LPAC Assessment Decisions

Helpful reminders
Reminders

LPACs —

- need to meet as a committee to determine the best state assessment option for each ELL
- should make assessment decisions as close to the time of the administration of state assessments as possible
- are required to make and document assessment decisions in accordance with outlined procedures
Reminders

Assessment options for ELLs

- STAAR
- STAAR Spanish
- STAAR L
- STAAR Modified
- STAAR Alternate
Reminders

The general STAAR is taken by ELLs and other students who do not meet eligibility criteria to be assessed with STAAR Spanish, STAAR L, STAAR Modified, or STAAR Alternate.

LPACs should be aware that —
- STAAR L is available in mathematics, science, and social studies.
- STAAR Spanish is available in grades 3–5 only.
- ELLs taking general STAAR assessments may be permitted some linguistic accommodations.
Language of Assessment Decisions

- Must be **individual** student decisions
- Grade–based or program–based decisions not authorized
- LPAC must consider input from student’s teacher(s) in making language of assessment decisions
- STAAR Spanish may be given in grades 3–5 to both ELLs and non–ELLs as long as LPAC determines it to be most appropriate measure of student’s academic progress in accordance with TEA guidelines
- Students are not limited to three years of assessment with STAAR Spanish
Reminders

ELL Participation in STAAR Modified and STAAR Alternate

- ELLs receiving special education services who meet requirements for STAAR Modified or STAAR Alternate may take these assessments.
- ELLs participate only on basis of disability, not second language acquisition.
Reminders

Sample Forms for Documenting Participation & Accommodation Decisions

- Record of STAAR participation and linguistic accommodation decisions
- STAAR eligibility for special English I EOC provision
- Student history worksheet

Decision-making guides and other LPAC documents can be found on the LPAC Resources webpage at http://www.tea.state.tx.us/student.assessment/ell/lpac/

*Unique to STAAR Modified

**Dictionary access to be provided for all students in grade 6 and up.
Two sources for dictionary policies for ELLs taking STAAR:

- **STAAR dictionary policy**
  - Applies to reading and writing assessments in grade 6 and above

- **Linguistic Accommodations for ELLs Participating in the STAAR Program guide**
  - Outlines policies for the use of dictionaries on all other tests not covered under the STAAR dictionary policy
  - Available at [http://www.tea.state.tx.us/student.assessment/accommodations/](http://www.tea.state.tx.us/student.assessment/accommodations/)
Special English I EOC Provision
TAC §101.1007

For ELLs who —

- have been enrolled in U.S. schools 3 years or less (5 or less if qualifying unschooled asylee/refugee), *and*
- have not yet attained TELPAS advanced high reading rating

**Why this provision?** In English I and ESOL I courses, these students may require substantial instructional scaffolding and linguistic adaptation not feasible on standardized language arts assessments.
When enrolled in English I/ESOL I course, eligible ELL shall not be required to retake assessment each time it is administered if student passes course but does not meet passing standard on assessment.

NOTE:
- Students are not exempt from testing while in the course.
- Provisions do not apply to English II.
Beginning in 2013–2014, 5th and 8th grade students assessed with STAAR L in mathematics will be held to same SSI requirements for both mathematics and reading, including retesting and automatic retention, as students taking the general STAAR assessments.
Exemption for Qualifying Asylees and Refugees

- Amendment to 19 TAC §101.1005 allows for the exemption of certain qualifying ELL asylees and refugees from being administered a STAAR assessment in grades 3–8.
- This exemption only applies to those unschooled asylees and refugees in their first year in U.S. schools.
Coordination Between LPAC and Testing Coordinators

- Testing coordinators should coordinate with LPAC to obtain participation and accommodation decisions in time to make testing arrangements.
- Linguistic accommodations not just for STAAR L
Organizing Test Administrations

DCCM, pp. S–27 and S–33

- In some cases, students taking different assessments may be grouped across programs, grades, and subject areas/courses.
  - Example: STAAR and STAAR L
Organizing Test Administrations

DCCM, pp. S–27 and S–33

- Students receiving certain accommodations may need to be tested in a separate setting to eliminate distractions to other students and to ensure the confidentiality of the test.

