Item 13:

DISCUSSION AND ACTION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to consider a citizen petition on 19 TAC Chapter 230, Professional Educator Preparation and Certification, Subchapter A, General Provisions, §230.1(4), Definitions, (relating to Classroom Teacher), filed pursuant to Texas Government Code, §2001.021. The petitioner requests an amendment to 19 TAC §230.1(4) that would remove Reserve Officers' Training Corps (ROTC) from the list of individuals not covered under the definition of classroom teacher. The SBEC must either deny the petition or direct the Texas Education Agency (TEA) staff to initiate rulemaking proceedings.

EFFECTIVE DATE: None.

PREVIOUS BOARD ACTION: Section 230.1 was adopted effective December 12, 2012.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: Section 230.1(4), shown in Attachment II, establishes the definition of a classroom teacher. Currently, ROTC instructors are not considered classroom teachers. These instructors are hired by school districts under the provisions of an emergency permit.

A citizen has submitted to the SBEC a petition, shown in Attachment III, requesting that the SBEC remove ROTC as an exception to the term classroom teacher in 19 TAC §230.1(4). The petitioner also expressed an interest in the development of a provisional teacher educator certificate for secondary ROTC instructors who have a bachelor's degree and have successfully completed the U.S. Army Cadet Command Teaching Certification Program as required by U.S. Code and the U.S. Army Cadet Command.

In accordance with the Texas Government Code, §2001.021, the SBEC may deny the petition or direct the TEA staff to initiate rulemaking proceedings.

FISCAL IMPACT: None.

PUBLIC AND STUDENT BENEFIT: None.

PROCEDURAL AND REPORTING IMPLICATIONS: None.
LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: None.

PUBLIC COMMENTS: None.

ALTERNATIVES: None.

OTHER COMMENTS AND RELATED ISSUES: Under SBEC rule 19 TAC §250.20, Petition for Adoption of Rules or Rule Changes, the TEA must respond to a rule petition within 60 days even if it is not possible for the SBEC to act upon it within 60 days, as was the case with this petition. As a result, TEA staff notified the petitioner that the petition would be considered at the March 2015 SBEC meeting.

MOTION TO BE CONSIDERED: The State Board for Educator Certification:

Deny the petition. Initiation of a rulemaking is not the appropriate action to take at this time. Instead, the matter will be reviewed to determine whether a factual and legal basis exists to delete the reference to Reserve Officers' Training Corps (ROTC) instructors in the rule.

Respectfully submitted,

The board shall provide for a minimum number of semester credit hours of internship to be included in the hours needed for certification. The board may propose rules requiring additional credit hours for certification in bilingual education, English as a second language, early childhood education, or special education.

(c) A person who receives a bachelor's degree required for a teaching certificate on the basis of higher education coursework completed while receiving an exemption from tuition and fees under Section 54.363 may not be required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.

(1) Where possible, the recommendation concerning the petition shall be placed on the SBEC agenda, and the SBEC shall act on the petition within the 60-calendar-day time limit.

(2) Where the time required to review the petition or the scheduling of SBEC meetings will not permit the SBEC to act on the petition within the required 60 calendar days, the TEA shall respond to the petitioner within the required 60 calendar days, notifying the petitioner of the date of the SBEC meeting at which the recommendation will be presented to the SBEC for action.

(c) The SBEC will review the petition and the recommendation and will either direct the TEA to begin the rulemaking process or deny the petition, giving reasons for the denial. The TEA will notify the petitioner of the SBEC's action related to the petition.

(A) before the fourth anniversary of the SBEC's having previously considered and rejected a similar rule on the same subject matter; or

(B) to amend a rule proposed or adopted by the SBEC that has not yet become effective.

(e) If the SBEC initiates rulemaking procedures in response to a petition, the rule text which the SBEC proposes may differ from the rule text proposed by the petitioner.

December 11, 2014

Dear State Board for Educator Certification:

This letter is to spark a change in the definition of a classroom teacher (230.1), the issuance of a Provisional Teachers Certificate for Secondary ROTC teachers, thus enabling ROTC classroom teachers to progress into administration fields in our Texas schools.

Recently I called the SBEC and asked how I may obtain a Principal Certification as a ROTC classroom teacher. I was presented with an old adage that ROTC classroom teachers do not participate in a teacher training program, preventing them from obtaining a true classroom teaching certificate. Rule 230.1 was used as the reason for denial.

