### Reading/beginning reading/strategies*

- use ideas (e.g., illustrations, titles, topic sentences, key words, and foreshadowing clues) to make and confirm predictions
- ask relevant questions, seek clarification, and locate facts and details about stories and other texts and support answers with evidence from text
- use ideas (e.g., illustrations, titles, topic sentences, key words, and foreshadowing) to make and confirm predictions
- establish purpose for reading selected texts and monitor comprehension, making corrections and adjustments when that understanding breaks down (e.g., identifying clues, using background knowledge, generating questions, rereading a portion aloud)
- ask relevant questions, seek clarification, and locate facts and details about stories and other texts
### 6.11 Prerequisite Skills/Links to TEKS Vertical Alignment

- confirm predictions about what will happen next in text by "reading the part that tells"
- ask and respond to questions about texts read aloud
- predict what might happen next in text based on the cover, title, and illustrations

**Comprehension of text read aloud skills***
- make inferences and predictions about text
- ask and respond to questions relevant to the text read aloud
- use information learned from books by describing, relating, categorizing, or comparing and contrasting
- retell or reenact a story after it is read aloud

**Listening and speaking/listening***
- determine both main and supporting ideas in the speaker's message
- follow, restate, and give oral instructions that include multiple action steps
- listen to and interpret a speaker's messages (both verbal and nonverbal) and ask questions to clarify the speaker's purpose or perspective
- follow, restate, and give oral instructions that involve a series of related sequences of action
- listen attentively to speakers, ask relevant questions, and make pertinent comments
- follow oral directions that involve a short related sequence of actions
- listen attentively by facing speakers and asking questions to clarify information

**Listening comprehension skills***
- show understanding by following two-step oral directions and usually follows three-step directions
- show understanding by responding appropriately

#### 6.4 Prerequisite Skills/Links to TEKS Vertical Alignment

- analyze how poets use sound effects (e.g., alliteration, internal rhyme, onomatopoeia, rhyme scheme) to reinforce meaning in poems
- explain how the structural elements of poetry (e.g., rhyme, meter, stanzas, line breaks) relate to form (e.g., lyrical poetry, free verse)
- describe the characteristics of various forms of poetry and how they create imagery (e.g., narrative poetry, lyrical poetry, humorous poetry, free verse)
- describe how rhyme, rhythm, and repetition interact to create images in poetry
- respond to and use rhythm, rhyme, and alliteration in poetry
- respond to rhythm and rhyme in poetry through identifying a regular beat and similarities in word sounds

**Reading/comprehension skills (figure 19)**

- ask literal, interpretive, evaluative, and universal questions of text
- make connections (e.g., thematic links, author analysis) between and across multiple texts of various genres, and provide textual evidence
- summarize and paraphrase texts in ways that maintain meaning and logical order within a text and across texts

- use information learned from books by describing, relating, categorizing, or comparing and contrasting
- retell or reenact a story after it is read aloud

**Reading/beginning reading skills/phonological awareness**

*Phonological Awareness at the Word Level*

- segment spoken one-syllable words of three to five phonemes into individual phonemes (e.g., splat = /s/p/l/a/t/)
- isolate initial, medial, and final sounds in one-syllable spoken words
- blend spoken phonemes to form one- and two-syllable words, including consonant blends (e.g., spr)
- recognize the change in a spoken word when a specified phoneme is added, changed, or removed (e.g., /b/1/o/w/ to /g/1/o/w/)

---

*Continued*
### 6.4 Prerequisite Skills/Links to TEKS Vertical Alignment

- distinguish between long and short vowel sounds in spoken one-syllable words (e.g., bit/bite)
- orally generate a series of original rhyming words using a variety of phonograms (e.g., -ake, -ant, -ain) and consonant blends (e.g., bl, st, tr)
- segment spoken one-syllable words into two to three phonemes (e.g., dog:/d/ …/o/ …/g/)
- isolate the initial sound in one-syllable spoken words
- blend spoken phonemes to form one-syllable words (e.g., /m/ …/a/ …/n/ says man)
- blend spoken onsets and rimes to form simple words (e.g., onset/c/ and rime/at/make cat)
- recognize spoken alliteration or groups of words that begin with the same spoken onset or initial sound (e.g., "baby boy bounces the ball")
- distinguish orally presented rhyming pairs of words from non-rhyming pairs
- orally generate rhymes in response to spoken words (e.g., "What rhymes with hat?")
- identify syllables in spoken words
- identify a sentence made up of a group of words

**Phonological awareness skills**

- recognize and blend two spoken phonemes into one-syllable words with pictorial support
- blend onset and rime to form familiar one-syllable words without pictorial support
- blend onset (initial consonant or consonants) and rime (vowel to end) to form a familiar one-syllable word with pictorial support
- produce a word that begins with the same sound as a given pair of words
- recognize rhyming words
- segment a syllable from a word
- blend syllables into words
- delete a word from a compound word
- combine words to make a compound word
- separate a normally spoken four-word sentence into individual words

