- identify contributions of patriots and good citizens who have shaped the community
- identify contributions of historical figures, including Stephen F. Austin, George Washington, Christopher Columbus, and Jose Antonio Navarro, who helped to shape the state and nation

### Issues and Events Shaping History

- analyze the political, economic, and social impact of major events in the latter half of the 20th and early 21st centuries such as major conflicts, the emergence of a two-party system, political and economic controversies, immigration, and migration
- analyze the political, economic, and social impact of major events, including World War I, the Great Depression, and World War II, on the history of Texas
- describe and compare the impact of the Progressive and other reform movements in Texas in the 19th and 20th centuries such as the Populists, women's suffrage, agrarian groups, labor unions, and the evangelical movement of the late 20th century
- define and trace the impact of "boom-and-bust" cycles of leading Texas industries throughout the 20th and early 21st centuries such as farming, oil and gas production, cotton, ranching, real estate, banking, and computer technology
### Prerequisite Skills/Links to TEKS Vertical Alignment

- explain the political, economic, and social impact of the oil industry on the industrialization of Texas
- explain the political, economic, and social impact of the agricultural industry and the development of West Texas resulting from the close of the frontier
- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the effects of the growth of railroads and the contributions of James Hogg
- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the development of the cattle industry from its Spanish beginnings and the myths and realities of the cowboy way of life
- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the factors leading to the expansion of the Texas frontier, the effects of westward expansion on American Indians, the buffalo soldiers, and Quanah Parker
- identify individuals, events, and issues during early Texas statehood, including the U.S.-Mexican War, the Treaty of Guadalupe-Hidalgo, population growth, and the Compromise of 1850
- analyze the causes of and events leading to Texas annexation
- contrast Spanish, Mexican, and Anglo purposes for and methods of settlement in Texas
- identify the individuals, issues, and events related to Mexico becoming an independent nation and its impact on Texas, including Texas involvement in the fight for independence, José Gutiérrez de Lara, the Battle of Medina, the Mexican federal Constitution of 1824, the merger of Texas and Coahuila as a state, the State Colonization Law of 1825, and slavery
- identify important events and issues related to European colonization of Texas, including the establishment of Catholic missions, towns, and ranches, and individuals such as Fray Damián Massanet, José de Escandón, Antonio Margil de Jesús, and Francisco Hidalgo
- analyze various issues and events of the 21st century such as the War on Terror and the 2008 presidential election
- analyze various issues and events of the 20th century such as industrialization, urbanization, increased use of oil and gas, the Great Depression, the world wars, the civil rights movement, and military actions
- explain the development and impact of the oil and gas industry upon industrialization and urbanization in Texas, including important places and people such as Spindletop and Pattillo Higgins
- identify the impact of various issues and events on life in Texas such as urbanization, increased use of oil and gas, the Great Depression, the Dust Bowl, and World War II

**NOTE:** Under each heading the prerequisite skills are arranged from the highest grade level to the lowest grade level.
### STAAR Reporting Category 1 – History: The student will demonstrate an understanding of issues and events in U.S. history.

### 8.6 Prerequisite Skills/Links to TEKS Vertical Alignment

**Political Influences**
- identify significant events and concepts associated with U.S. territorial expansion, including the Louisiana Purchase, the expedition of Lewis and Clark, and Manifest Destiny
- describe the causes and effects of the War of 1812
- describe the impact of the Civil War and Reconstruction on Texas

**Economic Influences**
- explain how industry and the mechanization of agriculture changed the American way of life
- identify and explain how changes resulting from the Industrial Revolution led to conflict among sections of the United States
- identify the impact of railroads on life in Texas, including changes to cities and major industries
- explain the growth, development, and impact of the cattle industry, including contributions made by Charles Goodnight, Richard King, and Lizzie Johnson

**Social Influences**
- identify the challenges, opportunities, and contributions of people from various American Indian and immigrant groups

*Continued*
8.6 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify the causes of the Civil War, including sectionalism, states’ rights, and slavery, and the effects of the Civil War, including Reconstruction and the 13th, 14th, and 15th amendments to the U.S. Constitution
- identify reasons people moved west
- examine the effects upon American Indian life resulting from changes in Texas, including the Red River War, building of U.S. forts and railroads, and loss of buffalo