My goal is to show the State Board for Educator Certification what changes the U.S. Army Cadet Command has made in the past decade and paint you a picture of my walk as a 9-year teacher of ROTC in the classroom.

**CHANGES IN THE JUNIOR ROTC PROGRAM OVER THE PAST DECADE**

- The Junior ROTC is an accredited program meeting the requirements established by the Advanced Accreditation Commission accredited by the Southern Association of Colleges and Schools, Expiration Date: June 30, 2015 (encl A).
- Office of the Under Secretary of Defense established policy and provided guidance on the certification of retired Army personnel as JROTC Instructors. This guidance requires at a minimum of four Nationally Accredited Distance Learning Courses in Education Training, June 16, 2007 (encl B) [http://www.usarmyrotc.com/employment/licensing](http://www.usarmyrotc.com/employment/licensing)
- Headquarters, JROTC agreed to associate the learning outcomes for each of the 198 lessons in the curriculum to the Common Core State Standards (CCSS), 2012 (encl D)
JAMES FAURIE’S EXPERIENCE AS A ROTC INSTRUCTOR

- Began JROTC instructor career in Tennessee. Met all Teaching Certification Requirements through JROTC Cadet Command Online Instruction. Completed all requirements for a Graduate Certificate in Pre-Teaching Preparation at the University of Colorado @ Colorado Springs. (encl E)
- Tennessee issued a Teachers License Endorsement Code (457) for 3 years.
- Met requirements for a Principal Certification in Tennessee
- After 3 years of teaching in Tennessee, I moved back home to Texas and begin teaching Secondary ROTC. Currently I hold an Emergency Certificate for Secondary ROTC, renewed annually.
- Unlike a substitute or teacher’s aide, as a Secondary ROTC teacher I am completely responsible for all aspects of the classroom to include classroom management, discipline, lesson plans, curriculum, scheduling, before & after school tutoring, grades, parent-teacher conferences, etc.
- Offered At-Risk Coordinator/Assistant Principal position at school; meet all requirements of Rule 241.20; however SBEC representative stated I do not meet the definition of classroom teacher based on Rule 230.1
- Currently enrolled in M.Ed. & Principal Certification program

EXPERIENCE SUMMARY

My experiences I listed above are shared by hundreds of Secondary-ROTC teachers employed in Texas that are not allowed to move into administration positions either. Most Secondary-ROTC teachers meet all requirements as a “regular” classroom teacher except a few that do not possess a Bachelor’s Degree. These instructors are the exception, not the rule. I am a 9-year teacher, possess a M.Ed., have been asked by my school administrators to join their team, and yet cannot move into secondary school administration due to the addition of a sentence in rule 230.1 that overwrites the Texas Education Code, 5.001(2) as required for a Principal Certificate. Let’s compare:

TEC Rule 5.001(2) “Classroom teacher” means an educator who is employed by a school district and who, not less than an average of four hours each day, teaches in an academic instructional setting or a career and technology instructional setting. The term does not include a teacher’s aide or a full-time administrator.

SBEC Rule 230.1: Classroom teacher--An educator who is employed by a school district approved by the Texas Education Agency or by an open-enrollment charter school approved by the State Board of Education and who teaches, not less than four hours each day, in an academic instructional setting or a career and technical education instructional setting. This term does not include a teacher’s aide, Reserve Officers’ Training Corps (ROTC) instructors, substitute, or a full-time or part-time administrator.
REQUESTS & RECOMMENDATION

When I read Rule 241.20, Requirements for the Issuance of the Standard Principal Certificate, para (4) directs me to Rule 5001(2), which includes ROTC Instructors as eligible. When SBEC Rule 230.1 is applied, ROTC teachers do not meet requirements. I propose to the State Board for Educator Certification to:

1. Remove ROTC from rule 230.1.
2. Issue a Provisional Teacher Educator Certificate – Secondary ROTC to all ROTC Instructors that have a Bachelor’s Degree and successfully completed the U.S. Army Cadet Command Teaching Certification Program as required by U.S. Code and the U.S. Army Cadet Command. More than 60% of Texas ROTC teachers will qualify based on information from the U.S. Army Cadet Command.
3. Any other rule changes required to reflect Secondary ROTC as a teacher – not segregated into a group of professionals NOT required to meet classroom teacher education standards: substitutes and aides.

