Agendas, meeting notes or minutes, sign-in sheets for planning activities related to the development of the Title II, Part A program and application for funding, showing the participation of teachers, paraprofessionals, principals, other relevant school personnel, and parents. <p>Please note that “coordinating” with the identified groups of staff in planning Title II, Part A program activities is required. It is highly unlikely that an LEA receiving these funds could justify a compliance status of “NA” in response to this question.</p>
<p>3. The LEA coordinated professional-development activities funded under Title II, Part A, with professional development activities funded under other Federal, State, and local programs. [P.L. 107-110, Section 2122(b)(4)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Description of professional development activities in LEA plan, showing coordination between fund sources. <p>Again, please note that “coordination” includes <u>planning</u></p>

<p>4. Based on an assessment of local needs for professional development and hiring, the LEA targeted Title II, Part A, funds to schools within the LEA that:</p> <p>(a) have the lowest proportion of highly qualified teachers,</p> <p>(b) have the largest average class size, or</p> <p>(c) are identified for school improvement under Title I, Part A.</p> <p>[P.L. 107-110, Section 2122(b)(3) and (c)]</p>	<p>To support a “yes,” an LEA should have documentation that shows how Title II, Part A funds were distributed to campuses using one or more of the required criteria.</p> <p>The <u>only</u> acceptable “NA” reasons are:</p> <ul style="list-style-type: none"> • The LEA is a one-campus LEA (such as some charter schools and other small one-campus LEAs that are K-8 or K-12 LEAs all in one campus). • LEA has no schools in Title I SIP, all teachers are HQT on all campuses, <u>AND</u> all campuses have equal class sizes or all campuses have no significant differences in class-size. If this is the situation in the LEA, the LEA must report all three statements to support the response of “NA”. <p>Note that simply being a single attendance area does NOT exempt an LEA from this requirement.</p>
<p>5. The LEA’s consultation with participating private nonprofit school officials regarding the development and implementation of the Title II, Part A program was timely and meaningful. It occurred before the LEA made any decision that affected the opportunities of eligible private school teachers and other educational personnel to participate in the program, and continued throughout the implementation and assessment of program activities.</p> <p>[P.L. 107-110, Section 9501]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Documentation of consultation process showing that it occurred before the LEA made any decisions that affected participation opportunities of eligible private school children or teachers. • Meeting notes showing that all required topics were included in the consultation: <ul style="list-style-type: none"> ○ how the needs of children and teachers will be identified; ○ what services will be offered;

<p>6. Teachers paid with Title II, Part A funds for class-size reduction meet the HQ teacher requirements. [P.L. 107-110, Section 2123(a)(2)(B)]</p>	<p>If the LEA or campus used Title II, Part A funds to pay teachers that were hired to reduce class size, or if the LEA has a Title I, Part A schoolwide campus that combined its Title II, Part A funds in its schoolwide campus budget, this question does apply. In order to answer “Yes,” the LEA must be able to list the following items as available documentation:</p> <ul style="list-style-type: none"> ● HQ documentation for all teachers on a Title I schoolwide campus; ● HQ documentation for all teachers hired for class-size reduction purposes who were paid with Title II, Part A funds. <p>An LEA would mark “NA” only if the LEA used no Title II, Part A funds to hire teachers for class-size reduction, <u>AND</u> the LEA had no Title I, Part A schoolwide campuses that combined Title II, Part A funds in the campus budget.</p>

Title III, Part A

Program Implementation Question	Compliance Status Response
<p>1. The district has determined the needs for instruction in languages other than English and ensures that all teachers in Title III language instructional programs for LEP children are fluent in both English and any other language used for instruction, including having written and oral communication skills. [P.L. 107-110, Section 3116(c)]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • List of languages other than English in which the LEA has determined instruction is needed for LEP students (as per statewide requirements for bilingual instruction). • Documentation showing that teachers who are providing bilingual instruction are fluent in English and the other language used for instruction. <p>2. The district implements an effective means of outreach to parents of LEP/immigrant students to inform the parents of how they can be involved in the education of their children and be active participants in assisting their children to attain English proficiency, achieve at high levels in core academic subjects, and meet challenging State standards expected of all students. <p>1. The district, as a condition of receiving funds under the No Child Left Behind Act, established and implements a policy requiring that:</p> <ul style="list-style-type: none"> • a student attending a persistently dangerous public elementary school or secondary school (as determined by the Texas Education Agency), or • a student who becomes a victim of a violent criminal offense, while in or on the grounds of a public elementary or secondary school that the student attends, <p>is offered and allowed to attend a safe public elementary or secondary school within the local educational agency, including a public charter school.</p> <p>Note: If another campus is not available within the LEA, the policy should provide for other types of services to ensure the safety of the student. In addition, the LEA is encouraged to attempt to secure a cooperative agreement with another LEA to accept transfers when reasonable and appropriate. The LEA is required to have policies in place that address BOTH of these contingencies. It is NOT sufficient to say that the LEA has no persistently dangerous campuses, or that the LEA had no students who were victims of a violent criminal offense.</p>
<p>2. The LEA notified parents that their students may transfer to a safe public school—</p> <ul style="list-style-type: none"> • at least within 14 calendar days of the start of the school year for students enrolled in a persistently dangerous school, or • generally, within 14 calendar days of the incident for students who are victims of a violent criminal act. <p>[P.L. 107-110, Section 9532]</p>	<p>Examples of documentation that an LEA might be able to list in support of a compliance status of “Yes” include:</p> <ul style="list-style-type: none"> • Copy of written notification procedure; • List of campuses identified as Persistently Dangerous Schools. The PDS list is posted on TEA’s web site under No Child Left Behind and Title IX, Unsafe School Choice Option.