Individuals and Groups Shaping History

- describe and compare the civil rights and equal rights movements of various groups in Texas in the 20th century and identify key leaders in these movements, including James L. Farmer Jr., Hector P. García, Oveta Culp Hobby, Lyndon B. Johnson, the League of United Latin American Citizens (LULAC), Jane McCallum, and Lulu Belle Madison White
- identify individuals, events, and issues during the administrations of Republic of Texas Presidents Houston, Lamar, and Jones, including the Texas Navy, the Texas Rangers, Edwin W. Moore, Jack Coffee Hays, Chief Bowles, William Goyens, Mary Maverick, José Antonio Navarro, the Córdova Rebellion, the Council House Fight, the Santa Fe Expedition, public debt, and the roles of racial and ethnic groups
- identify the contributions of significant individuals, including Moses Austin, Stephen F. Austin, Erasmo Seguín, Martín De León, and Green DeWitt, during the Mexican settlement of Texas
- identify important individuals, events, and issues related to European exploration of Texas such as Alonso Álvarez de Pineda, Álvar Nuñez Cabeza de Vaca and his writings, the search for gold, and the conflicting territorial claims between France and Spain
- compare the cultures of American Indians in Texas prior to European colonization such as Gulf, Plains, Puebloan, and Southeastern
- evaluate the social, political, economic, and cultural contributions of individuals and groups from various societies, past and present
- identify and describe the influence of individual or group achievements on various historical or contemporary societies such as the classical Greeks on government and the American Revolution on the French Revolution
- identify the accomplishments of individuals and groups such as Jane Addams, Susan B. Anthony, Dwight Eisenhower, Martin Luther King, Jr., Rosa Parks, Cesar Chavez, Franklin D. Roosevelt, Ronald Reagan, Colin Powell, the Tuskegee Airmen, and the 442nd Regimental Combat Team who have made contributions to society in the areas of civil rights, women's rights, military actions, and politics
- identify the accomplishments of notable individuals such as John Tower, Scott Joplin, Audie Murphy, Cleto Rodríguez, Stanley Marcus, Bessie Coleman, Raul A. Gonzalez Jr., and other local notable individuals
- compare the ways of life of American Indian groups in Texas and North America before European exploration
- describe the regions in which American Indians lived and identify American Indian groups remaining in Texas such as the Ysleta Del Sur Pueblo, Alabama-Coushatta, and Kickapoo
- identify American Indian groups in Texas and North America before European exploration such as the Lipan Apache, Karankawa, Caddo, and Jumano
- explain the possible origins of American Indian groups in Texas and North America
### 8.6 Prerequisite Skills/Links to TEKS Vertical Alignment

- describe how individuals, including Daniel Boone, Christopher Columbus, the Founding Fathers, and Juan de Onate, have contributed to the expansion of existing communities or to the creation of new communities
- identify individuals, including Pierre-Charles L'Enfant, Benjamin Banneker, and Benjamin Franklin, who have helped to shape communities
- describe how individuals, events, and ideas have changed communities, past and present
- explain how people and events have influenced local community history
- identify historical figures such as Amelia Earhart, W. E. B. DuBois, Robert Fulton, and George Washington Carver who have exhibited individualism and inventiveness
- identify contributions of historical figures, including Thurgood Marshall, Irma Rangel, John Hancock, and Theodore Roosevelt, who have influenced the community, state, and nation
- compare the similarities and differences among the lives and activities of historical figures and other individuals who have influenced the community, state, and nation
- identify historical figures such as Alexander Graham Bell, Thomas Edison, Garrett Morgan, and Richard Allen, and other individuals who have exhibited individualism and inventiveness
- identify contributions of historical figures, including Sam Houston, George Washington, Abraham Lincoln, and Martin Luther King Jr., who have influenced the community, state, and nation
- identify contributions of patriots and good citizens who have shaped the community
- identify contributions of historical figures, including Stephen F. Austin, George Washington, Christopher Columbus, and Jose Antonio Navarro, who helped to shape the state and nation

### Issues and Events Shaping History

- analyze the political, economic, and social impact of major events in the latter half of the 20th and early 21st centuries such as major conflicts, the emergence of a two-party system, political and economic controversies, immigration, and migration
- analyze the political, economic, and social impact of major events, including World War I, the Great Depression, and World War II, on the history of Texas
- describe and compare the impact of the Progressive and other reform movements in Texas in the 19th and 20th centuries such as the Populists, women's suffrage, agrarian groups, labor unions, and the evangelical movement of the late 20th century
- define and trace the impact of "boom-and-bust" cycles of leading Texas industries throughout the 20th and early 21st centuries such as farming, oil and gas production, cotton, ranching, real estate, banking, and computer technology
- explain the political, economic, and social impact of the oil industry on the industrialization of Texas
- explain the political, economic, and social impact of the agricultural industry and the development of West Texas resulting from the close of the frontier
- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the effects of the growth of railroads and the contributions of James Hogg
## 8.6 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the development of the cattle industry from its Spanish beginnings and the myths and realities of the cowboy way of life
- identify significant individuals, events, and issues from Reconstruction through the beginning of the 20th century, including the factors leading to the expansion of the Texas frontier, the effects of westward expansion on American Indians, the buffalo soldiers, and Quanah Parker
- identify individuals, events, and issues during early Texas statehood, including the U.S.-Mexican War, the Treaty of Guadalupe-Hidalgo, population growth, and the Compromise of 1850
- analyze the causes of and events leading to Texas annexation
- contrast Spanish, Mexican, and Anglo purposes for and methods of settlement in Texas
- identify the individuals, issues, and events related to Mexico becoming an independent nation and its impact on Texas, including Texas involvement in the fight for independence, José Gutiérrez de Lara, the Battle of Medina, the Mexican federal Constitution of 1824, the merger of Texas and Coahuila as a state, the State Colonization Law of 1825, and slavery
- identify important events and issues related to European colonization of Texas, including the establishment of Catholic missions, towns, and ranches, and individuals such as Fray Damián Massanet, José de Escandón, Antonio Margil de Jesús, and Francisco Hidalgo
- analyze various issues and events of the 21st century such as the War on Terror and the 2008 presidential election
- analyze various issues and events of the 20th century such as industrialization, urbanization, increased use of oil and gas, the Great Depression, the world wars, the civil rights movement, and military actions
- explain the development and impact of the oil and gas industry upon industrialization and urbanization in Texas, including important places and people such as Spindletop and Pattillo Higgins
- identify the impact of various issues and events on life in Texas such as urbanization, increased use of oil and gas, the Great Depression, the Dust Bowl, and World War II

