## APPLICATION

### Optional Flexible School Day Program (OFSDP)

\_\_\_\_\_ School Year

**ELIGIBLE APPLICANTS:** The Texas Education Agency (TEA) will make available to eligible school districts and open-enrollment charter schools an application form that must be completed and submitted to the TEA for approval.

## Definition of Program Provisions

### Eligible Students

A student is eligible to participate in an optional flexible school day program (OFSDP) authorized under the Texas Education Code (TEC) §29.0822, if:

1. the student meets one of the following conditions:
  - the student is at risk of dropping out of school, as defined by the TEC, §29.081; or
  - the student is attending a school implementing an approved innovative campus plan; or
  - the student is attending a school with an approved early college high school program designation; or
  - the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled;

and

2. the student, if less than 18 years of age and not emancipated by marriage or court order, and the student's parent, or person standing in parental relation to the student, agree in writing to the student's participation.

### Assessment

The student must take the appropriate Texas Assessment of Knowledge and Skills (TAKS) tests specified under the TEC, §39.023, during the regularly scheduled assessment calendar.

### Participation in University Interscholastic League (UIL)

A student enrolled in an OFSDP under the TEC, §29.0822, may participate in a competition or other activity sanctioned or conducted under the authority of the University Interscholastic League (UIL) only if he or she meets all UIL eligibility criteria.

### Attendance Credit

A student attending an OFSDP under the TEC, §29.0822, may be counted in attendance for purposes of funding under the TEC, Chapters 41, 42, and 46, only for the actual number of contact hours the student receives, not to exceed 1,080 hours per 12-month period.

### Public Hearings

The board of trustees of a school district or governing board of an open-enrollment charter school must hold a public hearing concerning the proposed application for an OFSDP before applying to operate an OFSDP under the TEC, §29.0822. In addition, the board of trustees of a school district or governing board of an open-enrollment charter school must hold a public hearing annually to review the performance of the OFSDP (see Appendix Two).

## Continuation or Revocation of Program Authorization

Applications are approved for a period of one (1) school year. Continuation of the approval for the OFSDP will be contingent on the demonstrated success of the program. Determination of success will include a review and analysis of data provided in the mandatory final progress report(s). The commissioner of education may revoke authorization for participation in the OFSDP after consideration of relevant factors, including performance of students participating in the program on assessment instruments required under the TEC, Chapter 39; the percentage of students participating in the program who graduate from high school; and other criteria agreed to in the application and adopted by the commissioner of education. A decision to revoke approval of the program by the commissioner of education is final and may not be appealed.

## Reporting Requirements

Following approval of the application, the applicant will be required to submit progress reports based on criteria selected by the applicant and agreed to by the commissioner. Reports will require applicants to disclose the overall progress of the students in the program, the number of students enrolled in the program (disaggregated by ethnicity, age, gender, and socioeconomic status), the number of students graduating from high school (disaggregated by ethnicity, age, gender, and socioeconomic status), and additional criteria selected by the applicant and agreed to by the commissioner. The TEA will provide notice to applicants and additional instructions for completion of reports at least 45 days before the date a report is due, or as soon as possible, in order to give school districts and charter schools adequate time to prepare and submit the reports to the TEA. The TEA may request additional reports as necessary to monitor and assess progress of students participating in the program.
