Item 15:

Consider and Take Appropriate Action on Proposed Revisions to 19 TAC Chapter 227, Provisions for Educator Preparation Candidates

DISCUSSION AND ACTION

SUMMARY: Texas Education Code (TEC), §21.042, requires the State Board for Educator Certification (SBEC) to submit a written copy of each rule it proposes to adopt to the State Board of Education (SBOE) for review. At its September 2014 meeting, the SBOE reviewed and rejected the proposed revisions to 19 TAC Chapter 227, Provisions for Educator Preparation Candidates. At its October 2014 meeting, the SBEC requested that this item be added to the March 2015 agenda for discussion and possible action. As part of this item, Texas Education Agency (TEA) staff will provide an update and status to allow the SBEC to consider whether to propose amendments to the rules.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 227, Subchapter A, is the TEC, §§21.031, 21.044(a), 21.0441, 21.049, 21.050(a), and 21.051. The statutory authority for 19 TAC Chapter 227, Subchapter B, is the TEC, §21.041(b)(1) and (4), and Texas Occupations Code, §53.105.

PREVIOUS BOARD ACTION: The SBEC approved the revisions to 19 TAC Chapter 227 for adoption, subject to SBOE review, at the August 1, 2014 meeting.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The SBEC rules in 19 TAC Chapter 227 begin with Subchapter A, Admission to Educator Preparation Programs, which provides for rules that establish requirements for admission to an educator preparation program. Subchapter B, Preliminary Evaluation of Certification Eligibility, provides for rules for the implementation of a preliminary criminal history evaluation, as provided in the Texas Occupations Code, Chapter 53, Subchapter D. The TEC, §21.049, authorizes the SBEC to adopt rules providing for educator certification programs as an alternative to traditional EPPs. The TEC, §21.031, states that the SBEC is established to oversee all aspects of the certification and continuing education of public school educators and to ensure that all candidates for certification or renewal of certification demonstrate the knowledge and skills necessary to improve the performance of the diverse student population of this state.

The proposed revisions to 19 TAC Chapter 227, shown in Attachment II, would update the rules to reflect current law and provide minimum standards with flexibility for all EPP candidates. The proposed revisions reflect discussions held during stakeholder meetings with EPPs on January 14, 2014; February 18, 2014; and March 26, 2014, and regional stakeholder meetings held on February 27, 2014; March 3, 2014; and March 4, 2014, with district and regional administrators. Additional changes also reflect input received from the staffs at the TEA and the THECB.
General Provisions

Language in §227.1(b) would clarify an educator preparation program's role in an educator's criminal history background check as informational.

Definitions

Language in §227.5 would add a definition of accredited institution of higher education for clarity, add the phrase “that must be” to the definition of educator preparation program, add a definition of post-baccalaureate program that is based on feedback from preparation programs, and remove a phrase from the definition of contingency admission to stay in alignment with the acceptance of accredited institutions of higher education. Language would also be amended to remove definitions for words and terms not used in Chapter 227.

Admission Criteria

Language in §227.10(a) would align the acceptance of an accredited institution of higher education. In addition, language would specify the minimum requirements for admission to an EPP for those seeking initial certification. A subject-specific, 15 semester credit hour prerequisite would be added for those seeking admission for mathematics or science certification at or above Grade 7, in accordance with the TEC, §21.0441, added by HB 2012, 83rd Texas Legislature, Regular Session, 2013. The basic skills testing requirement articulated in §227.10(a)(4) would be removed as a requirement.

Language in §227.10(c) would provide for an EPP to admit a candidate who has either completed another EPP or who has been employed for three years in a public school under a temporary or probationary certificate if the candidate seeks certification in a new field.

Formal Admission

As a result of recurring feedback from candidates, proposed new 19 TAC §227.17 would be added to clarify and document when an applicant is considered admitted to an EPP.

Technical Changes

Minor technical edits such as updating cross references would also be made throughout Chapter 227.

SBOE Review of Proposed SBEC Rules

Under the TEC, §21.042, the SBEC must submit a written copy of each rule it proposes to adopt to the SBOE for review. The SBOE may reject the proposed rules by a vote of at least two-thirds of the members of the SBOE present and voting, but may not modify the rules. At its September 19, 2014 meeting, the SBOE reviewed and rejected the proposed revisions to 19 TAC Chapter 227.

At the October 2014 meeting, the SBEC directed TEA staff to bring this item back for discussion and possible action.
FISCAL IMPACT: The TEA staff had determined that there was no additional fiscal impact on state and local governments and there were no additional costs to persons or entities required to comply with the proposed rule actions. In addition, there was no direct adverse economic impact for small businesses and microbusinesses; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.022, was required.