**NOTE:** Under each heading the prerequisite skills are arranged from the highest grade level to the lowest grade level.
STAAR Reporting Category 1 – History: The student will demonstrate an understanding of issues and events in U.S. history.

**8.7 Prerequisite Skills/Links to TEKS Vertical Alignment**

**Political Influences**
- identify significant events and concepts associated with U.S. territorial expansion, including the Louisiana Purchase, the expedition of Lewis and Clark, and Manifest Destiny
- describe the causes and effects of the War of 1812
- describe the impact of the Civil War and Reconstruction on Texas

**Economic Influences**
- explain how industry and the mechanization of agriculture changed the American way of life
- identify and explain how changes resulting from the Industrial Revolution led to conflict among sections of the United States
- identify the impact of railroads on life in Texas, including changes to cities and major industries
- explain the growth, development, and impact of the cattle industry, including contributions made by Charles Goodnight, Richard King, and Lizzie Johnson

**Social Influences**
- identify the challenges, opportunities, and contributions of people from various American Indian and immigrant groups
- identify the causes of the Civil War, including sectionalism, states’ rights, and slavery, and the effects of the Civil War, including Reconstruction and the 13th, 14th, and 15th amendments to the U.S. Constitution
8.7 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify reasons people moved west
- examine the effects upon American Indian life resulting from changes in Texas, including the Red River War, building of U.S. forts and railroads, and loss of buffalo

Events Prior and During Military and Diplomatic Conflicts
- explain reasons for the involvement of Texas in the Civil War such as states' rights, slavery, sectionalism, and tariffs
- trace the development of events that led to the Texas Revolution, including the Fredonian Rebellion, the Mier y Terán Report, the Law of April 6, 1830, the Turtle Bayou Resolutions, and the arrest of Stephen F. Austin
- identify and analyze the causes and effects of events prior to and during the American Revolution, including the French and Indian War and the Boston Tea Party

Historical Significance of Patriotic Celebrations and National Landmarks
- identify and explain the significance of various community, state, and national landmarks such as monuments and government buildings
- explain the significance of various community, state, and national celebrations such as Veterans Day, Memorial Day, Independence Day, and Thanksgiving
- compare the observance of holidays and celebrations, past and present
- describe the origins of customs, holidays, and celebrations of the community, state, and nation such as San Jacinto Day, Independence Day, and Veterans' Day
- identify customs associated with national patriotic holidays such as parades and fireworks on Independence Day
- explain the reasons for national patriotic holidays such as Presidents' Day, Veterans Day, and Independence Day

NOTE: Under each heading the prerequisite skills are arranged from the highest grade level to the lowest grade level.
STAAR Reporting Category 1 – History: The student will demonstrate an understanding of issues and events in U.S. history.

| **(8.8) History.** The student understands individuals, issues, and events of the Civil War. The student is expected to
(A) explain the roles played by significant individuals during the Civil War, including Jefferson Davis, Ulysses S. Grant, Robert E. Lee, and Abraham Lincoln, and heroes such as congressional Medal of Honor recipients William Carney and Philip Bazaar; Supporting Standard
(B) explain the causes of the Civil War, including sectionalism, states' rights, and slavery, and significant events of the Civil War, including the firing on Fort Sumter; the battles of Antietam, Gettysburg, and Vicksburg; the announcement of the Emancipation Proclamation; Lee's surrender at Appomattox Court House; and the assassination of Abraham Lincoln; Readiness Standard
(C) analyze Abraham Lincoln's ideas about liberty, equality, union, and government as contained in his first and second inaugural addresses and the Gettysburg Address and contrast them with the ideas contained in Jefferson Davis's inaugural address. Supporting Standard | Recognizes important people, issues, and events relating to the Civil War. |

