Turnaround Principles

1. **Providing strong leadership** by: (1) reviewing the performance of the current principal; (2) either replacing the principal if such a change is necessary to ensure strong and effective leadership, or demonstrating to the SEA that the current principal has a track record in improving achievement and has the ability to lead the turnaround effort; and (3) providing the principal with operational flexibility in the areas of scheduling, staff, curriculum, and budget;

2. **Ensuring that teachers are effective and able to improve instruction** by: (1) reviewing the quality of all staff and retaining only those who are determined to be effective and have the ability to be successful in the turnaround effort; (2) preventing ineffective teachers from transferring to these schools; and (3) providing job-embedded, ongoing professional development informed by the teacher evaluation and support systems and tied to teacher and student needs;

3. **Redesigning** the school day, week, or year to include additional time for student learning and teacher collaboration;

4. **Strengthening the school’s instructional program** based on student needs and ensuring that the instructional program is research-based, rigorous, and aligned with State academic content standards;

5. **Using data** to inform instruction and for continuous improvement, including by providing time for collaboration on the use of data;

6. **Establishing a school environment** that improves school safety and discipline and addressing other non-academic factors that impact student achievement, such as students’ social, emotional, and health needs; and

7. **Providing ongoing mechanisms for family and community engagement.**