- A bilingual teacher may be permitted to administer STAAR in English to English–dominant ELLs and STAAR in Spanish to Spanish–dominant ELLs in the same test session.
Extra Time (Same Day) as a Linguistic Accommodation

- Permitted for any ELL if student meets eligibility criteria as determined by LPAC.
- Not “automatic”
- Extra time within *regularly scheduled school day only*
- Schools with both morning and afternoon test sessions must include these students in morning session.
Linguistic Accommodations Provided by Test Administrator

- **Examples**
  - Clarification in English of word meaning in writing prompts (STAAR)
  - Clarification in English of word meaning in short answer reading questions (STAAR)
  - Clarification in English of word meaning (STAAR Modified)
  - Oral translation (STAAR Modified)

- Require additional training for test administrators
- Individual or small group administrations are necessary for some accommodations.
STAAR L Online Test Administrations

- District and campus coordinators, in conjunction with technology staff, will need to follow steps to prepare for, conduct, and complete online testing.
- Technology staff must be available for assistance during test administration.
STAAR L Online Test Administrations

- Ensure that there is one pair of **headphones** per student for administrations of STAAR L in which multiple students are tested in the same room (STAAR L online interface allows students to hear words read aloud).
- Keep in mind that students taking STAAR L online may be eligible to use a bilingual dictionary and/or receive extra time.
Districts have the option of logging in students in grades 3–5 or allowing students to do it themselves.

All STAAR L tests contain 3 test administrator-guided sample questions to familiarize students with linguistic accommodation tools available in interface.

Remember, the best way to prepare students for testing in the STAAR L interface is to have them complete the online tutorial.
Recording Linguistic Accommodations for Online Tests

STAAR EOC and STAAR L Grades 3–8 and EOC

- Linguistic accommodations to be recorded along with other applicable accommodations on the Student Test Details screen in the Assessment Management System.
  - STAAR test administrator manuals include instructions for how to record this in the online system.
  - Can only be recorded after student has completed test.
Whether the student tested on paper or online, record linguistic accommodations if these were predetermined by the LPAC and made available to the student during testing, even if the student did not use the accommodation.
ELLs for whom the LPAC assigns linguistic accommodations on a STAAR reading, writing or English EOC assessment may not be considered for program exit at the end of that school year.
Recording Asylee/Refugee Information

- Information about qualifying unschooled ELL asylees and refugees will be collected as part of the data collection for TELPAS.
- This information is necessary to exclude eligible students’ STAAR results from state accountability ratings and will NOT be gathered during STAAR data collection.
Preparing ELLs for Testing with Linguistic Accommodations

- In training test administrators with ELLs in their sessions, make sure to review this section of test administrator manuals.

- Administration “SAY” directions assume ELLs have been told in advance
  - how their sessions will be conducted
  - what type of accommodations they may receive
Helping ELLs Understand Test Directions

- For all tests, ELLs may be helped to understand “SAY” directions and test booklet directions that introduce test sections or item formats. Test administrator is allowed to:
  - paraphrase
  - translate
  - repeat
  - read directions aloud

- Test administrator is not allowed to add directions that are substantively different (no pointers, no test-taking strategies, etc.).

- With the exception of STAAR L, STAAR tests have no sample items; familiarize new ELLs with item formats ahead of time using released items on TEA website.
Recently Arrived ELLs

- Meeting affective needs of ELLs who are new to the U.S. is important in instruction and testing.
- Help new ELLs look at first year of test results as good information to use in setting and meeting goals for following year.

All ELLs

- Encourage practices that involve all ELLs in setting and reaching goals for English acquisition and academic achievement.
In isolated situations in which completing an assessment is not in the best interest of student (e.g., newly arrived ELL who knows too little English), campus coordinator, with other appropriate personnel, may decide to submit test for scoring without requiring student to complete test.