### 8.8 Prerequisite Skills/Links to TEKS Vertical Alignment

#### Events Prior and During Military and Diplomatic Conflicts
- explain reasons for the involvement of Texas in the Civil War such as states' rights, slavery, sectionalism, and tariffs
- trace the development of events that led to the Texas Revolution, including the Fredonian Rebellion, the Mier y Terán Report, the Law of April 6, 1830, the Turtle Bayou Resolutions, and the arrest of Stephen F. Austin
- identify and analyze the causes and effects of events prior to and during the American Revolution, including the French and Indian War and the Boston Tea Party

#### Individual Contributions During Wartime
- identify significant individuals and events concerning Texas and the Civil War such as John Bell Hood, John Reagan, Francis Lubbock, Thomas Green, John Magruder and the Battle of Galveston, the Battle of Sabine Pass, and the Battle of Palmito Ranch

Continued
8.8 Prerequisite Skills/Links to TEKS Vertical Alignment

- explain the issues surrounding significant events of the Texas Revolution, including the Battle of Gonzales, William B. Travis’s letter "To the People of Texas and All Americans in the World," the siege of the Alamo and all the heroic defenders who gave their lives there, the Constitutional Convention of 1836, Fannin's surrender at Goliad, and the Battle of San Jacinto
- explain the roles played by significant individuals during the Texas Revolution, including George Childress, Lorenzo de Zavala, James Fannin, Sam Houston, Antonio López de Santa Anna, Juan N. Seguín, and William B. Travis
- identify the Founding Fathers and Patriot heroes, including John Adams, Samuel Adams, Benjamin Franklin, Nathan Hale, Thomas Jefferson, the Sons of Liberty, and George Washington, and their motivations and contributions during the revolutionary period
- identify leaders important to the founding of Texas as a republic and state, including José Antonio Navarro, Sam Houston, Mirabeau Lamar, and Anson Jones
- summarize the significant contributions of individuals such as Texians William B. Travis, James Bowie, David Crockett, George Childress, and Sidney Sherman; Tejanos Juan Antonio Padilla, Carlos Espalier, Juan N. Seguín, Plácido Benavides, and José Francisco Ruiz; Mexicans Antonio López de Santa Anna and Vicente Filisola; and non-combatants Susanna Dickinson and Enrique Esparza

Effects of Military and Diplomatic Conflicts

- analyze the political, economic, and social effects of the Civil War and Reconstruction in Texas
- explain how the establishment of the Republic of Texas brought civil, political, and religious freedom to Texas
- summarize the results of the American Revolution, including the establishment of the United States and the development of the U.S. military
- explain the events that led to the annexation of Texas to the United States, including the impact of the U.S.-Mexican War
- describe the successes, problems, and organizations of the Republic of Texas such as the establishment of a constitution, economic struggles, relations with American Indians, and the Texas Rangers
- analyze the causes, major events, and effects of the Texas Revolution, including the Battle of the Alamo, the Texas Declaration of Independence, the Runaway Scrape, and the Battle of San Jacinto

Political Influences

- describe the impact of the Civil War and Reconstruction on Texas

Individuals and Groups Shaping History

- describe how individuals, events, and ideas have changed communities, past and present
- explain how people and events have influenced local community history
- compare the similarities and differences among the lives and activities of historical figures and other individuals who have influenced the community, state, and nation
- identify contributions of historical figures, including Sam Houston, George Washington, Abraham Lincoln, and Martin Luther King Jr., who have influenced the community, state, and nation
- identify contributions of patriots and good citizens who have shaped the community

</tbody>
</table>
### Prerequisite Skills/Links to TEKS Vertical Alignment

- translate geographic data into a variety of formats such as raw data to graphs and maps
- apply geographic tools, including grid systems, legends, symbols, scales, and compass roses, to construct and interpret maps
- translate geographic data, population distribution, and natural resources into a variety of formats such as graphs and maps
- create and interpret maps of places and regions that contain map elements, including a title, compass rose, legend, scale, and grid system
- identify and use the compass rose, grid system, and symbols to locate places on maps and globes
- use a scale to determine the distance between places on maps and globes
- use cardinal and intermediate directions to locate places on maps and globes such as the Rocky Mountains, the Mississippi River, and Austin, Texas in relation to the local community
- create maps to show places and routes within the home, school, and community
- interpret information on maps and globes using basic map elements such as title, orientation (north, south, east, west), and legend/map keys
- locate the community, Texas, and the United States on maps and globes
- create and use simple maps such as maps of the home, classroom, school, and community
- describe the location of self and objects relative to other locations in the classroom and school
- locate places using the four cardinal directions
- identify tools that aid in determining location, including maps and globes
- locate places on the school campus and describe their relative locations
- use terms, including over, under, near, far, left, and right, to describe relative location