### Prerequisite Skills/Links to TEKS Vertical Alignment

- evaluate the impact of sensory details, imagery, and figurative language in literary text
- identify the author's use of similes and metaphors to produce imagery
- identify language that creates a graphic visual experience and appeals to the senses
- recognize that some words and phrases have literal and non-literal meanings (e.g., take steps)
- recognize sensory details in literary text

**Reading/vocabulary development**

- use a dictionary, a glossary, or a thesaurus (printed or electronic) to determine the meanings, syllabication, pronunciations, alternate word choices, and parts of speech of words
- identify and explain the meaning of common idioms, adages, and other sayings
- produce analogies with known antonyms and synonyms
- use context (e.g., in-sentence restatement) to determine or clarify the meaning of unfamiliar or multiple meaning words
- use a dictionary or glossary to determine the meanings, syllabication, and pronunciation of unknown words
- identify the meaning of common idioms
- complete analogies using knowledge of antonyms and synonyms (e.g., boy:girl as male:____ or girl:woman as boy:____)
- use the context of the sentence (e.g., in-sentence example or definition) to determine the meaning of unfamiliar words or multiple meaning words
- determine the meaning of grade-level academic English words derived from Latin, Greek, or other linguistic roots and affixes
- alphabetize a series of words to the third letter and use a dictionary or a glossary to determine the meanings, syllabication, and pronunciation of unknown words
- identify and apply playful uses of language (e.g., tongue twisters, palindromes, riddles)
### 6.8 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify and use antonyms, synonyms, homographs, and homophones
- use context to determine the relevant meaning of unfamiliar words or distinguish among multiple meaning words and homographs
- identify the meaning of common prefixes (e.g., in-, dis-) and suffixes (e.g., -full, -less), and know how they change the meaning of roots
- alphabetize a series of words and use a dictionary or a glossary to find words
- identify and use common words that are opposite (antonyms) or similar (synonyms) in meaning
- use context to determine the relevant meaning of unfamiliar words or multiple-meaning words
- use prefixes and suffixes to determine the meaning of words (e.g., allow/disallow)
- alphabetize a series of words to the first or second letter and use a dictionary to find words
- identify and sort words into conceptual categories (e.g., opposites, living things)
- determine what words mean from how they are used in a sentence, either heard or read
- determine the meaning of compound words using knowledge of the meaning of their individual component words (e.g., lunchtime)
- identify words that name actions (verbs) and words that name persons, places, or things (nouns)
- use a picture dictionary to find words
- identify and sort pictures of objects into conceptual categories (e.g., colors, shapes, textures)
- recognize that compound words are made up of shorter words
- identify and use words that name actions, directions, positions, sequences, and locations

**Vocabulary skills**

- increase listening vocabulary and begin to develop vocabulary of object names and common phrases
- use a large speaking vocabulary, adding several new words daily
- demonstrate understanding in a variety of ways or knowing the meaning of 3,000 to 4,000 words, many more than he or she uses
- demonstrate understanding of terms used in the instructional language of the classroom

Prerequisite Skills/Links to TEKS Vertical Alignment

- synthesize and make logical connections between ideas within a text and across two or three texts representing similar or different genres
- use multiple text features and graphics to gain an overview of the contents of text and to locate information
- analyze how the organizational pattern of a text (e.g., cause and effect, compare and contrast, sequential order, logical order, classification schemes) influences the relationships among the ideas
- determine the facts in text and verify them through established methods
- summarize the main ideas and supporting details in a text in ways that maintain meaning and logical order
- use multiple text features (e.g., guide words, topic and concluding sentences) to gain an overview of the contents of text and to locate information
- describe explicit and implicit relationships among ideas in texts organized by cause and effect, sequence, or comparison
- distinguish fact from opinion in a text and explain how to verify what is a fact
- summarize the main idea and supporting details in text in ways that maintain meaning
- use text features (e.g., bold print, captions, key words, italics) to locate information and make and verify predictions about contents of text
### Prerequisite Skills/Links to TEKS Vertical Alignment

- identify explicit cause and effect relationships among ideas in texts
- draw conclusions from the facts presented in text and support those assertions with textual evidence
- identify the details or facts that support the main idea
- use text features (e.g., table of contents, index, headings) to locate specific information in text
- describe the order of events or ideas in a text
- locate the facts that are clearly stated in a text
- identify the main idea in a text and distinguish it from the topic
- use text features (e.g., title, tables of contents, illustrations) to locate specific information in text
- retell the order of events in a text by referring to the words and/or illustrations
- identify important facts or details in text, heard or read
- restate the main idea, heard or read
- use titles and illustrations to make predictions about text
- discuss the ways authors group information in text
- retell important facts in a text, heard or read
- identify the topic and details in expository text heard or read, referring to the words and/or illustrations

**Reading/comprehension skills (figure 19)**