Circumstances should be documented and communicated to student’s parents after test administration.
These students are not eligible for special ELL assessment, accommodation, or accountability provisions —

- no testing in Spanish
- no linguistic accommodations during testing
- no English I EOC special provision
- no unschooled asylee/refugee provisions
Available in early February

Minor updates to grades 3–8; updates to EOC version to address assessment changes from HB 5

- Cut score expectation table
Preparing for spring assessment activities
New standards were set for TELPAS reading.
  - Standards were adjusted to meet the new definition of grade level-appropriate that accompanies the increased rigor of STAAR.

Domain weights have shifted in composite score calculations. Reading is now 50% of the total, writing is 30%, and listening and speaking are each weighted 10% respectively.

There are several documents currently available on the ELL Assessments webpage at http://www.tea.state.tx.us/student.assessment/ell/
- Changes to TELPAS for 2014
- TELPAS Standards Review Q&A (in English and Spanish)
Beginning with calculations made and reported in 2014, students must be enrolled for 60 consecutive school days in a school year for that year to count as a year in US schools.

The updated years in US schools document will be available on the LPAC Resources webpage at http://www.tea.state.tx.us/student.assessment/ell/lpac/
Data Collection Information

- Required data collection for ELLs with extenuating circumstances:
  - Unschooled ELL asylees/refugees
  - Students with Interrupted Formal Education (SIFE)

- These data can be submitted and updated through the Student Data Upload process.

- These data can also be entered on the TELPAS Student Registration Details page of the Assessment Management System.
Other Changes

- TELPAS reading test administrators will sign the general oath after security training
  - There is no longer a separate reading test administrator oath
  - Coordinators must ensure that reading test administrators get TELPAS-specific training if necessary

- Change to testing irregularities
  - Sharing answers to the online calibration activities or practice rating activities from the online training center is now classified as a serious irregularity
  - Coordinators must ensure raters are aware of the agreement statements that they must accept before completing online training courses and calibration activities

Reminders

Important to Emphasize

- Holistic rating training is key.
- Individuals must complete state–required training and calibration activities to be raters.
- Those who complete all requirements but don’t successfully calibrate by end of set 3 may be raters if district chooses, but districts must provide rating support in manner that assures valid and reliable assessment.
- Returning raters who have not completed any rater training within the last three school years are required to complete the online basic training course before calibrating.
- Implement validity and reliability checks during testing window.
User Lookup Tool

- Coordinators and assistants with administrative access can
  - modify the last name of a user.
  - send a user password reset email.
  - **NEW** modify the email address of a user.
  - retrieve an email address associated with a user’s TrainingCenter account.
  - retrieve a username associated with a user’s TrainingCenter account.
  - see account status (active/deactivated) for all users.
Holistic Rating Training Report Enhancement

- At-a-Glance report has been updated to include the amount of time raters spent in each calibration set completed.
TELPAS Submission in Assessment Management System

- Student data consisting of student identification, demographic, and program information
- TELPAS assessment information including students’ answers to reading tests for grades 2–12 and holistic rating information

NOTE: If a student has been approved to take a paper administration of the grades 2–12 TELPAS reading tests, all holistic ratings, reading test information (including student responses), and other student information must be entered into the Assessment Management System. This information will not be submitted on a paper answer document.
A student approved by TEA to take a paper TELPAS reading test will need to be placed in a TELPAS rating entry group so that holistic ratings and other rater information can be entered online.

A student approved by TEA to take a paper TELPAS reading test will need to be placed in an online test session so that responses to test questions can be transcribed into a special online form.
Final Data Verification Window

- Assessment window closes Wednesday, April 9
- Verification window closes Friday, April 11

**NOTE:** The verification window will end at 7 p.m. (CT) on Friday, April 11.
TELPAS Student Tutorials

- As in the past, tutorials are separate from tests.
- Recommended for students new to TELPAS
  - Several different test item formats
