Assessment and Accountability Factors Affecting the Rigor of the State Accountability System

- Tests included in the accountability system:
  - Current tests
  - Future tests

- Policies for campuses with no students in grades tested

- Policies for small campuses and districts

- Policies for special program campuses (PRTC, JJAEP, DAEP)

- Accountability standards for the assessment results

- Assessment measure definition

- Alternative education accountability procedures

- Identification of student groups

- Rigor of test and student passing standard

- Improvement policies and measures

- Other measures:
  - English Language proficiency
  - College readiness

- Mobility definitions

- Data quality policies

- Exceptions policy

- Test administration and exemption policies

- Dropout/Completion definitions and standards

- Minimum size criteria