CONCLUSION

I thank the State Board of Educators for taking the time to read and review all documents presented. Texas schools need quality administrators, and Secondary ROTC teachers can fill these positions. The U.S. Army Cadet Command has passed rule & procedure changes over the past decade to provide highly qualified ROTC teachers to enter classrooms across the country. I know that Tennessee, Oklahoma, Colorado, and Georgia, allow their ROTC teachers to enter administrator fields. I am requesting & recommending changes, and welcome the opportunity to be a part of this change. I look forward to Texas adopting changes to reflect the new Secondary ROTC teachers’ qualifications as a classroom teacher.

Thank you,

MEMORANDUM FOR SECRETARIES OF THE MILITARY DEPARTMENTS

SUBJECT: Junior Reserve Officer Training Corps (JROTC) Instructor Certification

This directive-type memorandum establishes policy and provides guidance on the certification of retired officers and noncommissioned officers as JROTC instructors.

In 2001, the "No Child Left Behind" Act (NCLB) established a new definition of "highly qualified teachers" which caused some discussion as to how JROTC instructors fit into the redefined standards. As a result of those discussions between the Departments of Defense and Education, additional legislative language was proposed and included in the 2007 National Defense Authorization Act (NDAA) further clarifying JROTC instructor qualifications. Section 539 of NDAA 2007, attached, provides an outline of the credentials required of both Senior and Non-Senior Military Instructors and levies on the Secretaries of the Military Departments the authority to further determine the requirements and award certification. This certification will then be equal to that awarded by the states under NCLB for the teaching of JROTC and embedded subject areas such as physical education, health/wellness, and civics.

In conjunction with input from the Services, we have established the following standards for JROTC instructor base certification and subsequent recertification (every 5 years):

**Senior Military Instructor (retired officer)**
- Bachelor's Degree
- Completion of Service-specific JROTC Instructor Training Curriculum
- Service-specific Basic Skills Requirement
- Nationally Accredited Distance Learning courses, to include but not limited to, Classroom Management, Learning and the Brain, Education Psychology, and Secondary Methods
- Completion of Computer Literacy Training
- Award of Advanced Certification by the Military Department concerned

**Non-Senior Military Instructor (retired noncommissioned officer)**
- Associate's Degree within 5 years of employment (or from the date of this policy letter, whichever is later)
- Same additional requirements as for Senior Instructors
This memorandum is effective immediately. The guidance in this directive-type memorandum shall be incorporated in DoD Instruction 1215.13, “Junior Reserve Officers' Training Corps (JROTC) Program” at the next opportunity.

My POC for this issue is Lt Col Brenda Leong, USAF; she can be reached at DSN 225-5529, commercial (703) 695-5529, or brenda.leong@csd.mil.

Education and Curriculum:

State Standards:

In 2012, Headquarters JROTC agreed to associate the learning outcomes for each of the 188 lessons in the curriculum to the Common Core State Standards (CCSS). To date, 45 states and three United States Territories have adopted the English Language Arts (ELA) and Mathematics CCSS.

The JROTC curriculum has been cross-walked with all lessons for the 9-10th grade ELA Common Core Standards, and Numbers and Quantity Mathematic Common Core. The crosswalk between JROTC curriculum and CCSS can be found in the Curriculum Manager (CM), Menu, Global Resources link. Standards linked or associated with JROTC lesson outcomes do not imply that the outcomes meet the requirements for acquisition of core subject area credit. However, by linking the Common Core ELA and Math as appropriate, the curriculum provides a picture of how JROTC curriculum supports core areas such as English/Language Arts, History, Social Studies, Science and Technology, thus serving as state, district, and school wide partners in meeting education goals. Categories within the CCSS ELA that link to JROTC curriculum include the following:

- Reading: Information as Text
- Writing
- Speaking and Listening
- Language
- Reading: Historical/Social Studies
- Writing: Historical/Social Studies, Science, & Technical Subjects

The CCSS for Mathematics that link to JROTC curriculum is High School - Numbers & Quantity.

The Common Core State Standards provide a consistent, clear understanding of what students are expected to learn, so teachers and parents know what they need to do to help them. The standards are designed to be robust and relevant to the real world, reflecting the knowledge and skills that our young people need for success in college and careers. For more information on Common Core State Standards, go to http://www.corestandards.org.

Note: To view standards for states that have not adopted Common Core State Standards go to your State Department of Education website or consult with your school administration.
