Item 9:

DISCUSSION AND ACTION

SUMMARY: Texas Government Code, §2001.039, establishes a four-year rule review cycle for all state agency rules, including State Board for Educator Certification (SBEC) rules. The SBEC last adopted the review of 19 TAC Chapter 232, General Certification Provisions, in 2011. However, recent legislation from the 84th Texas Legislature, Regular Session, 2015, has prompted the need to accelerate the review of 19 TAC Chapter 232 to align with the SBEC rulemaking schedule. Therefore, this item presents for SBEC approval the review of Chapter 232. The rules being reviewed provide requirements relating to certificate renewal and continuing professional education and national criminal history record information review of active certificate holders.

STATUTORY AUTHORITY: Statutory authority for the rule review is Texas Government Code, §2001.039. The statutory authority for 19 TAC Chapter 232 is the Texas Education Code (TEC), §§21.003(a), 21.0031(f), 21.031(a), 21.041(b)(1)-(4) and (7)-(9), and 21.054, and Texas Occupations Code, §55.002 and §55.003, for Subchapter A; and the TEC, §21.041(c) and §22.0831(f), for Subchapter B.

PREVIOUS BOARD ACTION: The SBEC last adopted the review of 19 TAC Chapter 232 in August 2011, finding that the reasons for initially adopting the rules continue to exist.

FUTURE ACTION EXPECTED: The review of 19 TAC Chapter 232, General Certification Provisions, is scheduled to be presented to the SBEC for adoption at the February 2016 meeting. Any rule changes resulting from the rule review process will be presented to the SBEC for consideration at a future meeting.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The SBEC rules in 19 TAC Chapter 232 are organized as follows: Subchapter A, Certificate Renewal and Continuing Professional Education Requirements; and Subchapter B, National Criminal History Record Information Review of Active Certificate Holders. These subchapters provide for rules that establish the requirements relating to types and classes of certificates issued, certificate renewal, continuing professional education, and national criminal history record information review.

The rules currently in effect in 19 TAC Chapter 232 are shown in Attachment II.

ANTICIPATED REVISIONS TO RULES: It is anticipated that Texas Education Agency (TEA) staff will present proposed changes to 19 TAC Chapter 232 for discussion and action at a future meeting to incorporate any changes that may result from the 84th Texas Legislature, Regular Session, 2015. Other changes may also be recommended to clarify the rules and incorporate current SBEC policy and procedures. The TEA staff will be conducting stakeholder meetings in the upcoming months prior to presenting changes to the SBEC.
RULE REVIEW: The notice of proposed review of 19 TAC Chapter 232, General Certification Provisions, will be filed with the Texas Register following the October 2015 SBEC meeting. The SBEC will accept comments as to whether the reasons for adopting 19 TAC Chapter 232 continue to exist. The public comment period will begin November 6, 2015, with the publication of the notice of proposed review of 19 TAC Chapter 232 in the Texas Register.

The filing of the notice of proposed review soliciting comments as to whether the reasons for adoption continue to exist would not preclude any amendments that may be proposed at the same time or at different times through a separate rulemaking process.

FISCAL IMPACT: None.

PUBLIC AND STUDENT BENEFIT: The review of 19 TAC Chapter 232 will result in the continuation of types and classes of certificates issued, the renewal of these certificates, and a safer school environment through national criminal history record information review of active certificate holders.

PROCEDURAL AND REPORTING IMPLICATIONS: None.

LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: None.

PUBLIC COMMENTS: The public comment period on the proposed rule review begins November 6, 2015, and ends December 7, 2015. The SBEC will take registered oral and written comments on this item at the February 12, 2016 meeting in accordance with the SBEC board operating policies and procedures.

ALTERNATIVES: None.

OTHER COMMENTS AND RELATED ISSUES: None.

ASSOCIATE COMMISSIONER’S RECOMMENDATION: I recommend that the State Board for Educator Certification:

Approve the proposed review of 19 TAC Chapter 232, General Certification Provisions, to be published as proposed in the Texas Register.