#### Geography skills

- identify and create common features in the natural environment

### NOTE

<td><strong>(8.11) Geography.</strong> The student understands the physical characteristics of North America and how humans adapted to and modified the environment through the mid-19th century. The student is expected to: (A) analyze how physical characteristics of the environment influenced population distribution, settlement patterns, and economic activities in the United States during the 17th, 18th, and 19th centuries; Readiness Standard (B) describe the positive and negative consequences of human modification of the physical environment of the United States; Supporting Standard (C) describe how different immigrant groups interacted with the environment in the United States during the 17th, 18th, and 19th centuries. Supporting Standard</td>
<td>Recognizes the physical characteristics of North America and how humans adapted to and modified the environment.</td>
</tr>
</tbody>
</table>

8.11 **Prerequisite Skills/Links to TEKS Vertical Alignment**

*Relationship between People and Physical Environment*

- explain ways in which geographic factors such as the Galveston Hurricane of 1900, the Dust Bowl, limited water resources, and alternative energy sources have affected the political, economic, and social development of Texas
- identify ways in which Texans have adapted to and modified the environment and analyze the positive and negative consequences of the modifications
- describe ways in which technology influences human interactions with the environment such as humans building dams for flood control
- identify and analyze ways people have modified the physical environment such as mining, irrigation, and transportation infrastructure
- identify and analyze ways people have adapted to the physical environment in various places and regions
- analyze the positive and negative consequences of human modification of the environment in the United States, past and present
- describe how and why people have adapted to and modified their environment in the United States, past and present, such as the use of human resources to meet basic needs

Continued
### 8.11 Prerequisite Skills/Links to TEKS Vertical Alignment

- compare the positive and negative consequences of human modification of the environment in Texas, past and present, both governmental and private, such as economic development and the impact on habitats and wildlife as well as air and water quality
- identify reasons why people have adapted to and modified their environment in Texas, past and present, such as the use of natural resources to meet basic needs, facilitate transportation, and enhance recreational activities
- describe ways people have adapted to and modified their environment in Texas, past and present, such as timber clearing, agricultural production, wetlands drainage, energy production, and construction of dams
- identify and compare the human characteristics of various regions
- describe the effects of human processes such as building new homes, conservation, and pollution in shaping the landscape
- describe the effects of physical processes such as volcanoes, hurricanes, and earthquakes in shaping the landscape
- identify and compare how people in different communities adapt to or modify the physical environment in which they live such as deserts, mountains, wetlands, and plains
- describe and explain variations in the physical environment, including climate, landforms, natural resources, and natural hazards
- identify ways people can conserve and replenish natural resources
- identify positive and negative consequences of human modification of the physical environment such as the use of irrigation in improve crop yields
- identify ways in which people have modified the physical environment such as building roads, clearing land for urban development and agricultural use, and drilling for oil

#### Characteristics of Places and Regions

- analyze the effects of physical and human factors such as climate, weather, landforms, irrigation, transportation, and communication on major events in Texas
- compare places and regions of Texas in terms of physical and human characteristics
- locate the Mountains and Basins, Great Plains, North Central Plains, and Coastal Plains regions and places of importance in Texas during the 19th, 20th, and 21st centuries such as major cities, rivers, natural and historic landmarks, political and cultural regions, and local points of interest
- locate on a map important physical features such as the Rocky Mountains, Mississippi River, and Great Plains
- locate on a map important political features such as the ten largest urban areas in the United States, the 50 states and their capitals, and regions such as the Northeast, the Midwest, and the Southwest
- describe a variety of regions in the United States such as landform, climate, and vegetation regions that result from physical characteristics such as the Great Plains, Rocky Mountains, and Coastal Plains
- describe a variety of regions in the United States such as political, population, and economic regions that result from patterns of human activity
- compare the geographic regions of Texas (Mountains and Basins, Great Plains, North Central Plains, Coastal Plains) with regions of the United States and other parts of the world

## 8.15 Prerequisite Skills/Links to TEKS Vertical Alignment

### Historical Documents
- compare the principles and concepts of the Texas Constitution to the U.S. Constitution, including the Texas and U.S. Bill of Rights
- identify how the Texas Constitution reflects the principles of limited government, republicanism, checks and balances, federalism, separation of powers, popular sovereignty, and individual rights
- explain the reasons for the creation of the Bill of Rights and its importance
- explain the purposes of the U.S. Constitution as identified in the Preamble
- identify the key elements and the purposes and explain the importance of the Declaration of Independence
- identify the intent, meaning, and importance of the Declaration of Independence, the U.S. Constitution, and the Bill of Rights (Celebrate Freedom Week)