PUBLIC AND STUDENT BENEFIT: The public and student benefit anticipated as a result of the proposed revisions to Chapter 227 would be the development of clear, minimum EPP admission criteria that would ensure educators are prepared to positively impact the performance of the diverse student population of this state.

PROCEDURAL AND REPORTING IMPLICATIONS: The proposed revisions would have no additional procedural and reporting implications.

LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: The proposed revisions would have no additional locally maintained paperwork requirements.

PUBLIC COMMENTS: Following the May 2014 SBEC meeting, the proposed revisions to 19 TAC Chapter 227 were filed with the Texas Register, initiating the official public comment period. The SBEC received public comments on the proposed revisions at the August 2014 meeting and were also provided a summary of public comments received prior to the August meeting.

ALTERNATIVES: None.

OTHER COMMENTS AND RELATED ISSUES: None.

Subchapter B. Preliminary Evaluation of Certification Eligibility

§227.103. Application.

(a) A request for preliminary criminal history evaluation must be preceded by payment of the required criminal history evaluation fee specified in §230.101(a)(20) [§230.436(22)] of this title (relating to Schedule of Fees for Certification Services).

(b) A request for preliminary criminal history evaluation must include the following:

(1) a signed and dated application, in the form provided on the Texas Education Agency (TEA) website, containing contact information and the date and description of each offense requested to be evaluated;

(2) an attached statement of the circumstances upon which the arrest is based and the disposition relating to each offense to be evaluated;

(3) court documentation relating to each offense, including, at a minimum, the formal disposition of the offense(s) and related charge(s) (e.g., Judgment, Order of Probation, Sentence, Deferred Adjudication Order, etc.); and

(4) a copy of the receipt for the request for preliminary criminal history evaluation fee.

(c) All required documents and information specified in subsection (b) of this section must be provided with the request for preliminary criminal history evaluation. Any documents or information not provided in the original request will not be considered reasonably available.

(d) The preliminary criminal history evaluation will be based solely on the application and court or law enforcement documents provided. Any information not provided by the requestor shall be considered not reasonably available at the time of the request and may be considered at the time the requestor subsequently applies for a certificate issued by the State Board for Educator Certification. Additional documentation that should be provided, if possible, includes the following:

(1) the formal charge(s) (e.g., indictment, information, or complaint);

(2) evidence that the condition(s) of the court have been met (e.g., completion of probation, receipt for restitution, etc.); and

(3) any available law enforcement report(s) describing the offense or the investigation of the offense.

(e) The application, the statement of circumstances, the required court documentation, and a copy of the receipt for the request for preliminary criminal history evaluation fee must be submitted to the TEA division responsible for educator investigations by United States certified mail, return receipt requested, to the address provided on the application or by facsimile to the facsimile number provided on the application.

(f) A request for preliminary criminal history evaluation is incomplete unless it includes a copy of the receipt for the request for preliminary criminal history evaluation fee, a completed application, a statement of circumstances, and the required court documentation. The TEA staff will take no action on a request that is incomplete.

(g) All documents submitted in connection with a request for preliminary criminal history evaluation, whether complete or incomplete, will not be returned to the requestor. All documents will be retained or destroyed by the TEA in accordance with the TEA records retention schedule.

(b) The preliminary criminal history evaluation letter will be strictly limited to the facts stated and the
documents submitted by the requestor, as of the date of the request. Any documents or information not
provided by the requestor will not be considered reasonably available for purposes of evaluating the
request. In the event that the requestor subsequently applies for certification by the State Board for
Educator Certification, complete fingerprint-based national criminal history information will be required.
The TEA staff may conduct a criminal history investigation at that time regarding the offense(s) that were
the subject of the request, based on any misstatements, incomplete information, or missing documentation
in the request for preliminary criminal history evaluation; additional or subsequent criminal history or
inappropriate conduct; or changed circumstances.

c) The preliminary criminal history evaluation letter relates only to whether the specific information submitted
constitutes grounds for ineligibility. The evaluation letter is not a guarantee of educator certification,
admission to an educator preparation program, or employment as an educator.

(a) The fee to request a preliminary criminal history evaluation under this subchapter shall be in an amount
sufficient to cover the cost of administration of the evaluation process and as provided in §230.101
§230.436 of this title (relating to Schedule of Fees for Certification Services).

(b) A new fee will be required to reactivate a request that is incomplete because of failure to submit the
required documentation within 90 calendar days of receipt by the Texas Education Agency of the initial
fee.