Rule Review

(a) A state agency shall review and consider for readoption each of its rules in accordance with this section.
(b) A state agency shall review a rule not later than the fourth anniversary of the date on which the rule takes effect and every four years after that date. The adoption of an amendment to an existing rule does not affect the dates on which the rule must be reviewed except that the effective date of an amendment is considered to be the effective date of the rule if the agency formally conducts a review of the rule in accordance with this section as part of the process of adopting the amendment.
(c) The state agency shall readopt, readopt with amendments, or repeal a rule as the result of reviewing the rule under this section.
(d) The procedures of this subchapter relating to the original adoption of a rule apply to the review of a rule and to the resulting repeal, readoption, or readoption with amendments of the rule, except as provided by this subsection. Publishing the Texas Administrative Code citation to a rule under review satisfies the requirements of this subchapter relating to publishing the text of the rule unless the agency readopts the rule with amendments as a result of the review.
(e) A state agency's review of a rule must include an assessment of whether the reasons for initially adopting the rule continue to exist.

Chapter 232. General Certification Provisions

Subchapter A. Certificate Renewal and Continuing Professional Education Requirements

Statutory Authority: The provisions of this Subchapter A issued under the Texas Education Code, §§21.003(a), 21.0031(f), 21.031(a), 21.041(b)(1)-(3) and (7)-(9), and 21.054, unless otherwise noted.

(a) All educators should model the philosophy of life-long learning; therefore, participation in professional development activities is expected of all educators. Activities must focus on the need of each educator to continually update his or her knowledge of current content, best practices, research, and technology that is relevant to his or her individual role as an educator. The State Board for Educator Certification (SBEC) shall ensure that requirements for renewal and continuing professional education are flexible to allow each individual educator to identify the activities he or she will complete to satisfy the SBEC's requirements.

(b) This chapter provides the minimum requirements necessary to renew any class of certificate issued by the SBEC.

(c) Each individual who holds a standard certificate(s) is responsible for renewing the certificate(s) and paying a fee for late renewal. Failure to receive notice of the renewal requirement or deadline does not excuse the individual's obligation to renew or pay applicable fees.

(d) The SBEC may deny renewal if the educator fails to comply with the requirements of this subchapter.

(e) The deadlines established for renewal, late renewals, and fees are established by procedures approved by the SBEC and are subject to change.

(f) The SBEC shall deny or cancel the renewal of an educator's certificate(s) if required by the Texas Education Code (TEC), §57.491, regarding defaults on guaranteed student loans, or pursuant to an interagency agreement with the Texas Higher Education Coordinating Board (THECB) relating to judgment debts for student loans owed to the THECB.

(g) The SBEC shall deny or cancel the renewal of an educator's certificate(s) as provided by the Texas Family Code, Chapter 232, regarding failure to pay child support.

(h) If reissued, Texas lifetime certificates surrendered in lieu of revocation or revoked at any time shall be reissued as standard certificates and subject to the requirements of this subchapter.

(i) Pursuant to the TEC, §21.003(a), an educator employed by a Texas public school district who fails to satisfy each of the requirements to renew his or her standard certificate(s) by the renewal date moves to inactive status and is ineligible for employment in a Texas public school district in a position for which a certificate is required until all appropriate requirements are satisfied. However, if an educator has completed the requirements for renewal and submitted a renewal application prior to the expiration date of the certificate, the certificate will not be considered to have expired.

Educators holding a valid Texas lifetime certificate issued prior to September 1, 1999, may voluntarily comply with the requirements of this subchapter.

§232.5. Renewal Date for Certificates.

(a) The renewal date of a standard certificate shall be five years after the last day of the certificate holder's next birth month.

(b) If an educator holds multiple certificates, all certificates will be renewed concurrently and are subject to renewal after the last day of the certificate holder's birth month in the year in which the earliest certificate was issued.