---

*Continued*
8.15 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify and explain the basic functions of the three branches of government according to the Texas Constitution
- identify the purposes and explain the importance of the Texas Declaration of Independence, the Texas Constitution, and other documents such as the Meusebach-Comanche Treaty
- describe and explain the importance of the concept of “consent of the governed” as it relates to the functions of local, state, and national government
- identify the purposes of the Declaration of Independence and the U.S. Constitution, including the Bill of Rights

**Structure and Functions of Government**
- describe the structure, funding, and governance of Texas public education, including local property taxes, bond issues, and state and federal funding supported by state and federal taxpayers
- identify major sources of revenue for state and local governments such as property tax, sales tax, and fees
- describe the structure and functions of government at municipal, county, and state levels
- explain how local, state, and national government services are financed
- identify services commonly provided by local, state, and national governments
- identify local, state, and national government officials and explain how they are chosen
- describe the basic structure of government in the local community, state, and nation
- identify how citizens participate in their own governance through staying informed of what public officials are doing, providing input to them, and volunteering to participate in government functions
- identify ways that public officials are selected, including election and appointment to office
- compare the roles of public officials, including mayor, governor, and president
- name current public officials, including mayor, governor, and president
- describe how governments tax citizens to pay for services
- identify governmental services in the community such as police and fire protection, libraries, schools, and parks and explain their value to the community
- identify functions of governments such as establishing order, providing security, and managing conflict
- identify and describe the role of a good citizen in maintaining a constitutional republic
- identify and describe the roles of public officials in the community, state, and nation
- identify the responsibilities of authority figures in the home, school, and community
- identify rules and laws that establish order, provide security, and manage conflict
- explain the purpose for rules and laws in the home, school, and community
- explain how authority figures make and enforce rules
- identify authority figures in the home, school, and community
- identify rules that provide order, security, and safety in the home and school
- identify purposes for having rules

| **(8.16) Government.** The student understands the process of changing the U.S. Constitution and the impact of amendments on American society. The student is expected to  
  (A) summarize the purposes for and process of amending the U.S. Constitution; Readiness Standard  
  (B) describe the impact of 19th-century amendments, including the 13th, 14th, and 15th amendments, on life in the United States. Readiness Standard | Recognizes how the U.S. Constitution may be amended and the impact of selected constitutional amendments. |

#### 8.16 Prerequisite Skills/Links to TEKS Vertical Alignment

**Historical Documents**
- compare the principles and concepts of the Texas Constitution to the U.S. Constitution, including the Texas and U.S. Bill of Rights
- identify how the Texas Constitution reflects the principles of limited government, republicanism, checks and balances, federalism, separation of powers, popular sovereignty, and individual rights
- explain the reasons for the creation of the Bill of Rights and its importance
- explain the purposes of the U.S. Constitution as identified in the Preamble
- identify the key elements and the purposes and explain the importance of the Declaration of Independence
- identify the intent, meaning, and importance of the Declaration of Independence, the U.S. Constitution, and the Bill of Rights (Celebrate Freedom Week)
- identify and explain the basic functions of the three branches of government according to the Texas Constitution
- identify the purposes and explain the importance of the Texas Declaration of Independence, the Texas Constitution, and other documents such as the Meusebach-Comanche Treaty
- describe and explain the importance of the concept of “consent of the governed” as it relates to the functions of local, state, and national government
- identify the purposes of the Declaration of Independence and the U.S. Constitution, including the Bill of Rights

**Structure and Functions of Government**
- describe the structure, funding, and governance of Texas public education, including local property taxes, bond issues, and state and federal funding supported by state and federal taxpayers
- identify major sources of revenue for state and local governments such as property tax, sales tax, and fees
- describe the structure and functions of government at municipal, county, and state levels
### 8.16 Prerequisite Skills/Links to TEKS Vertical Alignment

- explain how local, state, and national government services are financed
- identify services commonly provided by local, state, and national governments
- identify local, state, and national government officials and explain how they are chosen
- describe the basic structure of government in the local community, state, and nation
- identify how citizens participate in their own governance through staying informed of what public officials are doing, providing input to them, and volunteering to participate in government functions
- identify ways that public officials are selected, including election and appointment to office
- compare the roles of public officials, including mayor, governor, and president
- name current public officials, including mayor, governor, and president
- describe how governments tax citizens to pay for services
- identify governmental services in the community such as police and fire protection, libraries, schools, and parks and explain their value to the community
- identify functions of governments such as establishing order, providing security, and managing conflict
- identify and describe the role of a good citizen in maintaining a constitutional republic
- identify and describe the roles of public officials in the community, state, and nation
- identify the responsibilities of authority figures in the home, school, and community
- identify rules and laws that establish order, provide security, and manage conflict
- explain the purpose for rules and laws in the home, school, and community
- explain how authority figures make and enforce rules
- identify authority figures in the home, school, and community
- identify rules that provide order, security, and safety in the home and school
- identify purposes for having rules

