

2013–2014

**Consolidated Accountability
Data File Format**

Overview

All STAAR, STAAR Modified, STAAR L, STAAR Alternate, and TELPAS data for a student will be combined into one record on the consolidated file for accountability, including both English and Spanish. Students can test with varying assessments; however, the results will be merged together to create one record in the individual student record file. Records for which the student could not be assigned a Portal Access Code will not be merged with data from another administration.