(c) If an educator holds an educational aide certificate and qualifies for a standard classroom teaching certificate, the expiration date of the new standard teaching certificate shall be five years after the last day of the certificate holder's next birth month.

(d) Pursuant to the Texas Education Code, §21.0031(f), a certificate or permit is not considered to have expired if the educator has completed the renewal requirements of this subchapter and has applied for renewal prior to the expiration date of the certificate or permit. Pursuant to the Texas Government Code, §2001.054, if an educator makes timely and sufficient application for the renewal or extension of a certificate or permit that is not granted because of the pendency of a matter subject to notice and hearing pursuant to Chapter 249 of this title (relating to Disciplinary Proceedings, Sanctions, and Contested Cases), the existing certificate or permit does not expire until the application for renewal or extension has been finally determined by the State Board for Educator Certification (SBEC) and the last day for seeking review of the SBEC order has passed.

(e) The renewal of a certificate that is delayed as a result of failure to meet the renewal requirements of this subchapter will not become effective until all renewal requirements have been satisfied.

(f) If all renewal requirements have been satisfied and submitted to the Texas Education Agency (TEA), the effective renewal date of a certificate or permit will not be affected by any TEA processing delay.

(a) The Texas Education Agency (TEA) staff shall develop procedures to:

(1) notify educators at least six months prior to the expiration of the renewal period to the email address as specified in §230.91 of this title (relating to Procedures in General);

(2) consider requests for hardship when circumstances beyond the control of the educator such as catastrophic illness of the educator or an immediate family member or military service of the educator prevented completion of the renewal requirements. If a hardship exemption is granted, the educator will be given a designated amount of time to complete the required number of continuing professional education clock-hours, apply, and pay the appropriate fee. The granting or denial of a request for extension of a renewal deadline shall be solely within the discretion of TEA staff and shall not be subject to appeal;

(3) confirm compliance with all renewal requirements pursuant to this subchapter;

(4) notify educators who are not renewed due to noncompliance with this section; and

(5) verify that educators applying for reactivation of certificate(s) under §232.9 of this title (relating to Inactive Status and Late Renewal) are in compliance with subsection (b)(2)-(6) of this section.

(6) not be in arrears of child support, pursuant to the Texas Family Code, Chapter 232;
(7) pay the renewal fee, pursuant to §232.25 of this title (relating to Fees Payable Upon Certificate Renewal or Reactivation), which shall be a single fee regardless of the number of certificates being renewed; and
(8) submit fingerprints in accordance with §232.35(c) of this title (relating to Submission of Required Information) and the TEC, §22.0831.

(c) When renewing career and technical education certifications that require licensure, certification, or registration by a state or nationally recognized accrediting agency as a professional practitioner in one or more approved occupations for which instruction is offered, licensure, certification, or registration shall be current and in good standing.

(d) The TEA staff shall renew the certificate(s) of an educator who meets all requirements of this subchapter.

(e) The State Board for Educator Certification shall stay the renewal of an educator's certificate(s) who fails to comply with subsection (b)(3) of this section, pending resolution of the disciplinary action. A certificate that is not suspended, surrendered in lieu of revocation, or revoked shall be renewed upon the final resolution of the disciplinary action provided that all other requirements have been satisfied. The renewal of a suspended certificate shall be stayed until the certificate has been reinstated. Payment of a late fee shall not be required if the late renewal is solely due to the pendency of a disciplinary action or to a suspension.

At any time, the educator may apply under procedures adopted by the Texas Education Agency (TEA) staff to have his or her certificate(s) reactivated and submit the reactivation fee. Reactivation of the educator's certificate(s) is subject to verification by the State Board for Educator Certification (SBEC) that the educator is in compliance with §232.7 of this title (relating to Requirements for Certificate Renewal). The renewal date of a reactivated certificate(s) shall be five years after the last day of the certificate holder's next birth month.

(b) Under procedures approved by the SBEC, the TEA staff shall notify a person by email of the reason(s) for denying the renewal and the actions or conditions required for removal from inactive status.