**Social-competence skills**

- assume various roles and responsibilities as part of a classroom community

**Political and Legal Systems**

- identify historical origins of democratic forms of government such as Ancient Greece
- compare ways in which various societies such as China, Germany, India, and Russia organize government and how they function
- identify and give examples of governments with rule by one, few, or many
- review the record of human rights abuses of limited or unlimited governments such as the oppression of Christians in Sudan
- identify reasons for limiting the power of government
- compare the characteristics of limited and unlimited governments
- identify and describe examples of limited and unlimited governments such as constitutional (limited) and totalitarian (unlimited)
- distinguish between national and state governments and compare their responsibilities in the U.S. federal system
8.16 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify the reasons for and describe the system of checks and balances outlined in the U.S. Constitution
- identify and explain the basic functions of the three branches of government
- identify examples of representative government in the American colonies, including the Mayflower Compact and the Virginia House of Burgesses
- identify and compare the systems of government of early European colonists, including representative government and monarchy
- identify and compare characteristics of the Spanish colonial government and the early Mexican governments and their influence on inhabitants of Texas
- compare how various American Indian groups such as the Caddo and the Comanche governed themselves

**NOTE:** Under each heading the prerequisite skills are arranged from the highest grade level to the lowest grade level.
### STAAR Reporting Category 3 – Government and Citizenship: The student will demonstrate an understanding of the role of government and the civic process on historical issues and events.

8.22 Prerequisite Skills/Links to TEKS Vertical Alignment

**Roles, Responsibilities and Rights of Citizens**

- express and defend a point of view on an issue of historical or contemporary interest in Texas
- describe the importance of free speech and press in a democratic society
- identify different points of view of political parties and interest groups on important Texas issues, past and present
- explain and analyze civic responsibilities of Texas citizens and the importance of civic participation
- identify rights of Texas citizens
- compare the role of citizens in the United States with the role of citizens from various contemporary societies with representative and nonrepresentative governments
- explain relationships among rights, responsibilities, and duties in societies with representative governments
- identify and explain the duty of civic participation in societies with representative governments
- explain how opportunities for citizens to participate in and influence the political process vary among various contemporary societies
- describe roles and responsibilities of citizens in various contemporary societies, including the United States
- describe various amendments to the U.S. Constitution such as those that extended voting rights of U.S. citizens
- describe the fundamental rights guaranteed by each amendment in the Bill of Rights, including freedom of religion, speech, and press; the right to assemble and petition the government; the right to keep and bear arms; the right to trial by jury; and the right to an attorney
- explain how to contact elected and appointed leaders in state and local governments
- identify the importance of historical figures and important individuals who modeled active participation in the democratic process such as Sam Houston, Barbara Jordan, Lorenzo de Zavala, Ann Richards, Sam Rayburn, Henry B. González, James A. Baker III, Wallace Jefferson, and other local individuals
- explain the duty of the individual in state and local elections such as being informed and voting
- explain how individuals can participate voluntarily in civic affairs at state and local levels through activities such as holding public officials to their word, writing letters, and participating in historic preservation and service projects
- identify important individuals who have participated voluntarily in civic affairs at state and local levels such as Adina de Zavala and Clara Driscoll
- identify and explain the importance of individual acts of civic responsibility, including obeying laws, serving the community, serving on a jury, and voting
- identify historical figures such as Helen Keller and Clara Barton and contemporary figures such as Ruby Bridges and military and first responders who exemplify good citizenship
- identify ways to actively practice good citizenship, including involvement in community service
- identify historical figures such as Paul Revere, Abigail Adams, World War II Women Airforce Service Pilots (WASPs) and Navajo Code Talkers, and Sojourner Truth who have exemplified good citizenship

Continued
### 8.22 Prerequisite Skills/Links to TEKS Vertical Alignment

- identify characteristics of good citizenship, including truthfulness, justice, equality, respect for oneself and others, responsibility in daily life, and participation in government by educating oneself about the issues, respectfully holding public officials to their word, and voting
- identify other individuals who exemplify good citizenship
- identify historical figures such as Benjamin Franklin, Francis Scott Key, and Eleanor Roosevelt who have exemplified good citizenship

**NOTE:** Under each heading the prerequisite skills are arranged from the highest grade level to the lowest grade level.
STAAR Reporting Category 4 – Economics, Science, Technology and Society: The student will demonstrate an understanding of economic and technological influences on historical issues and events.

