

PR5000—Title V, Part A

Use this schedule to report on compliance for Title V, Part A, funding. Use zeros when questions do not apply. Report only those expenditures and activities paid with Title V, Part A, funding during the compliance report grant year.

If the **Report Not Applicable** check box is selected, the remainder of the form will not be available for entry. If you have already entered data in the form and then select the check box, all data entered is deleted.

Part 1: Funding Transferability

Funding Transferability allows local education agencies (LEAs) that have not been identified for Title I, Part A, School Improvement the ability to transfer the use of up to 50% of nonadministrative funds allocated to them under Title II, Part A; Title II, Part D; Title IV, Part A; or Title V, Part A, for allowable uses under one or more of the following programs: Title I, Part A; Title II, Part A; Title II, Part D; Title IV, Part A; and Title V, Part A. If an organization is identified for School Improvement, it may transfer up to 30% of its nonadministrative funds allocated to it under the same programs. Funds may be transferred into Title I, Part A, but not from Title I, Part A.

Attention: Data reported in this section may be included in the initial compliance report (ICR) monitoring process.

Click **Yes** or **No** to indicate if you participated in the Funding Transferability program with Title V, Part A, funds. If you click **No**, the part collapses. Continue with **Part 2**.

Percentage of Title V, Part A, Funding Redirected under Funding Transferability

If you transferred funds out of Title V, Part A, type the **percentage** of Title V, Part A, funds redirected into each fund source identified in columns B, C, D, or E.

Note: The sum of columns B, C, D, and E **may not exceed 50%**. If your organization is identified for School Improvement under 1116(c), the sum of columns B, C, D, and E **may not exceed 30%**.

Amount of Title V, Part A Funding Redirected under Funding Transferability That Was Expended

If you transferred funds out of Title V, Part A, type the **dollar amount** of Title V, Part A, funds redirected into each fund source identified in columns B, C, D, or E.

Part 2: Section 6211—Rural Education Achievement Program (REAP)

The Rural Education Achievement Program (REAP) assists eligible LEAs in addressing academic needs more effectively by giving them greater flexibility in the use of limited federal resources. The program is designed to

address the unique needs of rural school districts, which frequently lack the personnel and resources needed to compete effectively for Federal competitive grants and receive formula allocations in amounts too small to be effective in meeting their intended purposes. Only eligible LEAs can use the REAP option.

Attention: Data reported in this section may be included in the ICR monitoring process.

Click **Yes** or **No** to indicate if your organization participated in REAP with Title V, Part A, funds. If you check **No**, the part collapses. Continue with **Part 3**.

Percentage of Title V, Part A, Funding Redirected under REAP

If you transferred funds out of Title V, Part A, type the **percentage** of Title V, Part A, funds redirected into each fund source identified in columns B, C, D, or E.

Note: The sum of columns B, C, D, and E **may not exceed 100%**.

Amount of Title V, Part A, Funding Redirected under REAP That Was Expended for the Following Activities

If you transferred funds out of Title V, Part A, type the **dollar amount** of Title V, Part A, funds redirected for each activity identified in columns B, C, D, or E that was expended.

Part 3: Private Nonprofit School Participation

Note: This section is not applicable to charter schools.

Attention: Data reported in this section may be included in the ICR monitoring process.

Click **Yes** or **No** to indicate whether private nonprofit schools participated in Title V, Part A, activities. If you click **No**, **Part 3** collapses. Continue with **Part 4**.

Consultation

Complete this section as follows to report on consultation with officials of private nonprofit schools:

1. Type the number of participating private nonprofit schools that received equitable services for Title V, Part A, programs during the compliance report grant year.
2. Check the months that your organization participated in ongoing consultation with the private nonprofit schools.

Inventory

Complete this section to report on the inventory of LEA materials housed at participating private nonprofit schools:

1. Type the position of the employee who is responsible for maintaining auditable records and labeling LEA material and equipment housed at the participating private nonprofit schools.
2. Type the dates inventory was conducted at the private nonprofit schools. At least one date is required.

Part 4: Participation & Expenditure of Funds for Title V, Part A

Attention: Data reported in this section may be included in the ICR monitoring process.

Note: For columns A through F, all innovative assistance programs should align with the approved planned activities on the NCLB Consolidated Application for Federal Funding (NCLBAA11), Schedule **PS3108**.

1. For each assistance program listed, type the amount of funds your organization expended in **Column A** and the funds the private nonprofit schools (PNP) expended in **Column D**. The amount entered on **Line #29, Column A** should include the LEA portion of any indirect costs entered on **BS6001—Budget Summary** of the No Child Left Behind (NCLB) Consolidated Application for Federal Funding (NCLBAA11).

Note: Amounts should be entered on **Lines 9 and 10** only for campuses identified for Title I School Improvement for the compliance report grant year.

2. For each assistance program listed, type the total number of students participating from your organization in **Column B** and the total number of students participating from the private nonprofit schools in **Column E**. Students may be counted in every program in which they participate.
3. For each assistance program listed, type the number of LEA staff trained in **Column C** and the number of private nonprofit school staff trained in **Column F**. Staff members may be counted in every program in which they receive training.

Part 5: Program Implementation

Attention: Data reported in this part may be included in the ICR monitoring process.

Review the Program Implementation Guide available at http://www.tea.state.tx.us/index4.aspx?id=4758&menu_id=798.

Complete this section to indicate your compliance with the program requirements:

1. For each program requirement listed, click **Yes**, **No**, or **N/A** to indicate whether you complied with the requirement.
2. Type an explanation of your answer in the **Explanation of Compliance Status** box.
 - If you clicked **Yes**, list the sources of documentation you have readily available to document compliance with the requirement. If a date box is provided, type the date of compliance with the requirement.
 - If you clicked **No**, explain the reason for noncompliance. Do not select **No** if a requirement is not applicable.
 - If you clicked **N/A**, explain why the requirement is not applicable.

Part 6: Additional LEA Data (Optional)

If you wish to provide additional information, space is provided for your convenience.