8.12 Prerequisite Skills/Links to TEKS Vertical Alignment

- **Development and Operation of Economic Systems**
  - explain the changes in the types of jobs and occupations that have resulted from the urbanization of Texas
  - trace the development of major industries that contributed to the urbanization of Texas such as transportation, oil and gas, and manufacturing
  - explain economic factors that led to the urbanization of Texas
  - evaluate the effects of supply and demand on business, industry, and agriculture, including the plantation system, in the United States
  - explain how supply and demand affects consumers in the United States
  - give examples of the benefits of the free enterprise system in the United States
  - describe how the free enterprise system works in the United States
  - describe the development of the free enterprise system in colonial America and the United States
  - identify major industries of colonial America
  - explain the economic patterns of early European colonists
  - explain the impact of American ideas about progress and equality of opportunity on the economic development and growth of Texas
### 8.12 Prerequisite Skills/Links to TEKS Vertical Alignment

- explain how developments in transportation and communication have influenced economic activities in Texas
- describe the impact of mass production, specialization, and division of labor on the economic growth of Texas
- analyze the effects of exploration, immigration, migration, and limited resources on the economic development and growth of Texas
- explain how geographic factors such as climate, transportation, and natural resources have influenced the location of economic activities in Texas
- explain how people in different regions of Texas earn their living, past and present, through a subsistence economy and providing goods and services
- give examples of the benefits of the free enterprise system such as choice and opportunity
- describe how the free enterprise system works, including supply and demand
- describe the development of the free enterprise system in Texas
- explain the economic activities early immigrants to Texas used to meet their needs and wants
- explain the economic activities various early American Indian groups in Texas and North America used to meet their needs and wants such as farming, trading, and hunting

#### Evolution of Economic Systems Based on Human Need

- examine the record of collective, non-free market economic systems in contemporary world societies
- understand the importance of morality and ethics in maintaining a functional free enterprise system
- compare and contrast free enterprise, socialist, and communist economies in various contemporary societies, including the benefits of the U.S. free enterprise system
- compare ways in which various societies organize the production and distribution of goods and services
- identify individuals, past and present, including Henry Ford and other entrepreneurs in the community such as Mary Kay Ash, Wallace Amos, Milton Hershey, and Sam Walton, who have started new businesses
- explain how government regulations and taxes impact consumer costs
- explain how the cost of production and selling price affect profits
- explain how supply and demand affect the price of a good or service
- identify examples of how a simple business operates
- explain the concept of a free market as it relates to the U.S. free enterprise system
- explain the impact of scarcity on the production, distribution, and consumption of goods and services
- define and identify examples of scarcity
- create a simple budget that allocates money for spending, saving, and donating
- identify ways of earning, spending, saving, and donating money
- examine the development of a product from a natural resource to a finished product
- identify ways in which people are both producers and consumers

---

*Continued*
### 8.12 Prerequisite Skills/Links to TEKS Vertical Alignment

- distinguish between producing and consuming
- explain the choices people in the U.S. free enterprise system can make about earning, spending, and saving money and where to live and work
- explain how work provides income to purchase goods and services
- describe how specialized jobs contribute to the production of goods and services
- describe the components of various jobs and the characteristics of a job well-performed
- identify examples of choices families make when buying goods and services
- explain why wanting more than they can have requires that people make choices
- identify examples of people wanting more than they can have
- identify the role of markets in the exchange of goods and services
- identify ways people exchange goods and services
- identify examples of goods and services in the home, school, and community
- describe similarities and differences in ways families meet basic human needs
- describe ways that families meet basic human needs
- explain why people have jobs
- identify jobs in the home, school, and community
- explain how basic human needs can be met such as through self-producing, purchasing, and trading
- explain the difference between needs and wants
- identify basic human needs of food, clothing, and shelter

**Economic skills**

- discuss the roles and responsibilities of family, school, and community helpers
- demonstrate an understanding of what it means to be a consumer
- demonstrate that all people need food, clothing, and shelter

**Factors Influencing Economies**

- identify and describe the effects of government regulation and taxation on economic development and business planning
- describe levels of economic development of various societies using indicators such as life expectancy, gross domestic product (GDP), GDP per capita, and literacy
- define and give examples of agricultural, wholesale, retail, manufacturing (goods), and service industries
- explain the impact of relative scarcity of resources on international trade and economic interdependence among and within societies
- identify problems and issues that may arise when one or more of the factors of production is in relatively short supply
- describe ways in which the factors of production (natural resources, labor, capital, and entrepreneurs) influence the economies of various contemporary societies
### 8.12 Prerequisite Skills/Links to TEKS Vertical Alignment

- explain the impact of American ideas about progress and equality of opportunity on the economic development and growth of the United States
- describe the impact of mass production, specialization, and division of labor on the economic growth of the United States
- analyze the effects of immigration, migration, and limited resources on the economic development and growth of the United States
- identify and explain how geographic factors have influenced the location of economic activities in the United States
- compare how people in different parts of the United States earn a living, past and present
